The “dazzling” and essential portrayal of 1960s America from the author of *South and West* and *The Year of Magical Thinking* (The New York Times). Capturing the tumultuous landscape of the United States, and in particular California, during a pivotal era of social change, the first work of nonfiction from one of American literature’s most distinctive prose stylists is a modern classic. In twenty razor-sharp essays that redefined the art of journalism, National Book Award-winning author Joan Didion reports on a society gripped by a deep generational divide, from the “misplaced children” dropping acid in San Francisco’s Haight-Ashbury district to Hollywood legend John Wayne filming his first picture after a bout with cancer. She paints indelible portraits of reclusive billionaire Howard Hughes and folk singer Joan Baez, “a personality before she was entirely a person,” and takes readers on eye-opening journeys to Death Valley, Hawaii, and Las Vegas, “the most extreme and allegorical of American settlements.” First published in 1968, *Slouching Towards Bethlehem* has been heralded by the New York Times Book Review as “a rare display of some of the best prose written today in this country” and named to Time magazine’s list of the one hundred best and most influential nonfiction books. It is the definitive account of a terrifying and transformative decade in American history whose discordant reverberations continue to sound a half-century later.

The human presence that animates the personal essay is surely one of the most beguiling of literary phenomena, for it comes across in so familiar a voice that it’s easy to believe we are listening to the author rather than a textual stand-in. But the “person” in a personal essay is always a written construct, a fabricated character, its confessions and reminiscences as rehearsed as those of any novelist. In this first book-length study of the personal essay, Carl Klaus unpacks this made-up self and the manifold ways in which a wide range of essayists and essays have brought it to life. By reconceiving the most fundamental aspect of the personal essay—the I of the essayist—Klaus demonstrates that this seemingly uncontrived form of writing is inherently problematic, not willfully devious but bordering upon the world of fiction. He develops this key idea by explaining how structure, style, and voice determine the nature of a persona and our perception of it in the works of such essayists as Michel de Montaigne, Charles Lamb, E. B. White, and Virginia Woolf. Realizing that this persona is shaped by the force of culture and the impress of personal experience, he explores the effects of both upon the point of view, content, and voice of such essayists as George Orwell, Nancy Mairs, Richard Rodriguez, and Alice Walker. Throughout, in full command of the history of the essay, he calls up numerous passages in which essayists themselves acknowledge the element of impersonation in their work, drawing upon the perspectives of Joan Didion, Edward Hoagland, Joyce Carol Oates, Leslie Marmon Silko, Scott Russell Sanders, Annie Dillard, Vivian Gornick, Loren Eiseley, James Baldwin, and a host of other literary guides. Finally, adding yet another layer to the made-up self, Klaus succumbs to his addiction to the personal essay by placing some of the different selves that various essayists have called forth in him within the essays that he has crafted so carefully for this book. Making his way from one essay to the next with a persona variously learned, whimsical, and poignant, he enacts the palimpsest of ways in which the made-up self comes to

life in the work of a single essayist. Thus over the course of this highly original, beautifully structured study, the personal essay is revealed to be more complex than many readers have supposed. With its lively analyses and illuminating examples, *The Made-Up Self* will speak to anyone who wishes to understand—or to write—personal essays.

The international sensation that illuminates the experiences women are supposed to hide—from addiction, anger, sexual assault, and infertility to joy, sensuality, and love. WINNER OF THE AN POST IRISH BOOK OF THE YEAR —Emilie Pine’s voice is razor-sharp and raw; her story is utterly original yet as familiar as my own breath.—Glennon Doyle, #1 New York Times bestselling author of *Love Warrior* In this dazzling debut, Emilie Pine speaks to the events that have marked her life—those emotional disruptions for which our society has no adequate language, at once bittersweet, clandestine, and ordinary. She writes with radical honesty on the unspeakable grief of infertility, on caring for an alcoholic parent, on taboos around female bodies and female pain, on sexual violence and violence against the self. This is the story of one woman, and of all women. Devastating, poignant, and wise—and joyful against the odds—*Notes to Self* is an unforgettable exploration of what it feels like to be alive, and a daring act of rebellion against a society that is more comfortable with women’s silence. Praise for *Notes to Self* —*Notes to Self* begins as a deceptively simple catalogue of the injustices of modern female life and slyly emerges as a screaming treatise on just what it means to make your own rules, turning the hand you’ve been dealt into the coolest game in town. Emilie Pine is like your best friend—if your best friend was so sharp she drew blood.—Lena Dunham, #1 New York Times bestselling author of *Not That Kind of Girl* —To read these essays is to understand the human condition more clearly, to reassess one’s place in the world, and to reclaim one’s own experiences as real and valid.—*Sunday Independent* —Harrowing, clear-eyed . . . Everyone should consider [this] priority reading.—*Sunday Business Post* —Incredible and insightful—an absolute must-read.—*The Skinny* —Agonizing, uncompromising, starkly brilliant. . . [A] short, gleamingly instructive book, both memoir and psychological exploration—a platform for that insistent internal voice that almost any woman . . . wishes they had ignored.—*Financial Times* —Do not read this book in public. It will make you cry.—Anne Enright

unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

*Their Eyes Were Watching God* is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

A concise, lively, and bracing exploration of an issue bedeviling our cultural landscape—plagiarism in literature, academia, music, art, and film—by one of our most influential and controversial legal scholars. Best-selling novelists J. K. Rowling and Dan Brown, popular historians Doris Kearns Goodwin and Stephen Ambrose, Harvard law professor Charles Ogletree, first novelist Kaavya Viswanathan: all have rightly or wrongly been accused of plagiarism—theft of intellectual property—provoking widespread media punditry. But what exactly is plagiarism? How has the meaning of this notoriously ambiguous term changed over time as a consequence of historical and cultural transformations? Is the practice on the rise, or just more easily detectable by technological advances? How does the current market for expressive goods inform our own understanding of plagiarism? Is there really such a thing as “cryptomnesia,” the unconscious, unintentional appropriation of another’s work? What are the mysterious motives and curious excuses of plagiarists? What forms of punishment and absolution does this “sin” elicit? What is the good in certain types of plagiarism? Provocative, insightful, and extraordinary for its clarity and forthrightness, *The Little Book of Plagiarism* is an analytical tour de force in small, the work of “one of the top twenty legal thinkers in America” (*Legal Affairs*), a distinguished jurist renowned for his adventuresome intellect and daring iconoclasm.

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.
