##### Shlokas On Devi - Devotional India

Durga saptashlokee is a collection of seven important shlokas from the sacred text Devi Maahaatmyam. The text Devi Maahatmyam praises the glories of mother Durgaa and elaborately narrates the great deeds of mother goddess. The text Durga Saptashlokee is a collection of the most important shlokas (mantras) from Durgaa patha for use in daily prayers and chants. Each of the seven shlokas praise the goddess Durgaa and pray to her for different fruits. All of these verses are found in different chapters of the Devi Maahaatmya. Each of these shlokas is a mantra which can also be chanted separately to please the mother and to attain a particular benefit, pray for protection, wealth, good fortune and the mother's (Ambaa's) grace. This hymn starts with a conversation between lord Shiva and Devi. One who chants this hymn with true devotion for goddess Durgaa shall be blessed with all fortunes of life and will also attain self realization by the grace of the goddess. In this book I will explain the meaning of those seven shlokas according to the commentaries of great shaakta scholars (devotees of mother goddess) like Bhaaskara raaya maakhin, Naagoji bhatta and other scholars of the shakta tradition

Collection of Sanskrit hymns and prayers for Hindu gods and goddesses.

##### Shlokas On Devi - Devotional India

##### Shlokas On Devi - Devotional India

##### Shlokas On Devi - Devotional India

Chief Justice P.B. Gajendragadkar of the Supreme Court of India, in a ruling in 1995 wrote, "When we think of the Hindu religion, unlike other religions in the world, the Hindu religion does not claim any one prophet; it does not worship any one god; it does not subscribe to any one dogma; it does not believe in any one philosophic concept; it does not follow any one set of religious rites or performances; in fact, it does not appear to satisfy the narrow traditional features of any religion or creed. It may broadly be described as a way of life and nothing more."ABC of Hinduism introduces innumerable Hindu gods and goddesses that are known by many names in a simple language. It shares a glimpse of how the gods, humans, demons, Yaksh and the Gandharv along with the vast animal and plant world intermingle to shape this vast universe. It gives an insight how the ancient sages, saints and seers sought, interpreted and shared the great wealth of knowledge revealed and brought forward by them. It narrates the special instances in the lives of the important characters in the great epics Ramayan and Mahabharat that have over hundreds of years shaped the lives of those who follow Hinduism. Listed in alphabetic order it simplifies everyday life, explaining what makes Hinduism a flexible and convenient way of life.

It’s a story of women during the times when sati pratha, female infanticide, and repression of women were common practices. While our heroes are intelligent and profound in many ways, it’s the women from both the Hindu and the Muslim community, who join hands to fight the prevailing evil against the patriarchal society and the superstition devised against women. It’s an ode to women of the era when the idea of feminism didn’t even exist remotely in India. The story of Antargwala attempts to define women, not by their social or religious backgrounds, but by the sheer fact that they are women trying to find their place in a man’s world.

How big was the ancient city of Ayodhya? Why is this city so significant for Hindus? Who established the city and what did it look like? What did Lord Rama and Devi Sita's palace look like? What sort of animals were found in this ancient land? No one grows up in India untouched by the beautiful story of Lord Rama and Devi Sita. Every Dussehra we celebrate the victory of Rama over Ravana, the victory of good over evil. Every Deepavali, we commemorate the return of Rama and Sita to Ayodhya and hear the tale of how the entire city was lit up to receive their beloved king and queen. But is the magnificent capital of Ayodhya just limited to this? Ayodhya was a renowned pilgrimage destination since the dawn of mankind, and after the birth of Lord Rama, it became a place of supreme importance for Hindus. Amazing Ayodhya is an attempt in gaining knowledge about this ancient city-its architecture, its design, its buildings and all the splendid details during the era when Lord Rama walked this earth. This splendidly researched book, replete with shlokas from the Valmiki Ramayana, offers authentic information about the city which will not only help understand the life and times of ancient Hindus but also the revered figures of Rama and Sita. Replete with descriptions, author Neena Rai draws out comparisons of an earlier era with our current life and culture, thus connecting the past with the present. She further compares Ayodhya with the cultures of other ancient civilisations so that the reader feels 'connected' to the past and the content of the book appears 'contemporary'. A fascinating account of an ancient city with significant contemporary relevance, Amazing Ayodhya is a must-read for a better understanding of history, scriptures and Hindu civilisation.

About 16 centuries ago, an unknown Indian author or authors gathered together the diverse threads of already ancient traditions and wove them into a verbal tapestry that today is still the central text for worshippers of the Hindu Devi, the Divine Mother. This spiritual classic, the Devimahatmya, addresses the perennial questions of the nature of the universe, humankind, and divinity. How are they related, how do we live in a world torn between good and evil, and how do we find lasting satisfaction and inner peace? These questions and their answers form the substance of the Devimahatmya. Its narrative of a dispossessed king, a merchant betrayed by the family he loves, and a seer whose teaching leads beyond existential suffering sets the stage for a trilogy of myths concerning the all-powerful Divine Mother, Durga, and the fierce battles she wages against throngs of demonic foes. In these allegories, her adversaries represent our all-too-human impulses toward power, possessions, and pleasure. The battlefields symbolize the field of human consciousness on which our lives’ dramas play out in joy and sorrow, in wisdom and folly. The Devimahatmya speaks to us across the ages of the experiences and beliefs of our ancient ancestors. We sense their enchantment at nature's bounty and their terror before its destructive fury, their recognition of the good and evil in the human heart, and their understanding that everything in our experience is the expression of a greater reality, personified as the Divine Mother.

In 1991, author Sunil Reddy was a college student in Hyderabad when he sought out Guruji Verahur V. Srinivasan, a retired deputy inspector general of police who was a Yogi and a God-realized saint. Reddy wanted to learn the art of meditation from this man who was a prodigy in mastering different spiritual paths. They connected, and for the next four years, the two met weekly. Guruji: Teachings of a Hindu Saint recounts those meetings and the lessons learned. Reddy presents this collection of spiritual practices and techniques gleaned from a master and designed to help guide a true practitioner. He narrates Guruji’s visions and experiences with other masters, details the stages of spiritual progress, addresses distractions and detractions, repeatedly shows the qualities of true practice, and offers guideposts for assessment. Providing an in-depth look at many concepts central to the practice of Hinduism, Guruji: Teachings of a Hindu Saint guides disciples and seekers in their quest for spiritual enlightenment.
