This is a beautiful book though maybe not the easiest to read because of the olde English. Julian's revelations gave her a dilemma between what she was 'seeing' and what she had learned in her Church teachings.

Julian Of Norwich - Penguin Books
REVELATIONS OF DIVINE LOVE. CHAPTER I [A Revelation of Love](#)in Sixteen Shewings [THIS](#) is a Revelation of Love that Jesus Christ, our endless bliss, made in Sixteen Shewings, or Revelations particular. Of the which the First is of His precious crowning with thorns; and therewith was comprehended

Coming from a society where women were barred from serious writing and teaching, Julian, an anchorite of the great medieval city of Norwich, nevertheless uses her womanlines and the English vernacular of the day to describe a series of revelations which she received from God in the year 1373. She identifies the female nature of Christ's suffering and the motherhood of God, using images from domestic daily life, emphasizing the homeliness of God's love. She writes in a lively and unpretentious manner and her theology is precise without ever being pedantic.

Considered one of the first books ever written by a woman in the English language, Revelations of Divine Love, by British mystic JULIAN OF NORWICH (1342-1416), continues to be an inspiration to spiritual seekers everywhere. During a period of illness, Julian witnessed sixteen visions of Christ that changed her life. She recorded these visions and spent many years working out their theological implications. Among her revelations were the comprehension of the Trinity, the conquering of the Fiend by the Passion, and the painless glory of Heaven. She believed in universal salvation and is often remembered for being an optimist during a time when many believed that God was punishing mankind. Julian is essential reading for anyone seeking to renew or spark their Christian faith.

We live in an age of skepticism. Our society places such faith in empirical reason, historical progress, and heartfelt emotion that it's easy to wonder: Why should anyone believe in Christianity? What role can faith and religion play in our modern lives? In this thoughtful and inspiring new book, pastor and New York Times bestselling author Timothy Keller invites skeptics to consider that Christianity is more relevant now than ever. As human beings, we cannot live without meaning, satisfaction, freedom, identity, justice, and hope. Christianity provides us with unsurpassed resources to meet these needs. Written for both the ardent believer and the skeptic, Making Sense of God shines a light on the profound value and importance of Christianity in our lives.

The story of the eventful and controversial life of Margery Kempe - wife, mother, businesswoman, pilgrim and visionary - is the earliest surviving autobiography in English. Here Kempe (c.1373-c.1440) recounts in vivid, unembarrassed detail the madness that followed the birth of the first of her fourteen children, the failure of her brewery business, her dramatic call to the spiritual life, her visions and uncontrollable tears, the struggle to convert her husband to a vow of chastity and her pilgrimages to Europe and the Holy Land. Margery Kempe could not read or write, and dictated her remarkable story late in life. It remains an extraordinary record of human faith and a portrait of a medieval woman of unforgettable character and courage.

Julian of Norwich (ca. 1343–ca. 1416), a contemporary of Geoffrey Chaucer, William Langland, and John Wyclif, is the earliest woman writer of English we know about. Although she described herself as [a](#) simple creature unlettered,“Julian is now widely recognized as one of the great speculative theologians of the Middle Ages, whose thinking about God as love has made a permanent contribution to the tradition of Christian belief. Despite her recent popularity, however, Julian is usually read only in translation and often in extracts rather than as a whole. This book presents a much-needed new edition of Julian's writings in Middle English, one that makes possible the serious reading and study of her thought not just for students and scholars of Middle English but also for those with little or no previous experience with the language. Separate texts of both Julian's works, A Vision Showed to a Devout Woman and A Revelation of Love, with modern punctuation and paragraphing and partly regularized spelling. A second, analytic edition of A Vision printed underneath the text of A Revelation to show what was left out, changed, or added as Julian expanded the earlier work into the later one. Facing-page explanatory notes, with translations of difficult words and phrases, cross-references to other parts of the text, and citations of biblical and other sources. A thoroughly accessible introduction to Julian's life and writings. An appendix of medieval and early modern records relating to Julian and her writings. An analytic bibliography of editions, translations, scholarly studies, and other works. The most distinctive feature of this volume is the editors' approach to the manuscripts. Middle English editions habitually retain original spellings of their base manuscript intact and only emend that manuscript when its readings make no sense. At once more interventionist and more speculative, this edition synthesizes readings from all the surviving manuscripts, with careful justification of each choice involved in this process. For readers who are not concerned with textual matters, the result will be a more readable and satisfying text. For Middle English scholars, the edition is intended both as a hypothesis and as a challenge to the assumptions the field brings to the business of editing.

Biographies, poetic compositions, works that are mystical, prophetic, visionary, or meditative: the selections here reflect the developments in medieval piety, particularly in the link between female spirituality and the body. Included are the dramatic visionary writings of Hildegard of Bingen; letters and poems by Hadewijch expressing passionate love for God; and Marguerite Porete's allegorical poem "The Mirror of Simple Souls," a dialogue between Love and Soul that was condemned as heretical. Also included are biographies written by male ecclesiastics of women such as Christine the Astonishing, whose extraordinary behavior included being resurrected at her own funeral; revelations received by Bridget of Sweden, the first woman to found a religious order; and excerpts from The Book of Margery Kempe, in which Margery imagines herself as a servant caring for the Virgin Mary in her childhood. This volume, edited by Elizabeth Spearing, who also prepared some of the translations, features a rich introduction to the lives and religious experiences of its subjects, as well as full explanatory notes. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

For centuries readers have comfortably accepted Julian of Norwich as simply a mystic. In this astute book, Denys Turner offers a new interpretation of Julian and the significance of her work. Turner argues that this fourteenth-century thinker's sophisticated approach to theological questions places her legitimately within the pantheon of other great medieval theologians, including Thomas Aquinas, Bernard of Clairvaux, and Bonaventure.Julian wrote but one work in two versions, a Short Text recording the series of visions of Jesus Christ she experienced while suffering a near-fatal illness, and a much expanded Long Text exploring the theological meaning of the "showings" some twenty years later. Turner addresses the apparent conflict between the two sources of Julian's theology: on the one hand, her personal revelation of God's omnipotent love, and on the other, the Church's teachings on and her own witnessing of evil in the world that deserves punishment, even eternal punishment. Offering a fresh and elegant account of Julian's response to this conflict--one that reveals its nuances, systematic character, and originality--this book marks a new stage in the century-long rediscovery of one of the English language's greatest theological thinkers.

From numerous accounts and writings, it has been shown that true contemplatives do not seek unusual experiences, much less personal power. This is because Christian mysticism is based on grace: the indwelling of the Trinity in the souls of mankind, and a divine call to holiness. In her Revelations, Julian shows great charm in the childlike, tender quality of her expression. She sees God as one Who delights in His creation and desires that we would recognize this and participate. Julian's attitude regarding the "all shall be well" largely depends on acceptance of the limitations of our own vision and the knowledge that the vastness of divine providence is mysterious. It is well worth noting that an anchoress lacked neither time nor motivation for recording such reflections, it is a fair assumption that her understanding of the full scope of her revelations developed over many years.

Contains The Cloud of Unknowing, The Mystical Theology of Saint Denis, The Book of Privy Counselling, and An Epistle on Prayer. Against a tradition of devotional writings which focussed on knowing God through Christ's Passion and his humanity, these texts describe a transcendent God who exists beyond human knowledge and human language. These four texts are at the heart of medival mystical theology in their call for contemplation, calm, and above all, love, as the way to understand the Divine.

A fresh and contemporary translation of one of the best loved and influential mystical texts of all time, The Showings of Julian of Norwich brings the message and spirituality of this 14th century mystic to 21st century readers. Julian of Norwich, a contemporary of Geoffrey Chaucer, was an English anchoress in East Anglia. At the age of 30, suffering from a severe illness and believing she was on her deathbed, Julian had a series of intense visions of Jesus, which she recorded and then expanded on later in her life. Her message for today's readers is simply this: She reveals the feminine face of the Divine and reminds us to see God there. All our failings are an opportunity to learn and grow; that they should be honored, but not dwelled upon. God's love has nothing to do with love and retribution and everything to do with love and compassion. In spite of all appearances, all is well.
