He debuted his first single "Sniper" featuring Raftaar His 2015 single "Jaguar" featuring Bohemia was written by lyricist Jaani.

The Indian Listener (fortnightly programme journal of AIR in English) published by The Indian State Broadcasting Service, Bombay, started on 22 December, 1935 and was the successor to the Indian Radio Times in English, which was published beginning in July 16 of 1927. From 22 August, 1937 onwards, it was published by All India Radio, New Delhi. In 1950, it was turned into a weekly journal. Later, The Indian listener became "Akashvani" in January 5, 1958. It was made a fortnightly again on July 1, 1983. It used to serve the listener as a broadsheet of broadcasting, and give listener the useful information in an interesting manner about programmes, who writes them, take part in them and produce them along with photographs of performing artists. It also contains the information of major changes in the policy and service of the organisation. NAME OF THE JOURNAL: The Indian Listener LANGUAGE OF THE JOURNAL: English DATE, MONTH & YEAR OF PUBLICATION: 07-01-1944 PERIODICITY OF THE JOURNAL: Fortnightly NUMBER OF PAGES: 88 VOLUME NUMBER: Vol. IX, No. 2

Tales of the Punjab (1894) is a collection of stories translated and collected by Flora Annie Steel. Collected while Steel lived with her husband in the north of the Indian subcontinent, Tales of the Punjab was a successful introduction to legends and stories from the Punjab region for children and adults back home in England. Published while India remained under the control of the British Empire, Steel's collection puts a decidedly Western twist on the stories she learned from local women while advocating for education reform. In a village in the Punjab, as the sun sets on an exceedingly hot day, the local people return from the fields to prepare dinner and settle down for the evening. As they await the cooling winds of midnight in order to sleep outside, the villagers gather around a local storyteller. Possessing a wide knowledge of legends, tales, and history, he calmly begins to speak to his gathered audience. "Sir Buzz" is the story of a woman and her son who are left in dire poverty following the death of her husband, a soldier. Although young, the boy dreams of setting out into the world in order to bring something home for his mother. Finding six shillings in the pocket of an old coat, he leaves his home only to run into an injured tigress. Unable to remove a thorn from her paw, she asks the boy for his assistance, and offers him a mysterious reward. In "The Rat's Wedding," a rat takes shelter underground during a steady rainstorm. In his digging, he discovers a root, which he takes with him on his journey homeward once the rain subsides. Looking forward to using the root for himself, he encounters an old man struggling to light a fire with wood soaked through with rain. Exchanging his root for a piece of food, the generous rat continues on his way. Tales of the Punjab is a collection of forty-three instructive, humorous, and authentic stories translated by Flora Annie Steel. With a beautifully designed cover and professionally typeset manuscript, this edition of Flora Annie Steel's Tales of the Punjab is a classic of Anglo-Indian literature reimagined for modern readers.

Records publications acquired from Afghanistan, Bangladesh, Bhutan, India, Maldives, Nepal, Pakistan, and Sri Lanka, by the U.S. Library of Congress Offices in New Delhi, India, and Karachi, Pakistan.

This is an English translation of Guru Nanak's famous Sri Japji Sahib which was originally written in Gurmukhi script. This is rightly regarded as one of the world's great spiritual classics. It is uplifting and universal in its message of love and devotion. This particular edition is in black and white with a beautifully illustrated design on each page. Includes a brief introduction by Professor David Christopher Lane, Ph.D. There is also a color edition available as well.

The Ancient Legend Of Puran Bhagat Is Part Of The Folk Culture Of Punjab And Other States Of North India. In Medieval Times Kadiyar Wrote Two Versions Of The Story In Punjabi. Shiv Kumar Batalviy'S Luna Is Based On This Legend.

"Contemporary female friendship goes glam in this lively debut novel with remarkable depth." -- Washington Post "Great fun and extremely smart." -- npr.org NAMED A MOST ANTICIPATED BOOK OF 2022 BY Vogue * Marie Claire * Glamour * Essence * Oprah Daily * Entertainment Weekly * Bustle * PopSugar * CrimeReads * and more! An incisive and exhilarating debut novel following three Anglo-Nigerian best friends and the lethally glamorous fourth woman who infiltrates their group—the most unforgettable girls since Carrie, Miranda, Charlotte, and Samantha. Ronke wants happily ever after and 2.2. kids. She's dating Kayode and wants him to be “the one” (perfect, like her dead father). Her friends think he's just another in a long line of dodgy Nigerian boyfriends. Boo has everything Ronke wants—a kind husband, gorgeous child. But she's frustrated, unfulfilled, plagued by guilt, and desperate to remember who she used to be. Simi is the golden one with the perfect lifestyle. No one knows she's crippled by impostor syndrome and tempted to pack it all in each time her boss mentions her “urban vibe.” Her husband thinks they're trying for a baby. She's not. When the high-flying, charismatic Isobel explodes into the group, it seems at first she's bringing out the best in each woman. (She gets Simi an interview in Shanghai! Goes jogging with Boo!) But the more Isobel intervenes, the more chaos she sows, and Ronke, Simi, and Boo's close friendship begins to crack. A sharp, modern take on friendship, ambition, culture, and betrayal, Wahala (trouble) is an unforgettable novel from a brilliant new voice.
