The coach of the Rutgers University women's basketball team describes how perseverance and acceptance has helped her deal with the challenges of life to become one of the most successful coaches in women's basketball history.

“Elena is one of the brightest stars in our game today and an iconic role model.” —Lisa M. Borders, WNBA President
“Inspiring in many ways.” —Kirkus Reviews Elena Delle Donne, 2015 WNBA MVP and 2016 Olympic gold medalist, shares her inspirational story of being a young basketball prodigy who gave up an impressive basketball scholarship for family and self-discovery. Elena Delle Donne has always forged her own path. During her first year of college, she walked away from a scholarship and chance to play for Geno Aurriema at UConn—the most prestigious women’s college basketball program—so she could stay in her home state of Delaware and be close to her older sister, Lizzie, who has several disabilities and can only communicate through hand-over-hand signing. Burned out and questioning her passion for basketball, she attended the University of Delaware and took up volleyball for a year. Eventually she found her way back to her first love, playing basketball for the Blue Hens, ultimately leading them, a mid-major team, to the Sweet

Sixteen. She went on to become the second overall selection during the 2013 WNBA draft and the WNBA's 2015 MVP. Elena Delle Donne delivers a powerful and motivational story of overcoming the challenges of competitive sports through balancing hard work and the support of a loving family.

It all started on June 27, 1979, when approximately seven detectives banged on my door, guns drawn. When my common-law wife, Jackie, answered the door, they burst in, yelling, "Where is Herbert Murray?" When I came into the room, they grabbed me, threw me against the wall, put a gun to my head, and told me I was under arrest for murder. In the background, I could hear my thirteen-month-old daughter, Taneé, crying like crazy. Those detectives didn't have any regard for our lives—not my daughter's, Jackie's, or mine. It was the scariest thing I have ever experienced in my life. When I asked them what they were talking about, they told me to "Shut up." I was taken to the eighty-eighth precinct, located on DeKalb and Classon Avenues. They took me to the interrogation room, where they questioned me about a murder that took place two weeks before, on June 13, 1979. Can you imagine how confused I was? I was being charged for a murder I had no clue about. It seemed absolutely crazy. They were putting so much pressure on me that I couldn't even think. I had to think about two Wednesdays ago. When the detectives asked me where was I on June 13, I told them I was with a housing police officer and four others: Vincent Brown, Ronnie Cook, Junior Washington, and Andrew Lambus. When I told him I was with a police officer, the detective left the room and came back about ten minutes later. "Standing Tall" is a moving story set in the progressive era of the Gilded Age. From the Pampas to Buenos Aires and to Paris, "Standing Tall" reveals much of the vibrant culture and realities of life in South America, in a book replete with historical details, personal conflicts and love.

In the opening to his memoir, Grand Chief Ron Derrickson says his "story is not a litany of complaints but a list of battles" that he has fought. And he promises he will not be overly pious in his telling of them. "As a businessman," he writes, "I like to give the straight goods." In *Fight or Submit*, Derrickson delivers on his promise and it turns out he has a hell of a story to tell. Born and raised in a tarpaper shack, he went on to become one of the most successful Indigenous businessmen in Canada. As a political leader, he served as Chief of the Westbank First Nation for a dozen years and was made a Grand Chief by the Union of British Columbia Indian Chiefs. Along the way, he has been the target of a full Royal Commission and an assassination attempt by a hitman hired by local whites. As Chief, he increased his community's revenues by 3500% and led his people into a war in the forest over logging rights. In 2015, he became an award-winning author when *Unsettling Canada: A National Wake-Up Call*, a book he co-authored with Arthur Manuel, won the Canadian History Association Literary Award. His second book co-authored with Manuel, *Reconciliation Manifesto*, won the B.C. Book Prize for non-fiction.

Luigi Francis Shorty Rossi, the tough-talking, fedora-wearing star of Animal Planet's hit show Pit Boss, may stand only four feet tall but that hasn't stopped him from living large, becoming a successful businessman and an outspoken advocate for pit bulls, the most misunderstood breed of dog in the world. A third generation dwarf, ex-gang member, and ex-con, Shorty knows what it's like to be misunderstood and in this candid memoir, he shares his personal story for the first time. No one expected Shorty to live let alone succeed, and yet he has, overcoming every challenge, from an abusive home to the violent streets and gangs of South Central LA, to the notorious cell blocks of Folsom Prison where he was imprisoned for attempted murder. After 10 years, 10 months, and 10 days behind bars, Shorty gained his freedom and the chance to put his entrepreneurial and negotiation skills to the test. He cut the ribbon on his own business, Shortywood, with three goals: to turn his life around, act as a talent agent for little people and establish and fund charities that advocate for, rescue and place abandoned or abused pit bulls into safe homes. In the process, he became a reality-TV star. Now, with Hercules, his rescued pit bull and newly trained service dog by his side, Shorty continues to save pits from the basements and backyards of breeders and abusers while taking on new and even bigger challenges. And nothing is gonna stand in his way. Shorty Rossi is four feet tall—and rising.

De La Salle High School in Concord, California, is home to perhaps the greatest dynasty in sports history. At age 23, Coach Bob Ladouceur launched a legend, "The Streak," with no teaching or head-coaching experience, and with his teams amassed the highest winning percentage in all of football history with 138 consecutive victories. This book takes readers behind the scenes, closely following individual players, as Ladouceur guides his team through the most daunting schedule in school history, the 2002 season. Numerous interviews with major-league coaches such as Bill Walsh, Steve Mariucci, and John Gruden show the depth of respect accorded to Ladouceur and his methods and philosophies. Written with full cooperation from the coach and including dozens of photographs, this book is perfect for anyone interested in the factors behind phenomenal team success.

Spencer West is many things. Accomplished speaker. University graduate. Natural prankster. Former cheerleader. And a young man without legs—something that has never held him back. It didn't bother him; he was Superman and nothing would ever get in his way. Or so he thought. Navigating through life on his hands, Spencer has always lived with purpose. until he had the epiphany: He was different for a reason. Infused with humour and humility, Spencer has never lost the hope or courage he needed to tackle personal obstacles—bullying, isolation, failure, or pride. His secret? Always standing tall.

In her heartfelt and humorous novel, Bauer (*Hope Was Here*) leaves teenage girl protagonists in favor of a middle-grade boy as she did also in *Sticks* (1996). But her fans won't be disappointed. At first, 12-year-old Tree, "six feet, three and a half inches and growing," only literally "stands tall." At school, Coach Glummer expects him to lead the basketball team (though he's not very athletic) and teachers expect him to act older than his age. On the home front which shifts weekly due to his parents' recent divorce and joint custody arrangement Tree is the glue of his family. He helps care for his Vietnam vet grandfather (who recently had a leg amputated) while worrying about his aging dog, Bradley, his two college-student brothers and his parents. Bolstered by his budding friendship with the outspoken new girl at school, Sophie, and by Grandpa, Tree finds an inner strength that helps him deal with just about anything including a natural disaster. Bauer once again creates a clan of believable characters scrambling to make the best of their particular brand of dysfunction. Her swiftly paced story artfully blends poignant and outright funny moments, resulting in a triumphant tale that will resonate with many young readers. Ages 10-up.
