Chicago Comfort Food with Sunshine and Siestas. The most typical of Chicago comfort foods! Another Christmas has come and gone, but this year instead of eating Christmas cookies, clam chowder and fried cod in Massachusetts, or fish soup, boiled prawns, and turrón in Cadiz, I spent the holidays in Madrid for the first time, enjoying my Mexican friend's tamales, rice and beans on Christmas Eve and my Swedish friend's meatballs, ribs and herring on Christmas day.

My name is Willow Longville. I live in a village called Budbury on the stunning Dorset coast with my mum Lynn, who sometimes forgets who I am. I'm a waitress at the Comfort Food Café, which is really so much more than a café it's my home. For Willow, the ramshackle café overlooking the beach, together with its warm-hearted community, offers friendship as a daily special and always has a hearty welcome on the menu. But when a handsome stranger blows in on a warm spring breeze, Willow soon realises that her quiet country life will be changed forever.

When newly heartbroken, Michelin-starred chef Millie Harper is offered a job overseeing the setup of The Paradise Cookery School she jumps at the opportunity. Leaving London and her memories of heartbreak behind she hops on a plane to the hilltop cocoa plantation in St Lucia. But this beautiful island break might be more work than she'd expected... With only two weeks to have the kitchen installed and with cocoa pods going missing from the plantation, Millie's going to need some help. Gruff but charming estate manager Zach Barker, is only too happy to offer his opinions. As the two clash heads can they remain focussed on the job in hand and get the cookery school finished in time? Pack your bags and jump right into the sun and secrets of The Paradise Cookery School. Perfect for fans of Sarah Morgan, Jenny Oliver and Kat French. 'OMG - the food!! The descriptions made me constantly hungry. The love interest was delicious, too.' Lilac Mills 'Well this was a sunny delightful read! Food and sunshine what more could you want?... oh my the food, and the sun and promise of romance was just delightful!' The Book Trail 'Gorgeously romantic, with a wonderful setting, fantastic characters and a wonderful story. I absolutely loved this book. Awesome.' Reader review 'I thoroughly enjoyed escaping into this luscious story. The descriptions of food had my mouth watering, the beautiful landscape had me dreaming of warmer climes (it is snowing here at the moment!) and the mystery was perplexing!' Splashes into books 'I have just finished reading this book and I absolutely loved it! Easy to read and took me away to a foreign isle whilst dreaming of chocolate! What's not to love?!' Sunshine Sarah 'What a fun quick read...The description of the yummy food left me drooling!' Reader review The Paradise Cookery School Sunshine & Secrets Confetti & Confusion Mistletoe & Mystery

"Known for her outstanding performances on The Good Wife and ER, Julianna Margulies now unleashes her sharp talent with a powerful debut memoir chronicling her life and her work, examining from within, her journey from chaos to calm. "When an actor is on a long running television show, especially when the writing is superb as was the case with The Good Wife, the character becomes a second skin; they grow as you grow, they change as you change. Being an actress gives me the luxury of discovering myself. All the feelings that came up from playing Alicia allowed me to look back at my life and tap into my own vulnerability. My personal fear of the unknown reared its ugly head as I studied this character, most likely stemming from the ever-present unpredictability of my childhood." - From the Introduction An apple-cheeked bubbly child, Julianna Margulies was bestowed the nickname "Sunshine Girl" by her mother at an early age. Raised between two divorced parents, often on different continents, Julianna quickly learned how to be of value to her eccentric mother and her absent father. Raised in fairly unconventional ways in various homes in Paris, England, New York, and New Hampshire, Julianna's role among the turmoil and uncertainty that her parents generated, was to comfort those around her, find organization among the disorder, and eventually make her way in the world as a young adult and eventually an Award-winning actress. Along the way, there were failed romances, difficult choices, and overwhelming rejections. But there was also the moment that fate, faith, and talent assembled in a perfect storm that lead to the roles of a lifetime, both professionally and personally. Sunshine Girl is an accomplished coming of age story that offers readers a rich sense of relatability as well as the intimate details of a life unimagined"--

The New York Times bestselling author of Falling presents a warm, wise, and wonderfully vivid novel about a mother who asks her three estranged daughters to come home to help her end her life. Ronni Sunshine left London for Hollywood to become a beautiful, charismatic star of the silver screen. But at home, she was a narcissistic, disinterested mother who alienated her three daughters. As soon as possible, tomboy Nell fled her mother's overbearing presence to work on a farm and find her own way in the world as a single mother. The target of her mother's criticism, Meredith never felt good enough, thin enough, pretty enough. Her life took her to London--and into the arms of a man whom she may not even love. And Lizzy, the youngest, more like Ronni than any of them, seemed to have it easy, using her drive and ambition to build a culinary career to rival her mother's fame, while her marriage crumbled around her. But now the Sunshine sisters are together again, called home by Ronni, who has learned that she has a serious disease and needs her daughters to fulfill her final wishes. And though Nell, Meredith, and Lizzy have never been close, their mother's illness draws them together to confront the old jealousies and secret fears that have threatened to tear these sisters apart. As they face the loss of their mother, they will discover if blood might be thicker than water after all...
