Based on John Bryson's acclaimed, comprehensive approach to strategic planning, the *Implementing and Sustaining Your Strategic Plan* workbook provides a step-by-step process, tools, techniques, and worksheets to help successfully implement, manage, and troubleshoot an organization's strategy over the long haul. This new and immensely practical workbook helps organizations work through the typical challenges of leading implementation for sustained change. It spotlights the importance of effective leadership for long-term successful strategic plan implementation. The authors include a wealth of tools designed to help with goal and objective setting, budgeting, stakeholder analysis, priority reconciliation, strategies in practice, special leadership roles, cultural changes, and more. The workbook's conceptual framework, step-by-step process, and worksheets can be applied in a variety of ways. It can be used as a whole, or selected parts can be used by board members, boards of directors, senior management teams, implementation teams, and task forces on a regular basis throughout the process of sustained implementation. The workbook's individual worksheets, or combinations of worksheets, can be used as needed to address a variety of implementation-related tasks.

*Creating and Implementing Your Strategic Plan* is the best-selling companion to John Bryson's landmark book, *Strategic Planning for Public and Nonprofit Organizations*. This new edition of the workbook is completely revised and updated and can be used as a stand-alone resource or as a companion to *Strategic Planning for Public and Nonprofit Organizations*. A

wealth of updated examples and cases

Organizational Achievement Bryson On Strategic Planning  
First published in 2004. Routledge is an imprint of Taylor & Francis, an Informa company.

Strategic planning becomes visual with strategy maps and the tools, techniques, and guidance for turning them into effective action. Developed as a companion workbook to John Bryson's best-selling Strategic Planning in Public and Nonprofit Organizations, Visual Strategy: A Workbook for Strategy Mapping in Public and Nonprofit Organizations, goes beyond making the case for good and effective strategic planning to making strategy visual through effective strategy mapping. Strategy mapping prevents groups of people from talking over one another and going around in circles. It helps people speak and be heard, produce lots of ideas and understand how they fit together, make use of causal reasoning, and clarify ultimately what they want to do in terms of mission, goals, strategies, and actions. Strategy mapping can join process and content in such a way that good ideas worth implementing are found and the agreements and comments needed to implement them are reached. The result is living strategic plans that act as useful guides to action. With detailed examples, actual strategy maps, process guidelines and hand-drawn illustrations, the book will help leaders, managers, students and other professionals see patterns across mission, goals, strategies and actions while helping to identify areas of alignment and misalignment and determine, real time, where elements are needed, missing or not useful in a strategic plan. For leaders and managers of public and

nonprofit organizations, facilitators and consultants, professors and students of strategic planning, strategic management, strategic mapping, and public policy, professional development workshops focused on strategic planning and strategy mapping.

Designed for local government managers and administrators, this pioneering work offers a clear and comprehensive guide to the use of strategic planning techniques in the public sector. The author presents a concise overview of the strategic planning process, defines the terms involved, and provides a step-by-step methodology for organizations ready to move into the actual implementation of strategic planning. In addition to differentiating between community-based, corporate, functional, and defined-purpose strategic planning processes, Mercer explains the delineation between strategic and tactical planning and offers practical approaches to overcoming barriers to the use of strategic planning in the public sector arena. Throughout, the author makes extensive use of case studies of strategic planning programs implemented by a variety of local government and public sector organizations. Mercer begins by describing how strategic planning can be both an effective tool for dealing with change and a technique of organizational development. He goes on to provide detailed instructions on how to prepare to conduct strategic planning, how to determine strategic issues, the importance of a values audit, and how to develop an environmental scan or assessment. Subsequent chapters address determining organizational threats and opportunities, composing the mission statement, defining critical success factors and indicators,

# Read Online Strategic Planning For Public And Nonprofit Organizations A Guide To

planning strategies, and assessing strategic risks and benefits. Finally, the author shows how to perform an internal assessment of ability to actually adopt and carry out strategies, the importance of contingency planning, and how to tie strategic planning to the budget and evaluate the process. The public sector manager experienced with strategic planning techniques can use the guide as a handy reference to particular aspects of the process, while those new to strategic planning will find this an indispensable aid in developing and implementing their own internal strategic planning processes.

Your total guide to putting a powerful management tool to work in your organization Why strategic planning? Because a well wrought strategic plan helps you set priorities and acquire and allocate the resources needed to achieve your goals. It provides a framework for analyzing and quickly adapting to future challenges. And it helps all board and staff members focus more clearly on your organization's priorities, while building commitment and promoting cooperation and innovation But to be effective, your plan will need to address the special needs of the nonprofit sector. And for more than a decade, Strategic Planning for Nonprofit Organizations has been the number-one source of guidance on all facets of strategic planning for managers at nonprofits of every size and budget. This thoroughly revised, updated, and expanded edition arms you with the expert knowledge and tools you need to develop and implement surefire strategic plans, including tested-in-the-trenches worksheets, checklists, and tables--in print and on the companion website--along with a
