Reading the first Space Team book left me wanting more, and The Wrath of Vajazzle is no different. Cal Carver and his crew cracks me the fonk up, again in the good way. And soft spoken, soft hearted, soft everything Splurt is my favorite which is why I can't wait to read Barry Hutchisons' next adventure.

After Earth is all-but wiped out by alien invaders, petty criminal, Cal Carver, finds himself abducted and thrown into a team of intergalactic criminals in this bestselling sci-fi comedy from award-winning author, Barry J. Hutchison.

The third part of the laugh-out-loud sci-fi adventure series from the author critics are calling 'the new Douglas Adams.' Cal Carver, petty-criminal turned space adventurer, is on a suicide mission - and he really hates suicide missions. But this time it's to save his best buddy, Splurt, who has been taken prisoner by the elderly assassin, Lady Vajazzle, and the evil Zertex corporation. When they discover that the ship carrying Splurt never made it to Zertex, their search leads them through a wormhole to a mysterious planet unlike any they have seen before. Will they survive this strange new world and finally find their friend? And, more importantly, does he even want to be found? Packed with gladiator battles, angry bees, a big thing blowing up, and the return of the galaxy's oldest assassin, Space Team: The Search for Splurt is the rip-roaring conclusion to the first Space Team trilogy.

"On par with Douglas Adams" - Readcommendations Cal Carver and his Space Team may have lost their ship, but they haven't lost their knack for attracting trouble. Just hours after setting foot on a new planet, Cal and the crew find themselves caught up in an interplanetary kidnapping plot. Reuniting the suspiciously-silent young victim with her parents on their far-off home world will make Cal rich beyond his wildest dreams. Unfortunately, half the pirates and bounty hunters in the galaxy have the same idea, and they're more than happy to take the girl by force. With their experimental new ship plagued by problems, a deranged space-warlord determined to watch Cal eating his own arm, and a whole lot of galaxy to get through, Space Team is about to embark on its most dangerous mission yet. The fourth hilarious instalment in the bestselling Space Team sci-fi adventure series, and the perfect jumping-on point for new readers.

Accidental space adventurer Cal Carver has had a rough few months. He's fought spider-dragons, battled space clowns, and been repeatedly tortured by the galaxy's oldest assassin. And don't even get him started on the squirrel-tits. Now all that's behind him, Cal just wants to kick back and relax. The universe, however, has other ideas. He and his crew find themselves in possession of the Symmorium Sentience, a once god-like entity now stripped of its power. The Sentience needs help to return home and restore the Symmorium species, which recently found

itself the subject of an unfortunate genocide. But with dark forces seeking to turn the Sentience's power into a planet-pulverizing weapon, the team's trek across the galaxy becomes a desperate race against time, with the fate of the very cosmos at stake. Featuring awkward space-dates, gene-splicing villains, and a packet of coconut fingers as old as time itself, *Space Team: Sentenced to Death* is the eleventh book in the bestselling *Space Team* series by multi-award-winning author Barry J. Hutchison, and perfect for fans of funny stuff happening in space.

They may have recently averted a full-scale galactic war, but Cal Carver and *Space Team* just can't stay out of trouble. When a 'Weird Space Thing' threatens to destroy planet Earth, Cal is determined to stop it. But when they get there, they find the place is still swarming with parasitic extra-terrestrial bugs, and that there isn't a whole lot left to save. While battling an unexpected ghost of the past, Cal is abducted by aliens. Again. Brought before their covert High Council, Cal is given a choice: save his Earth and doom countless others to oblivion, or sacrifice it, so that parallel Earths may live. Cal opts for none of the above, but his proposed solution might well doom not just his universe, but all universes everywhere. Featuring familiar strangers, unfamiliar friends, and an angry talking sheep named Duggie, *Return of the Dead Guy* is the reality-shattering sixth book in the *Space Team* saga.

An all-new novel based on the landmark TV series *Star Trek: Deep Space Nine* from the acclaimed author of *A Big Ship at the Edge of the Universe!* Jadzia Dax has been a friend to Etom Prit, the Trill Trade Commissioner, over two lifetimes. When Etom visits *Deep Space Nine* with the request to rein in his wayward granddaughter Nemi, Dax can hardly say no. It seems like an easy assignment: visit a resort casino while on shore leave, and then bring her old friend Nemi home. But upon arrival, Dax finds Nemi has changed over the years in terrifying ways...and the pursuit of the truth will plunge Dax headlong into a century's worth of secrets and lies! Sick of the stress, aggravation, and multiple genocides they've had to put up with lately, accidental space hero Cal Carver and his crew set off to start a new life in a distant corner of the galaxy. Six tedious days of warp-speed and board games later, they arrive in a sector filled with new hope, new opportunities, and new adventures. Too broke to take advantage of any of these things, they are forced to accept a series of increasingly demeaning jobs just to make ends meet. When one such job leads them to the offices of a sector-wide TV network, Cal signs-up to star in smash-hit gameshow, *The Hunt*, confident of winning the big cash prize. What he fails to realize is that the show's premise involves him being chased and killed for the amusement of the viewing public and so Cal must run, fight, and occasionally beg for his life as he attempts to win the game, the money, and his freedom. But in the entire history of the show, no competitor has ever survived *The Hunt*, and the network will stop at nothing to keep that record intact... *Space Team: The Hunt for Reduk Topa* is the twelfth book in the internationally bestselling series from award-
