The presence of the Catholic Church in the United States reaches back to the founding days of our country through the leadership of Archbishop John Carroll, the first Catholic bishop in the United States. His story like the stories at the start of each chapter in the United States Catholic Catechism for Adults give us a glimpse into the lives of Catholics who lived out their faith throughout our country's history. Each chapter in the Catechism for Adults includes stories, doctrine, reflection, quotations, discussion questions, and prayer to lead the reader to a deepening faith. The Catechism for Adults is an excellent resource for preparation of catechumens in the Rite of Christian Initiation of Adults and for ongoing catechesis of adults.

Even more timely than when it first appeared, this bilingual tenth anniversary edition provides the faithful with a powerful instrument for opening wide the doors of Christ.

Introduces young readers to Catholic beliefs as expressed in the Catechism of the Catholic Church.

Revised and updated version of the General catechetical directory, 1971. Includes bibliographical references (p. 2-5) and index.
