Sexy, entertaining, and thoroughly informative, this collection of reports offers a glimpse into what is enticing, insightful, and unknown about sex in Asia. It looks at the sex scenes and unseens in the ‘usual suspects’ of Thailand, the Philippines, Hong Kong, and Japan as well as in less obvious countries such as Pakistan, China, Myanmar, Cambodia, and Vietnam. Covering the gamut of love, lust, passion, and pleasure across Asia, these articles offer unique insights into the sometimes shadowy world of the carnal pleasures on offer and the hypocrisies surrounding them. Gathered from the views of unrepentant ‘sexpats’, wayward tourists, and the locals themselves, in Red-light Nights, Bangkok Daze, you’ll find revelations about the varied experiences this huge cast of characters participates in. Succumb to the lights, and weather the daze; you’ll find yourself exhilarated and waking to a newfound awareness of the complex, interesting and yet confusing world of sex in Asia.

Have you ever dreamt about traveling around the world and meeting girls from different countries? It doesn't always go well, but it is always interesting. Around five years ago, I made the decision to go to Australia. It took a lot of guts. It was the first stop of my trip. When I arrived, I looked at the sky, and I thought, I like it! I didn't mean Australia (which I also like). I meant the feeling of freedom. That feeling will always be with me. Since then, I have met many different people, seen amazing places and enjoyed great adventures. Tis is the frst part of the best stories of love and sex that I experienced during my trips. Buy Stories of Love and Sex now, and enjoy! "It surprised me how easy it is to read and how fast time passes when you submerge yourself in the stories. Tey introduce you, through the experience of the author, to different parts of the world." -Dani P. "Seeing the point of view of a man about these kinds of situations had me uneasy during the whole book." -Erika G. "It is an entertaining book that brings you through different stories of love and loveless traveling. I personally felt inside the skin of the writer in many of the stories." -Carlos L.

Red Sparrow is now a major motion picture starring Jennifer Lawrence and Joel Edgerton! The thrilling sequel to Red Sparrow—CIA insider Jason Matthews’s compulsively readable New York Times bestseller and Edgar Award winner—featuring Russian spy Dominika Egorova and CIA agent Nate Nash “shimmers with authenticity. The villains are richly drawn...the scenes of them on the job are beyond chilling” (The New York Times Book Review). Captain Dominika Egorova of the Russian Intelligence Service despises the oligarchs, crooks, and thugs of Putin’s Russia—but what no one knows is that she is also working for the CIA. Her “sparrow” training in the art of sexual espionage further complicates the mortal risks she must take, as does her love for her handler Nate Nash—a shared lust that is as dangerous as treason. As Dominika expertly dodges exposure, she deals with a murderously psychotic boss, survives an Iranian assassination attempt and attempts to rescue an arrested double agent—and thwart Putin’s threatening flirtations. A grand, wildly entertaining ride through the steel-trap mind of a CIA insider, Palace of Treason is a story “as suspenseful and cinematic as the best spy movies” (The Philadelphia Inquirer)—one that feels fresh and so possible, in fact, that it’s doubtful this novel can ever be published in Russia.

"Erica Garza has written a riveting, can't-look-away memoir of a life lived hardcore...In an era when predatory male sexual behavior has finally become a topic of urgent national discourse...Getting Off makes for a wild, timely read" (Ella). A fixation on porn and orgasm, strings of failed relationships and serial hook-ups with strangers, inevitable blackouts to blunt the shame—these are not things we often hear women share publicly, and not with the candor, eloquence, and introspection Erica Garza brings to Getting Off. What sets this courageous and riveting account apart from your typical misery memoir is the absence of any precipitating trauma beyond the garden variety of hurt we’ve all had to endure in simply becoming a person—reckoning with family, learning to be social, integrating what it means to be sexual. Whatever tenor of violence or abuse Erica’s life took on through her behavior was of her own making, fueled by fear, guilt, self-loathing, self-pity, loneliness, and the hopelessness those feelings brought on as she runs from one side of the world to the other in an effort to break her habits—from East Los Angeles to Hawaii and Southeast Asia, through the brothels of Bangkok and the yoga studios of Bali to disappointing stabs at therapy and twelve-steps back home. In these remarkable pages, Garza draws an evocative, studied portrait of the anxiety that fuels her obsessions, as well as the exhilaration and hope she begins to feel when she suspects she might be free of them. Getting Off offers a brave and necessary voice to our evolving conversations about addiction and the impact that internet culture has had on us all—“a profoundly genuine, gripping story that any reader can appreciate” (Vice). “In reading Garza’s insight into her own experiences, we better understand ourselves” (The New York Times Book Review).
