motherhood. Maggie
Andrews argues that
wartime evacuation is
important for

understanding the
experience and the
contested meanings of
domesticity and
motherhood in the 20th
century. As this book
shows, evacuation
represents a significant
and unrecognised area
of women's war work,

As the hundredth anniversary approaches, it is timely to reflect not only upon the Great War itself and on the memorials which were erected to ensure it did not slip from national consciousness, but also to reflect upon its rich and substantial cultural legacy. This book examines the heritage of the Great War in

War Voices Of Britain. It

addresses how the war
maintains a place and
value within British

society through the
usage of phrases,

references, metaphors
and imagery within

popular, media, heritage
and political discourse.

Whilst the

representation of the
war within

historiography,

literature, art, television

and film has been

examined by scholars

seeking to understand

the origins of the

'popular memory' of the

conflict, these analyses

have neglected how and

why wider popular

debate draws upon a

original perspective on
the place of the Great
War across
contemporary British
society.

For a week in April
1916, 2,000 Irish
Volunteers rose up in
armed rebellion against
the British Empire in a
bid to establish an
independent Irish state.
