More and more young adults have opted out of Christianity and the church. The reason? Christians. When young adults talk about the problems they have with Christianity and the church, they often name certain attitudes and behaviors they believe are practiced too often by Christians: judging others, condemning people of other faiths, rejecting science, injecting politics into faith, and being anti-homosexual. With his familiar style, Adam Hamilton tackles these issues and addresses the how's and why's of Christians getting it right when it comes to being Christ in the world. When Christians Get It Wrong Leader Guide offers session goals, leader helps, activities, Scriptures, and more, and is intended to be used with the DVD.

What is Revival? It is the absolute manifestation of the presence of God Almighty in the midst of His people. Revival is a wave that overtakes churches, cities, and regions with the power of God. When revival rushes into a community, it turns things upside down and ushers hearts back into the deeper things of God. Revival is a city-shaking movement. All historical revivals spilled out of the four walls of a church or meeting and extended into cities and then regions and nations. Revival isn't just for the church corporately, it is also for you as an individual. God has placed a seed of revival in your spirit. He is positioning you in hunger so you will draw upon Him for living water. The living water will heal you and bring you into your destiny. Revival is beckoning. The flames are calling out to this generation to rise higher and go deeper.

Americans are anxious people. A recent study found that one in five of us has an anxiety disorder and we spend over \$2 billion a year on anti-anxiety medications. Often our life events play a significant role in our worries and fears. In this study, Adam Hamilton explores the most common worries and fears experienced by Americans today. He considers practical steps for overcoming these fears, and reflects upon fear in the light of Scripture and a faith that promises again and again that we don't need to live in fear. We can live with courage and hope. This Youth Study Book takes the ideas presented in Adam Hamilton's book and interprets them for young people grades 6-12.

How do we walk with Christ—daily follow him, grow in him, and faithfully serve him? In the Gospels, Jesus modeled for us the Christian spiritual life. The apostles taught it in their writings. And the Church has, through the last 2,000 years, sought to pursue this Christian spiritual life. In *The Walk*, Adam Hamilton focuses on five essential spiritual practices that are rooted in Jesus' own walk with God and taught throughout the New Testament. Each of these practices is intended as part of our daily walk with Christ while also being an essential part of growing together in the church. In each chapter, Hamilton explores one of these practices, its New Testament foundation, and what it looks like to pursue this practice daily in our personal life and together in the life of the church. Deepen your walk with Christ as we explore the five essential practices of worship, study, serving, giving, and bearing witness to our faith. The Leader Guide contains everything needed to guide a group through the six-week study including session plans, activities, and discussion questions, as well as
