returns with a case

But almost by accident, he finds himself in the

middle of the crime of the century.

Eleanor Barrington, the doyenne of a socially prominent family of great wealth, has been arrested for the murder of Emily Denys, her son's

But that's not the worst of it.

Barrington's own son has even

worse accusations to make against

her. Caught in the dark tangle of a

twisted family and haunted by his own

past, Taylor finds that the truth is

both elusive and dangerous.
