Uno de los trabajos silvícolas más ampliamente utilizados para manejar la espesura de los montes españoles son las denominadas limpieas, que hacen referencia al cuidado cultural o tratamiento parcial consistente en reducir la presencia de la vegetación accesoria. Cuando se actúa sobre el estrato arbustivo, la limpieza se denomina desbroce. A lo largo del primer capítulo del libro se recoge una clasificación de los diferentes tipos de desbroces, así como de la variedad de máquinas que los operarios forestales pueden emplear para llevar a cabo esta labor, tratando especialmente las denominadas motodesbrozadoras. El estudio se centrará fundamentalmente en la amplia variedad de útiles de corte que estas máquinas pueden portar. En el segundo se describen todas aquellas labores y tareas que el operario debe realizar para el cuidado, mantenimiento y puesta a punto de la motodesbrozadora. De igual forma se explica cómo llevar a cabo el montaje de ciertos componentes de la máquina y se ofrecen a modo orientativo algunos consejos acerca del control del desgaste y daños de la máquina. Las técnicas de manejo de la motodesbrozadora, de acuerdo al tipo de vegetación a eliminar se exponen en el capítulo tercero. En esta misma sección del libro se muestran las limitaciones que presentan los distintos útiles de corte que puede portar esta máquina. El último capítulo se ha dedicado a la reflexión de los riesgos y peligros que aparecen cuando se maneja una motodesbrozadora, y a las medidas que se deberían adoptar para prevenirlos. También se aborda la normativa medioambiental que regula la gestión del principal residuo que generan estas máquinas esto es, el aceite de motor usado. Finalmente se expone cómo llevar a cabo el tratamiento adecuado de los restos forestales en aras de cumplir con una buena conducta medioambiental. Esta Unidad Formativa UF1043: Operaciones de desbroce, es TRANSVERSAL y está incluida en el Módulo Formativo MF1293_1: Operaciones auxiliares de repoblación, corrección hidrológica, y de construcción y mantenimiento de infraestructuras forestales y MF1294_1: Operaciones auxiliares en tratamientos silvícolas, correspondiente al Certificado de profesionalidad: Actividades auxiliares en conservación y mejora de Montes (AGAR0309), regulado por el RD 682/2011, de 13 de mayo, de la familia profesional Agraria. Según este Real Decreto los contenidos que en esta obra se recogen se corresponden con una duración de 40 horas. Tanto la estructura como el desarrollo del libro se ajustan al citado Real Decreto y más concretamente a los contenidos de la Unidad Formativa Operaciones de desbroce. Javier Gutiérrez Velayos es Dr. Ingeniero de Montes por la Universidad de Valladolid. Ha sido profesor de la Universidad Católica de Ávila donde ha impartido, entre otras, la asignatura de Aprovechamientos y Certificación Forestal. Ha compaginado dicha labor docente con la actividad investigadora, especialmente en el área de la Xilotecnología y en el campo de la Planificación del paisaje y la conservación de la biodiversidad.

Completely revised and updated with a focus on civility and inclusion, the 19th edition of Emily Post’s Etiquette is the most trusted resource for navigating life’s every situation From social networking to social graces, Emily Post is the definitive source on etiquette for generations of Americans. That tradition continues with the fully revised and updated 19th edition of Etiquette. Authored by etiquette experts Lizzie Post and Daniel Post Senning—Emily Post’s great-great grandchildren—this edition tackles classic etiquette and manners advice with an eye toward diversity and the contemporary sensibility that etiquette is defined by consideration, respect, and honesty. As our personal and professional networks grow, our lives become more intertwined. This 19th edition offers insight and wisdom with a fresh approach that directly reflects today’s social landscape. Emily Post’s Etiquette incorporates an even broader spectrum of issues while still addressing the traditions that Americans appreciate, including: Weddings Invitations Loss, grieving, and condolences Entertaining at home and planning celebrations Table manners Greetings and introductions Social media and personal branding Political conversations Living with neighbors Digital networking and job seeking The workplace Sports, gaming, and recreation Emily Post’s Etiquette also includes advice on names and titles—including Ms.—dress codes, invitations and gift-giving, thank-you notes and common courtesies, tipping and dining out, dating, and life milestones. It is the ultimate guide for anyone concerned with civility, inclusion, and kindness. Though times change, the principles of good etiquette remain the same. Above all, manners are a sensitive awareness of the needs of others—sincerity and good intentions always matter more than knowing which fork to use. The Emily Post Institute, Inc., is one of America’s most unique family businesses. In addition to authoring books, the Institute provides business etiquette seminars and e-learning courses worldwide, hosts the weekly Q&A podcast Awesome Etiquette and trains those interested in teaching Emily Post Etiquette.

This fully updated Seventh Edition, includes nine new drugs, and remains the indispensable guide for all mental health prescribers.

The first, and only, inside story of one of the greatest bands in rock history—Dire Straits—as told by founder member and bassist John Illsley One of the most successful music acts of all time, Dire Straits filled stadiums around the world. Their album sold hundreds of millions of copies and their music—classics like “Sultans of Swing,” “Romeo and Juliet,” “Money for Nothing,” and “Brothers in Arms”—is still played on every continent today. There was, quite simply, no bigger band on the planet throughout the eighties. In this powerful and entertaining memoir, founding member John Illsley gives the inside track on the most successful rock band of their time. From playing gigs in the spit-and-sawdust pubs of south London, to hanging out with Bob Dylan in LA, Illsley tells the story of the band with searching honesty, soulful reflection, and wry humor. Starting with his own unlikely beginnings in Middle England, he recounts the band’s rise from humble origins to the best-known venues in the world, the working man’s clubs to Madison Square Garden, sharing gigs with wild punk bands to rocking the Live Aid stage at Wembley. And woven throughout is an intimate portrait and tribute to his great friend Mark Knopfler, the band’s lead singer, songwriter, and remarkable guitarist. Tracing an idea that created a phenomenal musical legacy, an extraordinary journey of joy and pain, companionship and surprises, this is John Illsley’s life in Dire Straits.

Edie Falco, Sheryl Crow, Athena Jones, and other breast cancer survivors and “previvors” tell their powerful, inspiring stories in this collection. Drawing from first-hand interviews of successful, high-profile women from myriad industries and perspectives, award-winning journalist Ali Rogin brings together an all-star support and recovery team to inspire anyone confronting a cancer diagnosis, along with their loved ones. Learn how preeminent actresses, musicians, politicians, journalists, and entrepreneurs faced a formidable disease and put it in its place. In their own words, the women of Beat Breast Cancer Like a Boss inform and encourage other women by sharing their experiences and advice. Learn how they told loved ones about their diagnoses, navigated treatment options, and managed the work/life/cancer balance. Rogin, too, faced great uncertainty when she tested positively for the BRCA1 genetic mutation at age twenty. She found answers in the vibrant community of breast cancer survivors and “previvors” who also stared down the odds. With her brave decision to undergo a prophylactic bilateral mastectomy before even graduating college, Rogin joined this diverse sisterhood of women confronting breast cancer in its many forms with dignity, strength, and humor.
