on the run, and a rare cold case murder conviction. Janet March had it all: a corporate lawyer husband, two beautiful children, a promising career as an artist, and a dream house she designed herself. But behind closed doors, her husband led a destructive double

life. On August 16, 1996, Janet had an appointment to finally file for divorce. But she never arrived. On the night of August 15, she vanished. Janet ' s disappearance incited a massive search and media frenzy that revealed her husband Perry ' s seedy dealings. When

he absconded with his children to a new life in Mexico, Janet ' s parents began a decade-long, international custody battle that culminated in Perry ' s dramatic extradition to Tennessee. Meanwhile, the Nashville Police Department never

will leave readers
breathless as Seda
and her family find
themselves at the
mercy of a murderer
in an isolated and
snowbound hotel.
Get ready for what
Kirkus calls "A bloody,
wonderfully creepy
scare ride." When her
mom inherits an old,
crumbling mansion,
Seda's almost excited

to spend the summer

there. The grounds are beautiful and it's fun to explore the sprawling house with its creepy rooms and secret passages.

Except now her mom wants to renovate, rather than sell the estate—which means they're not going back to the city...or Seda's friends and

School. As the days grow shorter, Seda is filled with dread.

They're about to be cut off from the outside world, and she's not sure she can handle the solitude or the darkness it brings out in her.

Then a group of teens get stranded near the mansion during a blizzard. Seda has no

choice but to offer them shelter, even though she knows danger lurks in the dilapidated mansion—and in herself. And as the snow continues to fall, what Seda fears most is about to become her reality...
