"In health care, we tend to inundate our people with information, rather than enabling them to have insights. This concise guide will resonate with both senior and front-line managers who know they're engaged in unproductive work. They will see that reengineering is not overly difficult and can enable them to improve patient care and efficiency."--Trevor Fetter, President and CEO, Tenet Health Corporation, and Trustee, Federation of American Hospitals

"It isn't reform that will fix our ailing health care system, its reengineering. Champy and Greenspun highlight organizations

of delivery. No one can read this book and not feel a profound call to action."--H. Stephen Lieber, CAE, President & CEO, HIMSS In their legendary book, "Reengineering the Corporation", Jim Champy and Michael Hammer introduced businesspeople to the enormous power of a revolutionary methodology called "reengineering". Using reengineering, businesses around the world have systematically retooled their processes--achieving dramatic cost savings, greater customer satisfaction, and more value. Now, Jim Champy and Dr. Harry Greenspun show how to apply the proven reengineering methodology in health care: throughout physician practices,
