ABOUT THE SERIES The Crown Conspiracy is book
one of the multi-book saga: The Riyria
Revelations. Instead of a string of sequels,
this six-book fantasy series was conceived as
a single epic tale divided into individual
novels. While one book may hint at building
mysteries and thickening plots, these threads
are not essential to reach a satisfying
conclusion to the current episode--which has
its own beginning, middle, and end. It should

be noted that all six were written before the first was released to ensure continuity across a complex plot filled with twists, turns, and page-turning mysteries.

Characterization occur across the whole series allowing readers to build friendships with likeable characters that are shaped as events unfold. The Riyria Revelations is written for adults but has no sex and limited violence centered on swordplay and is therefore, appropriate for younger audiences and a movie version based on the novels would garnish a PG-13 rating.
