A spiritual leader featured in The Secret challenges readers to search within themselves for the key to unlocking their future and changing their lives in amazing ways, in a book that teaches inner spiritual work, rather than religiosity or dogma, and is structured around the key themes of transformation, peace, abundance, and more. Original.

In 1994, Michael Bernard Kelly recorded six video lectures for the Erospirit Research Institute. The Erotic Contemplative charted a spirituality for gay and lesbian Christians grounded in the contemplative, mystical traditions of the church. Dr Joseph Kramer, who commissioned the lectures, writes: "His powerful words ... seemed to come straight from his heart and right into mine. I told Michael that he was offering transformative guidance, like Joseph Campbell did in his Hero's Journey. 'You have described the Mystic's Journey for Gay and Lesbian Christians.' " The lectures, originally released in 1995, were digitised and re-released in 2020. Now this transcription of all the lectures is published for the first time, and includes a study guide to the series prepared by Michael Kelly. "The Erotic Contemplative" is the most powerful and insightful study of Gay Spirituality that I know of. I have watched 'The Road from Emmaus' lecture three times, and still find new riches!" - John J. McNeill, PhD. Author of The Church and the Homosexual.

A lighthearted and unabashed manifest for creating and sustaining happiness in today's highly stressed, consumer-based world shares recommendations for readers from all backgrounds, providing action plans for specific changes while offering accompanying Microsoft tags for bonus video material. Original.

The ABC's of Spirituality...For Children of All Ages, highlights the Fundamental principles of spirituality from A-Z. Regardless of age, gender, race or religious background, the concepts outlined in this book powerfully speak to all. Sol Aponte has created a universal love-alphabet that delights and encourages readers of all ages. Let the spirit of The ABC's of Spirituality fully enter your heart, your spirit, your daily activities and watch how you grow to realize that you live in a friendly Universe that supports and nurtures you in every way. - Michael Bernard Beckwith author of Spiritual Liberation Fulfilling Your Soul's Potential

Gospel-Centered Theology for Today Evangelical Theology, Second Edition helps today's readers understand and practice the doctrines of the Christian faith by presenting a gospel-centered theology that is accessible, rigorous, and balanced. According author Michael Bird the gospel is the fulcrum of Christian doctrine; the gospel is where God meets us and where we introduce the world to God. And as such, an authentically evangelical theology is the working out of the gospel in the various doctrines of Christian theology. The text helps readers learn the essentials of Christian theology through several key features, including: A "What to Take Home" section at end of every part that gives readers a run-down on all the important things they need to know. Tables, sidebars, and questions for discussion to help reinforce key ideas and concepts A "Comic Belief" section, since reading theology can often be dry and cerebral, so that readers enjoy their learning experience through some theological humor added for good measure. Now in its second edition, Evangelical Theology has proven itself in classrooms around the world as resource that helps readers not only understand the vital doctrines of Christian theology but one that shows them how the gospel should shape how they think, pray, preach, teach, and minister in the world.

"This story is mine, but the way belongs to us all." - Dan Millman Dan Millman's books and teachings have been a guiding light to millions of people. Now comes the true story of his search for the good life, a quest for meaning in the modern world. In vivid detail, he describes his evolution from childhood dreamer to world-class athlete, including the events that led him to write the spiritual classic Way of the Peaceful Warrior. Over the course of two decades Dan was guided by four radically different mentors: the Professor, a scientist-mystic; the Guru, a charismatic spiritual master; the Warrior-Priest, a rescuer of lost souls; and the Sage, a servant of reality. Each of them generated mind-expanding experiences that prepared Dan for his calling as a down-to-earth spiritual teacher. At times funny, at times poignant, this memoir will delight Dan's longtime fans and inspire new generations of readers who wish to live with a peaceful heart and a warrior's spirit.

Tells the story of the growing Chinese Navy - The People's Liberation Army Navy (PLAN) - and its expanding capabilities, evolving roles and military implications for the USA. Divided into four thematic sections, this special collection of essays surveys and analyzes the most important aspects of China's navel modernization.

What if a wise and loving soul gently took you by the hand and showed you how to be happier than you've ever been before? If you are stressed out, hurting, anxious, or in pain, you need Comfort, Healing and Joy. This book of heartfelt essays takes you on a journey from pain to happiness. Appropriate for people of all ages who are searching for a way to bring more joy into their lives, this book offers peace of mind and hope. Comfort, Healing, and Joy is a beautifully written, penetratingly insightful treasure trove of profound truths and practical how-to exercises that will interrupt the patterns which hold you back and shows you how to increase your current level of happiness. When you read this gentle and uplifting book, you will feel accepted, understood, and guided by a kind and steady hand. You will find ways to stop self-created suffering, gain peace of mind, and share the radiance inside you with the world. David Fox, M.D., spent three decades discovering and cultivating powerful skills that will allow you to transform yourself, no matter what problems you are facing. Based on wisdom gained during his own personal journey and his work caring for high risk patients, Dr. Fox brings a healer's touch to this affirming book. REVIEWS Comfort, Healing, and Joy is a caring guide that ushers us into claiming our birthright of inner and outer wholeness. It is a most excellent medicine for healing any sense of lack, limitation or unworthiness, and for stepping into the innate capacities of the human heart and spirit. Savor it! Michael Bernard Beckwith author of Spiritual Liberation Fulfilling Your Soul's Potential

In recent years, scholars have explored anew the interface between the early Christian movements and the Roman Empire. Once thought to be quietistic, the early Christian movements turn out to have been critical of the Empire and significantly counterimperial. This collection of essays in honor of Robert Brawley turns the spotlight on Luke-Acts. The soundings taken here disclose deeper anti-imperial rhetoric than previously thought. In brazen and subtle ways, Luke-Acts displays an alternative realm of peace and justice inaugurated by Jesus under the God of Israel. The essays in this volume will lead you to hear Luke-Acts in fresh ways.
