No English king has so divided opinion, both during his reign and in the centuries since, more than Richard III. He was loathed in his own time for the never-confirmed murder of his young nephews, the Princes in the Tower, and died fighting his own subjects on the battlefield. This is the vision of Richard we have inherited from Shakespeare.

Richard III (Penguin Monarchs): Horrox, Rosemary ...

In this enlightening, even-handed study, Rosemary Horrox builds a complex picture of a king who by any standard failed as a monarch. He was killed after only two years on the throne, without an heir, and brought such a decisive end to the House of York that Henry Tudor was able to seize the throne, despite his extremely tenuous

Richard II (1377-99) came to the throne as a child, following the long, domineering, martial reign of his grandfather Edward III. He suffered from the disastrous combination of a most exalted sense of his own power and an inability to impress that power on those closest to the throne. Neither trusted nor feared, Richard battled

Online Library Richard Iii Penguin Monarchs A Failed King

with a whole series of failures and emergencies before finally succumbing to a coup, imprisonment and murder. Laura Ashe's brilliant account of his reign emphasizes the strange gap between Richard's personal incapacity and the amazing cultural legacy of his reign - from the Wilton Diptych to Sir Gawain and the Green Knight, Piers Plowman and The Canterbury Tales.

Part of the Penguin Monarchs series- short, fresh, expert accounts of England's rulers in a collectible format.

No English king has so divided opinion, both during his reign and in the centuries since, more than Richard III. He was loathed in his own time for the never-confirmed murder of his young nephews, the Princes in the Tower, and died fighting his own subjects on the

Online Library Richard Iii Penguin Monarchs A Failed King

battlefield. This is the vision of Richard we have inherited from Shakespeare. Equally, he inspired great loyalty in his followers. In this enlightening, even-handed study, Rosemary Horrox builds a complex picture of a king who by any standard failed as a monarch. He was killed after only two years on the throne, without an heir, and brought such a decisive end to the House of York that Henry Tudor was able to seize the throne, despite his extremely tenuous claim. Whether Richard was undone by his own fierce ambitions, or by the legacy of a Yorkist dynasty which was already profoundly dysfunctional, the end result was the same: Richard III destroyed the very dynasty that he had spent his life so passionately defending.

A startling, subversive novel about a teenage girl who has lost

Online Library Richard Iii Penguin Monarchs A Failed King

everything and will burn anything. Fourteen-year-old Lucia is a young narrator whose voice will long ring in your ears. She is angry with almost everyone, especially people who tell her what to do. She follows the one rule that makes any sense to her: Don't Do Things You Aren't Proud Of. Orphaned and living with her elderly aunt in poverty in the converted garage of a large mansion, Lucia makes her way through the world with only a book, a Zippo lighter, and a pocket full of stolen licorice. Expelled from school, again, Lucia spends her days riding the bus to visit her mother in The Home. When Lucia discovers a secret Arson Club, she will do anything to be a part of it. Her own arson manifesto is a marvellous anarchist pamphlet, written with biting wit and striking intelligence. The voice of teenaged Lucia is a tour de force: a brilliant, wrenching cry from the heart and mind of a super-smart, funny girl

Online Library Richard Iii Penguin Monarchs A Failed King

who can't help telling us the truth, a riveting chronicle of family, misguided friendship, and loss. How to Set a Fire and Why is Jesse Ball's most accessible novel yet; after *Silence Once Begun* and *A Cure for Suicide*, the pyrotechnics on display here will dazzle. 'I was captivated from the first line..... Lucia belongs with all the great child truth tellers: David Copperfield, Huck Finn, Holden Caulfield..... I loved her and I loved the book, every page of it.' Peter Heller, author of *The Dog Stars* and *The Painter*

The acclaimed Penguin Monarchs series: short, fresh, expert accounts of England's rulers - now in paperback Henry II (1154-89) through a series of astonishing dynastic coups became the ruler of an enormous European empire. One of the most dynamic, restless and clever men ever to rule England, he was brought down both by

Online Library Richard Iii Penguin Monarchs A Failed King

his catastrophic relationship with his archbishop Thomas Becket and his debilitating arguments with his sons, most importantly the future Richard I and King John. His empire may have ultimately collapsed, but in Richard Barber's vivid and sympathetic account the reader can see why Henry II left such a compelling impression on his contemporaries. Richard Barber has written for Penguin The Penguin Guide to Medieval Europe, The Holy Grail and Edward III and the Triumph of England. He is a major figure in medieval studies, both as a writer and as a publisher.

In 1461 Edward earl of March, an able, handsome, and charming eighteen-year old, usurped the English throne from his feeble Lancastrian predecessor Henry VI. Ten years on, following outbreaks of civil conflict that culminated in him losing, then

Online Library Richard Iii Penguin Monarchs A Failed King

regaining the crown, he had finally secured his kingdom. The years that followed witnessed a period of rule that has been described as a golden age- a time of peace and economic and industrial expansion, which saw the establishment of a style of monarchy that the Tudors would later develop. Yet, argues A. J. Pollard, Edward, who was drawn to a life of sexual and epicurean excess, was a man of limited vision, his reign remaining to the very end the narrow rule of a victorious faction in civil war. Ultimately, his failure was dynastic- barely two months after his death in April 1483, the throne was usurped by Edward's youngest brother, Richard III.

Richard I's reign is both controversial and seemingly contradictory. One of England's most famous medieval monarchs and a potent symbol of national identity, he barely spent six months on English

Online Library Richard Iii Penguin Monarchs A Failed King

soil during a ten-year reign and spoke French as his first language. Contemporaries dubbed him the 'Lionheart', reflecting a carefully cultivated reputation for bravery, prowess and knightly virtue, but this supposed paragon of chivalry butchered close to 3,000 prisoners in cold blood on a single day. And, though revered as Christian Europe's greatest crusader, his grand campaign to the Holy Land failed to recover the city of Jerusalem from Islam. Seeking to reconcile this conflicting evidence, Thomas Asbridge's incisive reappraisal of Richard I's career questions whether the Lionheart really did neglect his kingdom, considers why he devoted himself to the cause of holy war and asks how the memory of his life came to be interwoven with myth. Richard emerges as a formidable warrior-king, possessed of martial genius and a cultured intellect, yet burdened by the legacy of his dysfunctional dynasty

Online Library Richard Iii Penguin Monarchs A Failed King

and obsessed with the pursuit of honour and renown.

A major new title in the Penguin Monarchs series In his fascinating new book in the Penguin Monarchs series, Richard Abels examines the long and troubled reign of Aethelred II the 'Unraed', the 'Ill-Advised'. It is characteristic of Aethelred's reign that its greatest surviving work of literature, the poem The Battle of Maldon, should be a record of heroic defeat. Perhaps no ruler could have stemmed the encroachment of wave upon wave of Viking raiders, but Aethelred will always be associated with that failure. Richard Abels is Professor Emeritus at the United States Naval Academy. He is the author of Alfred the Great: War, Kingship and Culture in Anglo-Saxon England and Lordship and Military Obligation in Anglo-Saxon England. He is a Fellow of the Royal Historical Society.

Online Library Richard Iii Penguin Monarchs A Failed King

'To be a medieval king was a job of work ... This was a man who knew how to run a complex organization. He was England's CEO' The youngest of William the Conqueror's sons, Henry I came to unchallenged power only after two of his brothers died in strange hunting accidents and he had imprisoned the other. He was destined to become one of the greatest of all medieval monarchs, both through his own ruthlessness, and through his dynastic legacy. Edmund King's engrossing portrait shows a strikingly charismatic, intelligent and fortunate man, whose rule was looked back on as the real post-conquest founding of England as a new realm: wealthy, stable, bureaucratized and self-confident.

A detailed study of the role of the king's servants, before and during

Online Library Richard Iii Penguin Monarchs A Failed King

Richard's reign, explores the practical aspects of obedience, as well as the structure of service relationships and the late medieval client systems.
