(Applause Acting Series) 5-Minute Plays is the latest collection from veteran editor Lawrence Harbison, a man who has spent his career championing new and established playwrights by bringing their work into print. What's the story behind this one? In keeping with the spirit of the book, we'll give it to you in five. 1. On any given day, freely circulated viral videos make waves across our society and we take the time to consume them. The top trends boast an average length around five minutes. 2. Needless to say, an average play runs far longer (and costs much more). Accordingly, we don't have the time (or money) for theater. 3. Variety is the spice of life perhaps that's why the passive consumption of digital media runs rampant. Sometimes you feel like something melodramatic, sometimes you feel like something comedic. Sometimes you crave the firm grounding of realism, sometimes you crave the sweet escape of surrealism. Sometimes you desire each of these things in rapid succession within the course of a half hour. Whatever your mood, bite-sized bits of entertainment keep you covered. 4. At long last, the world of theater has caught up with the digital realm. Five-minute plays and festivals abound you can now plow through a full-fledged performance in less time than it takes a busy barista to make your grande chai latte, skim, with whip. 5. Seems you suddenly do have time for theatre. Whether you're an actor looking for a quick warm-up, an instructor scrounging for tight scene exercises, or an everyday reader eager to speed-date some of today's most talented playwrights, 5-Minute Plays provides all the theater you need without killing all the free time you have. Why not give it a whirl?

This book includes a royalty free play script for teen actors called the Weird, Wild and Wonderful Days of School. This play has a flexible cast. Not all scenes need to be performed. And actors can play multiple parts because no characters repeat from scene to scene. The smallest cast you could have by doing all the scripts would be three males and four females. But there are many as 49 speaking roles possible.

This one-of-a-kind anthology features thirty-six hilarious short plays by major American playwrights and emerging new voices, all guaranteed to send readers and audiences into peals of laughter. From the surrealistic wit of Steve Martin's "The Zig-Zag Woman" to the biting political satire of Steven Dietz's "The Spot," from Christopher Durang's wonderfully loopy "Wanda's Visit" to Shel Silverstein's supremely twisted "The Best Daddy," there's something in here to make everyone laugh. There are plays for casts of all sizes, from monologues to large ensembles, with diverse and challenging roles for actors of every age and type. Even the titles are funny: Mark O'Donnell's "There Shall Be No Bottom (a bad play for worse actors)," Elaine May's "The Way of All Fish," and Alan Ball's "Your Mother's Butt." A bonanza for theatergoers, performers, and comedy fans, Laugh Lines will bring down the house. From the Trade Paperback edition.

A no-holds-barred expose of the Hindi film industry's sordid underbelly. Ali Amjad comes from Benares to make it as a scriptwriter in Bombay, only to experience the absurd and tragic reality behind the film world's glamour as he navigates through it with his fellow strugglers. A short, fascinating novel set in the Bombay of the 1970s, Rahi Masoom Raza's Scene: 75 is a crazy kaleidoscope of stories within stories populated by a cast of extraordinary and memorable - but also cynical and manipulative - characters, from struggling directors and wealthy lesbians to film-obsessed social climbers and sleazy producers. In this irreverent, surreal, deeply satirical and darkly humorous work, the author's biting prose takes an unflinching look at both Hindu-Muslim and class relations, as well as at how human ties corrode and wither because of ambition and self-interest. Superbly translated by Poonam Saxena, this lost classic from Rahi Masoom Raza rips off the tinsel curtain that hides the film industry's hypocrisy, insecurity and desperation for success. It is a novel that will delight and disturb in equal measure.

"Control the Future" is a time travel adventure stage play script. There are 26 speaking parts (plus optional extras) but the play can be performed with as few as 6 actors if they play multiple parts. Any of these parts can be played by either gender. This can be an all male cast or all female or a mix.
