The Art of War is an ancient Chinese military treatise dating from the Late Spring and Autumn Period. The work, which is attributed to the ancient Chinese military strategist Sun Tzu, is composed of 13 chapters. Each one is devoted to an aspect of warfare and how it applies to military strategy and tactics. For almost 1,500 years it was the lead text in an anthology that was formalised as the Seven Military Classics by Emperor Shenzong of Song in 1080. The Art of War remains the most influential

Book Summary - Sun Tzu The Art of War for Managers: 50 ...
Sun Tzu said: In the practical art of war, the best thing of all is to take the enemy's country whole and intact; to shatter and destroy it is not so good. So, too, it is better to recapture an army entire than to destroy it, to capture a regiment, a detachment or a company entire than to destroy them. 2.

Sun Tzu - The Art of War Explained In 5 Minutes - YouTube
Sun Tzu and his Art of War are studied and quoted in military strategy courses and corporate boardrooms around the world. There’s just one problem – we aren’t sure that Sun Tzu actually existed! Certainly, someone wrote a book called The Art of War several centuries before the common era.

The Art of War is an enduring classic that holds a special place in the culture and history of East Asia. An ancient Chinese text on the philosophy and politics of warfare and military strategy, the treatise was written in 6th century B.C. by a warrior-philosopher now famous all over the world as Sun Tzu. Sun Tzu’s teachings remain as relevant to leaders and strategists today as they were to rulers and military generals in ancient times. Divided into thirteen chapters and written succinctly, The Art of War is a must-read for anybody who works in a competitive environment.

Sun Tzu's Art of War is the most famous, and the most thought-provoking, work of strategy ever written. The profound insights of this book have endured for over two thousand years, and they continue to reward careful study. The Military Methods of Sun Pin, the great-grandson of Sun Tzu, is a brilliant elaboration on his ancestor's work, which has been lost for nearly two millennia. Presented here together for the first time are the greatest of the ancient Chinese classics of strategic thought: The Complete Art of War.The Sun family writings on strategy represent a unique contribution to our understanding of human affairs. By unveiling the complex, often unexpected, interrelationships of armies locked in battle, their wisdom reveals the enduring principles of success in the struggle of life itself.With a unique index to the essential principles of strategy, and Sawyer's thoughtful chapter-by-chapter commentaries, The Complete Art of War is designed to guide the reader to new insights into the nature of human conflict and a greater understanding of every field of human activity, from playing the game of politics to building a successful marriage, from closing a deal to managing a large organization, and even from making war to making peace.

DISCOVER THE SPIRITUALLY INCISIVE STRATEGIES FOR PEACEFULLY RESOLVING CONFLICT IN THIS MASTERPIECE OF MILITARY STRATEGY. Written 2,500 years ago by Chinese general Sun Tzu, The Art of War is a poetic and potent treatise on military strategy still in use in war colleges around the world. Yet its principles transcend warfare and have practical applications to all the conflicts and crises we face in our lives – in our workplaces, our families, even within ourselves. Thomas Huynh guides you through Sun Tzu's masterwork, highlighting principles that encourage a perceptive and spiritual approach to conflict, enabling you to: – Prevent conflicts before they arise – Peacefully and quickly resolve conflicts when they do arise – Act with courage, intelligence and benevolence in adversarial situations – Convert potential enemies into friends – Control your emotions before they control you Now you can experience the effectiveness of Sun Tzu's teachings even if you have no previous knowledge of The Art of War. Insightful yet unobtrusive facing-page commentary explains the subtleties of the text, allowing you to unlock the power of its teachings and help prevent and resolve the conflicts in your own life.

Ralph D. Sawyer is the preeminent scholar and translator on Sun-tzu's masterful work. More than 200,000 copies of his Sun-tzu Art of War and more than 55,000 copies of The Complete Art of War have been sold. The Art of War is the most famous study of strategy ever written and has had an extraordinary influence on the history of warfare. The Essential Art of War brings Sun-tzu's classic work to a new, uninitiated readership. This clear and compact volume presumes no prior knowledge of the subject and presents only the material that is essential to understanding this text. Using his best-selling Art of War translation as the centerpiece, Sawyer has re-approached every chapter to include an introduction and closing commentary that deliver the key concepts. An introduction to the volume on the relevance of Sun-tzu's teachings, a chronology, historical background on the translation itself, and a bibliographic essay are also included. The Essential Art of War is presented in an attractive 208-page hardcover volume with foiled jacket, stamped case, and ribbon marker, in a convenient gift size.

It's the perfect meeting of minds. One, a general whose epigrammatic lessons on strategy offer timeless insight and wisdom. And the other, a visual thinker whose succinct diagrams and charts give readers a fresh way of looking at life's challenges and opportunities. A Bronze Age/Information Age marriage of Sun Tzu and Jessica Hagy, The Art of War Visualized is an inspired mash-up, a work that completely reenergizes the perennial bestseller and makes it accessible to a new generation of students, entrepreneurs, business leaders, artists, seekers, lovers of games and game theory, and anyone else who knows the value of seeking guidance for the future in the teachings of the past. It's as if Sun Tzu got a 21st-century do-over. Author and illstrator of How to Be Interesting, Jessica Hagy is a cutting-edge thinker whose language-comprising circles, arrows, and lines and the well-chosen word or two-makes her an ideal philosopher for our ever-more-visual culture. Her charts and diagrams are deceptively simple, often funny, and always thought-provoking. She knows how to communicate not only ideas but the complex process of thinking itself, complete with its twists and surprises. For The Art of War Visualized, she presents her vision in evocative ink-brush art and bold typography. The result is page after page in which each passage of the complete canonical text (in its best-known Lionel Giles translation) is visually interpreted in a singular diagram, chart, or other illustration–transforming, reenergizing, and making the classic dazzlingly accessible for a new generation of readers.

For twenty-five centuries, men have used Sun Tzu's classic The Art of War as a guide to conflict. In recent years, it's been a guide to climbing the corporate ladder. But this book shows that there are more paths to winning than frontal assault. You can learn from the ancient Chinese strategist how to apply the feminine principle to the business world--and win every time. Whether it's relying on networking skills to win allies or maneuvering to gain a decisive advantage, the author shows through dozens of case studies from prominent women in business how to overcome the odds, defeat opponents, and forge successful careers. The tenets of Sun Tzu lend themselves to women's natural strengths in diplomacy and relationship-building. With this interpretation, you'll learn to leverage these valuable assets to trump your male colleagues every time.

The Art of War' is an ancient Chinese military treatise written by Sun Tzu, a high-ranking military general, strategist and tactician. The text is composed of 13 chapters, each of which is devoted to one aspect of warfare. It is commonly known to be the definitive work on military strategy and tactics of its time. It has been the most famous and influential of China's Seven Military Classics, and for the last two thousand years it remained the most important military treatise in Asia, where even the common people knew it by name. Sun Tzu believed war to be an essential wrongdoing that must be got rid of whenever it can be. The war should be fought fleetingly to reduce economic decline. Sun Tzu harped on the significance of placement in military tactics. The planning to position an army must be dependent on the stipulations in the physical surroundings and the subjective thoughts of various militants in those conditions. He believed that strategy cannot be considered as planning with respect to glancing through a previously decided list. It is better represented by the fact that it needs speedy and suitable reactions to altering situations. Planning gives results in restrained surroundings. But in case of an altering environment, similar plans come in each other's ways and give rise to undesired outcomes. It has had an influence on Eastern and Western military thinking, business tactics, legal strategy and beyond. ABOUT THE AUTHOR: Sun Tzu, also known as Sun Wu or Sunzi, was an ancient Chinese military strategist believed to be the author of the acclaimed military text, 'The Art of War'. Details about Sun Tzu's background and life are uncertain, although he is believed to have lived C 544-496 BCE. Sun Tzu believed in the use of the military sciences to effect outcomes that would result in peace. Through 'The Art of War', Sun Tzu's theories and strategies have influenced military leaders and campaigns throughout time, including the samurai of ancient and early-modern Japan, and more recently Ho Chi Minh of the Viet Cong and American generals Norman Swarzkopf, Jr. and Colin Powell during the Persian Gulf War in the 1990s.

This collectible edition presents Sun Tzu's timeless instructions regarding military strategy and managing conflict in two forms--one translation without notes or commentary, and the other with Giles' complete translation and notes.

More than two millennia ago the famous Chinese general Sun Tzu wrote the classic work on military strategy, The Art of War. Now, in a new edition of Sun Tzu and the Art of Business, Mark McNeilly shows how Sun Tzu's strategic principles can be applied to twenty-first century business. Here are two books in one: McNeilly's synthesis of Sun Tzu's ideas into six strategic principles for the business executive, plus the text of Samuel B. Griffith's popular translation of The Art of War. McNeilly explains how to gain market share without inciting competitive retaliation, how to attack competitors' weak points, and how to maximize market information for competitive advantage. He demonstrates the value of speed and preparation in throwing the competition off-balance, employing strategy to beat the competition, and the need for character in leaders. Lastly, McNeilly presents a practical method to put Sun Tzu's principles into practice. By using modern examples throughout the book from Google, Zappos, Amazon, Dyson, Aflac, Singapore Airlines, Best Buy, the NFL, Tata Motors, Starbucks, and many others, he illustrates how, by following the wisdom of history's most respected strategist, executives can avoid the pitfalls of management fads and achieve lasting competitive advantage.

Sun Tzu's The Art of War is the important book on strategy. This book is used as the basis for non-English translations around the world-even in Asia. It also includes a free download of an audio book MP3.
