work, only to discover a human detective on the case who could be her dead lover's twin. Detective Ryan Miller has always known magic existed. It's the only explanation for the visions of the future that plague his life and jeopardize his career, but when a vision shows FBI agent Capri Jones in danger, he knows he has to stay close and save her. Except the closer he gets the more attraction sizzles between them, the more confusing the case gets, and the more he realizes Capri is keeping secrets. Secrets that once revealed could kill them both.

A broken pagoda actually contained a world within it. Heaven's Mandate, what was Heaven's Mandate? Was it fate, or fate? Could it be that abandonment of one's Dantian was the so-called destiny? If this were fate, then I would definitely defy the will of the Heavens. If the great Dao did not exist, then I would definitely cause it to awaken, step upon the Heavens, defy the Heavens, and open up ten thousand lives ?
