Heartwarming and Heart-Opening Stories Gathered from Decades of Medical Practice Bernie Siegel first wrote about miracles when he was a practicing surgeon and founded Exceptional Cancer Patients, a groundbreaking synthesis of group, individual, dream, and art therapy that provided patients with a “carefrontation.” Compiled during his more than thirty years of practice, speaking, and teaching, the stories in these pages are riveting, warm, and belief expanding. Their subjects include a girl whose baby brother helped her overcome anorexia, a woman whose cancer helped her heal by teaching her to stand up for herself, and a family that was saved from a burning house by bats. Without diminishing the reality of pain and hardship, the stories show real people turning crisis into blessing by responding to adversity in ways that empower and heal. They demonstrate what we are capable of and show us that we can achieve miracles as we confront life’s difficulties.

Lee Freeman grew up in a Christian home, but his faith was revolutionized when God performed a miracle in his life. Lee needed something specific -- new tennis shoes -- so he and his parents prayed for them. The very next day, God miraculously provided. Over a decade later, Lee was talking with some friends at church when he learned that several of them also had amazing stories of miraculous provision, healing, timing, direction, and more. In that moment, he felt God's prompting: Lee, I want you to share stories of my miracles with the world. And so Genuine Miracles was born. Now a YouTube channel and book, Genuine Miracles is answering that call from the Holy Spirit to share the love of Jesus through God's miracles. From the humorous story of when Duane was "targeted" for someone else's miracle to Dodie's heartbreaking story of tragedy after tragedy and God's loving care despite it all, this book prompts surprisingly complex spiritual questions while reinforcing fundamental basics of the Christian faith.
