of one of the most important and challenging periods in the history of popular music.

'A fantastic tribute to an amazingly creative musical period . . . An instant pop classic, worthy of a place on your shelves beside the handful of music books that really matter.'

John McTernan, Scotland on Sunday Punk revitalized rock in the mid-seventies, but the movement soon degenerated into self-parody. Rip It Up and Start Again is the first book-length celebration of what happened next: post-punk bands who dedicated themselves to fulfilling punk's unfinished musical revolution. 1978 - 1984 rivals the sixties for the sheer amount of fabulous music created, the spirit of adventure and possibility that infused it, and the way the sounds felt inextricably connected to the political and social turbulence of the day.

Simon Reynolds, acclaimed author of Energy Flash, recreates a time of tremendous urgency and idealism in pop music. Packed with anecdote and insight, populated by charismatic and maverick characters, Rip It Up and Start Again stands as one of the most inspired and inspiring books on popular music ever written. 'I had never expected there to be a book on this subject; had I done so, I would never have dared to hope it could be as good as this.'

Nicholas Lezard, Guardian Book of the Week 'This remarkable and perfectly timed cultural history is required reading.'

Read Book Rip It Up And Start Again Lyrics

Rip up this book and unleash your hidden potential Most self-help books encourage you to think differently; to think yourself thin, imagine a richer self or to visualize the perfect you. This is difficult, time consuming and often doesn't work. Drawing on a dazzling array of scientific evidence, psychologist Richard Wiseman presents a radical new insight that turns conventional self-help on its head: simple physical actions represent the quickest, easiest and most powerful way to instantly change how you think and feel. So don't just think about changing your life. Do it. *Discover the simple idea that changes everything *Lose weight * Stop smoking * Feel instantly younger

"The essential book on post-punk music, a must for any serious pop music fan"

Growing up in the suburbs of Boston and raised on secular Judaism, Cocoa Puffs, and Gilligan's Island, Peter Bebergal was barely in his teens when the ancient desire to finding higher spiritual meaning in the universe struck. Already schooled in mysticism by way of comic books, Dungeons & Dragons, and Carlos Castaneda, he turned to hallucinogens, convinced they would provide a path to illumination. Was this profound desire for God—a god he believed that could only be apprehended by an extreme state of

Read Book Rip It Up And Start Again Lyrics

altered consciousness—simply a side effect of the drugs? Or was it a deeper human longing that was manifesting itself, even on a country club golf course at the edge of a strip mall? Too Much to Dream places Bebergal's story within the cultural history of hallucinogens, American fascination with mysticism, and the complex relationship between drug addiction, popular culture, rock 'n' roll, occultism, and psychology. With a captivating foreword by Peter Coyote, and interviews with writers, artists, and psychologists such as Dennis McKenna, James Fadima, Arik Roper, Jim Woodring, and Mark Tulin, Bebergal offers a groundbreaking exploration of drugs, religion, and the craving for spirituality entrenched in America's youth.

Launched by legendary music industry executive Art Rupe in the mid-1940s, the Los Angeles-based Specialty Records emerged as one of the most important independent labels for African-American music in the twentieth century. Recognizing that competing with major record companies was a losing battle, Rupe headed to Central Avenue, the center of L.A.'s black community, where he spent \$200 on what were then known as "race records." He carefully analyzed each, developing his own formula for a successful venture. Soon, Specialty was scoring R&B hits with artists such as Roy Milton, Camille Howard, Jimmy and Joe Liggins, and Percy Mayfield. Drawn to the

Read Book Rip It Up And Start Again Lyrics

music of New Orleans, Rupe went on to sign Lloyd Price, who topped the charts with &"Lawdy Miss Clawdy.&" It was through Price that Specialty acquired its best-known artist, Little Richard. After &"Tutti Frutti&" exploded in 1955, Richard and the label scored a string of successes with &"Long Tall Sally,&" &"Lucille,&" &"Keep A Knockin',&" &"Good Golly Miss Molly,&" and more. In addition to R&B and the emerging sounds of rock 'n' roll, Rupe was particularly drawn to the sounds of the church. Black gospel music was an essential element of his company, with a roster that included stars of the genre, such as Sam Cooke's Soul Stirrers, Sister Wynona Carr, Brother Joe May, Alex Bradford and the Bradford Specials, and others. From behind-the-scenes producers Robert &"Bumps&" Blackwell, J.W. Alexander, Harold Battiste, and Sonny Bono, to R&B recording stars Floyd Dixon, Guitar Slim, Jesse Belvin, Larry Williams, and Don and Dewey, this is the story of the legendary Specialty Records.

The first book to look at rock rebellion through the lens of gender, *The Sex Revolts* captures the paradox at rock's dark heart--the music is often most thrilling when it is most misogynistic and macho. And, looking at music made by female artists, the authors ask: must it always be this way?

Bring the Noise weaves together interviews,

Read Book Rip It Up And Start Again Lyrics

reviews, essays, and features to create a critical history of the last twenty years of pop culture, juxtaposing the voices of many of rock and hip hop's most provocative artists—Morrissey, Public Enemy, The Beastie Boys, The Stone Roses, P.J. Harvey, Radiohead—with Reynolds's own passionate analysis. With all the energy and insight you would expect from the author of *Rip It Up and Start Again*, *Bring the Noise* tracks the alternately fraught and fertile relationship between white bohemia and black street music. The selections transmit the immediacy of their moment while offering a running commentary on the broader enduring questions of race and resistance, multiculturalism, and division. From grunge to grime, from Madchester to the Dirty South, *Bring the Noise* chronicles hip hop and alternative rock's competing claims to be the cutting edge of innovation and the voice of opposition in an era of conservative backlash. Alert to both the vivid detail and the big picture, Simon Reynolds has shaped a compelling narrative that cuts across a thrillingly turbulent two-decade period of pop music.

NPR Great Read of 2016 From the acclaimed author of *Rip It Up and Start Again* and *Retromania*—"the foremost popular music critic of this era (*Times Literary Supplement*)—comes the definitive cultural history of glam and glitter rock, celebrating its outlandish

Read Book Rip It Up And Start Again Lyrics

fashion and outrageous stars, including David Bowie and Alice Cooper, and tracking its vibrant legacy in contemporary pop.

Spearheaded by David Bowie, Alice Cooper, T. Rex, and Roxy Music, glam rock reveled in artifice and spectacle. Reacting against the hairy, denim-clad rock bands of the late Sixties, glam was the first true teenage rampage of the new decade. In *Shock and Awe*, Simon Reynolds takes you on a wild cultural tour through the early Seventies, a period packed with glitzy costumes and alien make-up, thrilling music and larger-than-life personas. *Shock and Awe* offers a fresh, in-depth look at the glam and glitter phenomenon, placing it the wider Seventies context of social upheaval and political disillusion. It explores how artists like Lou Reed, New York Dolls, and Queen broke with the hippie generation, celebrating illusion and artifice over truth and authenticity. Probing the genre's major themes—stardom, androgyny, image, decadence, fandom, apocalypse—Reynolds tracks glam's legacy as it unfolded in subsequent decades, from Eighties art-pop icons like Kate Bush through to twenty-first century idols of outrage such as Lady Gaga. *Shock and Awe* shows how the original glam artists' obsessions with fame, extreme fashion, and theatrical excess continue to reverberate through contemporary pop culture.
