Top 9 Rival Soft Serve Ice Cream Machine - Product Reviews

By the way, this ice cream is more of a soft serve. Ever make homemade ice cream and wish it could be a little softer, less icy? I've found the perfect combination of cream and milk to make a dreamy soft serve consistency. Don't over blend it because the cream may get clumpy and try to turn to butter on you! And now for the main attraction ...

Jenn left the intelligence game behind to sell a delicious dessert using her family's magical age-old recipe. As the sole ice cream vendor in the food truck arena, success is hers until the hot, new ice cream guy arrives threatening to melt her competitive nature as he heats emotions she thought were dead. Former Navy SEAL, James "Camp" McLeod returns home wanting to bring joy to people. The perfect solution--making ice cream cones. Who doesn't like ice cream? But what he really wants is to forget his past. Not an easy task...maybe impossible with the mysterious Jenn Beagle and her tantalizing waffle cone distracting him. His past and her secrets may prevent the rivals from forging an alliance, but the magic spark is undeniable whenever they mix business with pleasure.

To do list: Graduate with honors, get into medical school, and snag the most-sought-after celebrity photo of all time to cover my tuition. One more thing -- resist the hot British guy who's my biggest rival. But from the first day I run into William on his motorcycle, he makes that difficult, since he's flirty, charming, clever and keeps trying to convince me to spend the night with him. Trust me -- stripping him down to nothing is on my wish list, but I can't let him get under my skin as I chase cheating directors and stake out clandestine trysts. Yet everywhere I go, my most charming rival is there -- is he following me, trying to woo me, or aiming to sabotage my plans? When I'm offered a brand new ticket to my dreams, I have to decide if I want to team up with the sexiest enemy ever... Except there's a third option too--and that one's looking mighty appealing--if I'm willing to take a crazy chance. *My Charming Rival is book one. The story continues in My Sexy Rival*

MARY FOREMAN is a home cook and the publisher of the wildly popular southern recipe website, DeepSouth- Dish.com, drawing millions of readers a month from all across the world, who find a reconnection to their own memories and heritage through her childhood stories, and the classic, homespun recipes connected to them. A multi-generational southerner whose ancestors have found home in at least four southeast states, Mary lives with her husband "The Cajun," and multiple four-legged rescue children, on the Mississippi Gulf Coast, where except for several years living in New Orleans, she has spent her entire life. She is mother to Chris and grandmother to Brian, Sydney and Hugh, each of whom she draws into the kitchen every chance she gets.

More than 100 accessible, flavor-packed recipes, using only common ingredients and everyday household kitchen tools, from YouTube celebrity Gemma Stafford

Jill Winger, creator of the award-winning blog The Prairie Homestead, introduces her debut The Prairie Homestead Cookbook, including 100+ delicious, wholesome recipes made with fresh ingredients to bring the flavors and spirit of homestead cooking to any kitchen table. With a foreword by bestselling author Joel Salatin The Pioneer Woman Cooks meets 100 Days of Real Food, on the Wyoming prairie. While Jill produces much of her own food on her Wyoming ranch, you don't have to grow all—or even any—of your own food to cook and eat like a homesteader. Jill teaches people how to make delicious traditional American comfort food recipes with whole ingredients and shows that you don't have to use obscure items to enjoy this lifestyle. And as a busy mother of three, Jill knows how to make recipes easy and delicious for all ages. "Jill takes you on an insightful and delicious journey of becoming a homesteader. This book is packed with so much easy to follow, practical, hands-on information about steps you can take towards integrating homesteading into your life. It is packed full of exciting and mouth-watering recipes and heartwarming stories of her unique adventure into homesteading. These recipes are ones I know I will be using regularly in my kitchen." - Eve Kilcher These 109 recipes include her family's favorites, with maple-glazed pork chops, butternut Alfredo pasta, and browned butter skillet corn. Jill also shares 17 bonus recipes for homemade sauces, salt rubs, sour cream, and the like—staples that many people are surprised to learn you can make yourself. Beyond these recipes, The Prairie Homestead Cookbook shares the tools and tips Jill has learned from life on the homestead, like how to churn your own butter, feed a family on a budget, and experience all the fulfilling satisfaction of a DIY lifestyle.

The New York Times bestselling author of China, Inc. reports on the astounding economic and political ramifications of an aging world. The world's population is rapidly aging—by the year 2030, one billion people will be sixty-five or older. As the ratio of the old to the young grows ever larger, global aging has gone critical: For the first time in history, the number of people over age fifty will be greater than those under age seventeen. Few of us understand the resulting massive effects on economies, jobs, and families. Everyone is touched by this issue—parents and children, rich and poor, retirees and workers—and now veteran journalist Ted C. Fishman masterfully and movingly explains how our world is being altered in

ways no one ever expected. What happens when too few young people must support older people? How do shrinking families cope with aging loved ones? What happens when countries need millions of young workers but lack them? How do companies compete for young workers? Why, exactly, do they shed old workers? How are entire industries being both created and destroyed by demographic change? How do communities and countries remake themselves for ever-growing populations of older citizens? Who will suffer? Who will benefit? With vivid and witty reporting from American cities and around the world, and through compelling interviews with families, employers, workers, economists, gerontologists, government officials, health-care professionals, corporate executives, and small business owners, Fishman reveals the astonishing and interconnected effects of global aging, and why nations, cultures, and crucial human relationships are changing in this timely, brilliant, and important read.
