From the author responsible for the satirical work of genius, A Modest Proposal, Jonathan Swift's A Tale of a Tub is an allegorical work that follows three brothers after the event of their father's death. When their father, who meant to be God, dies, the three brothers, Peter, Martin and Jack, inherit his will and each receive a decorative coat. Their father also leaves them instruction not to alter these coats in any way because doing so would be damaging for their futures. Despite this warning, the brothers not only quickly make alterations, they also police each other for their choices. Each brother represents one of the major branches of Christianity. Peter, who represents the Roman Catholic church, is the first to change the coat left to him in the will. He adds many embellishments, claiming that the garment is better because of it. Jack, who represents the Protestant church, and Martin, who represents Anglicans, follow their brother's lead and also add to the coats. Their actions lead to arguments between the brothers, each feeling that they know what's best for the coats. Feeling like they are being controlled by Peter, Jack and Martin reject him, and then try to undo the alterations made to their garments, furthering the damage to the clothing and to their relationship with each other. Jonathan Swift created an allegory for the Reformation in his story of the three brothers. With satire and frank representation of the branches of Christianity, A Tale of a Tub addresses issues concerning society's effect on religion, polluting the original message of its creator. Swift's satire on the three major branches of Christianity was very controversial and though he wrote under a pseudonym, A Tale of a Tub was traced back to Swift. Even by modern standards, A Tale of a Tub invites controversial conversation that is both relevant and compelling. This edition of Jonathan Swift's A Tale of a Tub features an eye-catching cover design and is printed in a modern font to appeal to a contemporary audience.

This short essay is an introduction on the Tao Te Ching exploring the three points of truth, love and the interconnectedness of the life. It is written in a modern style using the pop music of Kenny Loggins, Bruce Springsteen, and David Gates to illustrate the points. The purpose of this essay is to serve as a companion to the Tao Te Ching. It is for those who wish to dive deeper into the essence of the Tao while living in the modern world. It also shows how after all these years, the Tao is just as relevant today as it was when it was written. It offers an interesting and unique look at one of the most important text of mankind. "You've got to learn to live with what you can't rise above " - Bruce Springsteen "Cause when you're done with this world, you know the next is up to you" - John Mayer "All my life has been a struggle in trying to get free. But this world I created turned out to be only about me. Forgetting we are brothers" - Kenny Loggins "The mystery of life is not a problem to be solved, but a reality to be experienced"- Soren Kierkegaard Truth- "Truth is within ourselves; it takes no rise from outward things, whatever you may believe. There is an inmost center in us all, where truth abides in fullness." Love- "Now is the moment to dive as deep as your dream. Love is the greatest freedom when you love a courageous person. It allows for an entirely different experience of life than the freedom of journeying alone. Wherever you are, you know you are loved, not only by God, but by a mirror of yourself." - Kenny Loggins Innerconnectiveness of Life- " All my life has been a struggle in trying to get free. But this world I created turned out to be only about me. Forgetting we are brothers" - Kenny Loggins

From the number-one bestselling author of The Nightingale and The Great Alone comes a powerful American epic about love and heroism and hope, set during the Great Depression, a time when the country was in crisis and at war with itself, when millions were out of work and even the land seemed to have turned against them. "My land tells its story if you listen. The story of our family." Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman's only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa's tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa-like so many of her neighbors-must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. The Four Winds is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it-the harsh realities that divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of

the human spirit to survive adversity, *The Four Winds* is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation.

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

MRCOG Short Essay Questions is the essential aid for all trainees studying for the membership examination of the Royal College of Obstetricians and Gynaecologists. This book contains 150 short essay questions, clearly structured to facilitate both learning and practice. Questions are divided primarily into obstetrics and gynaecology and secondly by main topics such as infertility, operative gynaecology and antenatal care. The answers are written in the form of bullet points; a format that not only clearly identifies the key points but also emulates the structure of the model answers given to the examiners by the RCOG. Khalidoun Sharif is a consultant in obstetrics and gynaecology at the Birmingham Women's Hospital, and has a proven track record as an author of MRCOG revision books. His co-author, Parveen Abedin recently passed the examination and has therefore provided invaluable insights that have ensured the content is both appropriate and up-to-date.

Throughout his long and prolific career, Edward Shils brought an extraordinary knowledge of academic institutions to discussions about higher education. *The Calling of Education* features Shils's most illuminating and incisive writing on this topic from the last twenty-five years of his life. The first essay, "The Academic Ethic," articulates the unique ethical demands of the academic profession and directs special attention to the integration of teaching and research. Other pieces, including Shils's renowned Jefferson lectures, focus on perennial issues in higher learning: the meaning of academic freedom, the connection between universities and the state, and the criteria for appointing individuals to academic positions. Edward Shils understood the university as a great symphonic conductor comprehends the value of each instrument and section, both separately and in cooperation. *The Calling of Education* offers Shils's insightful perspective on problems that are no less pressing than when he first confronted them. Edward Shils (1910-1995) was distinguished service professor in the Committee on Social Thought and the department of sociology at the University of Chicago. Among his many books published by the University of Chicago Press are *Portraits: A Gallery of Intellectuals* and the three-volume *Selected Papers of Edward Shils*.
