Ignazio Vitale n ' est pas un homme bon. Je le soup ç onne d è s notre premi è re rencontre, je sens le danger qui entoure cet homme. Il a une fa ç on d ' exiger l ' attention, de prendre le contr ô le, de savoir ce que je pense avant m ê me que je le sache. C ' est à la fois inquiet tant et attirant. C ' est sombre et redoutable. C ' est tout ce que j ' ai toujours voulu, et pourtant la derni è re chose dont j ' ai besoin. Une obsession. Il ne lui faut pas longtemps pour m ' attirer dans sa toile, me charmer jusque dans son lit et me prendre au pi è ge de sa vie, une vie dont j ' ignore tout avant qu ' il soit trop tard. Il a des secrets, des secrets que je ne peux percer et qui m ' emp ê chent de partir, m ê me si je le supplie de me laisser m ' en aller. Je l ' aper ç ois parfois dans ses yeux, cette noirceur terrifiante et fascinante à la fois. C ' est un monstre dans un emballage somptueux, et ce que je d é couvre en le d é masquant change absolument tout. J ' ai envie de le ha ï r. Parfois m ê me, j ' y parviens. Et pourtant, ç a ne m ' emp ê che pas de l ' aimer.

And while he longs to have her with him, he won't ask her to leave college just to be at his side. When Ella and Micha are together, anything seems possible . . . but lately those shared moments aren't so easy to find. When a new tragedy shakes their already fragile world, one of them will make a dramatic choice that could break them apart forever . . .

One... Two... Three... Four... I Declare War Serah always believed the world around her was perfect. As a Power, one of the warrior angels, she has spent her existence defending the innocent from evil. After tragedy strikes, tearing Serah's brother from her life, she's given the task of stopping the approaching apocalypse before it's too late. Only one thing, though: she has to venture to Hell to do it. Lucifer—or Luce, as he prefers to be called—has been biding his time in Hell, longing for revenge against those who oh-so-easily cast him into the pit. When the heavenly beauty shows up at his gate, he's just as captivated by her presence as she becomes of him. The attraction between them is palpable, and Serah's willpower slowly slips. How can this charming creature, this scarred Archangel, be the one annihilating the world she so loves? As the war wages on, the world entwined in chaos, Serah starts questioning everything she ever knew. When the light and dark, hot and cold, finally collide, she has to make a choice—a choice that sets her world on fire, black and white exploding into colorful flames. Serah has questions. She wants answers. Luce just wants to play a game.

Once upon a time, there was a girl who stopped believing in fairy tales after her innocence was stolen. Morgan Myers is tired. So damn tired. Most people either push her around or brush her off, and she's not putting up with it anymore. Determined to reclaim the life that had been stolen from her, she puts her trust in the last person she ever expected to: the notorious Scar. Morgan sees a side of him that few people seem to know--the man, not the myth. Lorenzo. And what she sees, she likes, a lot more than she thought she would. But fairy tales aren't real, as life likes to remind her. Some dragons, you just can't slay, no matter how hard you fight them. And when hers comes back around, breathing fire, she's forced to face some unimaginable horrors. But lucky for Morgan, there's a white knight in combat boots out there that isn't afraid of monsters. You see, it's impossible to be afraid of something you face every day in the mirror.

Once upon a time, there was a guy who got so fed up with life that he resorted to murder and mayhem just to feel alive. Lorenzo Gambini is bored. So f*cking bored. Most people either annoy him or avoid him, afraid to face him. Figuratively. Literally. With his face partially disfigured, scarred, he looks every bit the monster the stories make him out to be: the notorious Scar. They say he's a sociopath. Maybe he's a psychopath. Whatever path he's on, people tend to stay far away from it. Until one day, a young woman bumps right into him--a woman just as fed up with life, but for much different reasons. With a Scarlet Letter inked on her wrist and secrets buried deep in her soul, Morgan Myers is running from something... or maybe somebody. Lorenzo isn't quite sure. You can bet your ass he's going to figure it out, though.

You never know when somebody will hold you to your word ... Naz has enough darkness inside of him to rid the world of every stitch of light. But there's one he could never harm: Karissa. He taunts her with his touch, gets a thrill out of torturing her soul. But he's not the most dangerous one out there ...
