Some words have subtle (or significant) difference in meaning to the general understanding and a dictionary can be very helpful. Sissy Baby Charlotte and Colin Milton have combined to create a very impressive and substantial dictionary of these terms. The entire dictionary is over 145000 words in length and is born out of their experiences as submissive babies and baby girls to GovernessX. If you read many of Colin Milton's books you will find many references to this dominant woman. So, if you want an authoritative reference to accompany your library of sissy and sissy baby books. then look no further!
