Smash Ultimate has one of the most daunting rosters of any fighting game ever created. How does someone learn from the ground up? Is it worth getting the game today and starting that journey? From beginner to the competitive scene, I breakdown how I have personally walked this path the last several months and what I have found, from easy to difficult. This game seems so easy at first, it can't possibly be that hard right...? In it you will find essential tips, tricks and info that will help you beat the game, your enemies and any obstacle in the different parts of the game. In the begining of this guide you can find the ranking weapon so you can choose in the different parts of the game. The book is full of information collected thanks to numerous hours of studying and playing the game and it is 100% correct. Use the chapters dedicated to different hidden and much needed Abilities as well as special Guides in your advantage.

Who else wants to know the secret to Super Smash Bros.? The Secret To Getting Good At Super Smash Bros. is the book you need that will help you win more in friendly games or tournament sets alike. If you're a grizzled veteran or a newcomer this book will help you either way and serve as a reference tool to take your game to the next level. When playing Super Smash Bros. it's difficult to know what you're doing wrong if you don't know it's wrong to begin with so let me show you what I've learned in all the years I've played Smash Bros. Whether it's Super Smash Brothers Ultimate, Melee, Brawl or Smash 4 this book will give you an inside look of what it's like to play a game professionally as the author was a Super Smash Brothers Brawl MLG pro during the 2010 season West Coast captain at Genesis 2, and a fixture in the Southern California power rankings along with people like MikeHaze, Larry Lurr, Tyrant, Rich Brown, and Tearbear. In The Secret To Getting Good At Super Smash Bros. you will see: What the very first thing you need to learn to understand Smash Bros. Numerous examples to solidify the concepts in the book. Show you one way of thinking about Smash that could expand your gameplay, and much more. About The Author Growing up I was the best among my friends in video games, Mario Kart, Mortal Kombat, Street Fighter, FIFA, you name it and I dominated my friends. Fast forward many years to where I signed up to play a game in a tournament . These guys won't know what hit them as I rubbed my hands together flirting with the idea of winning my first tournament and start a "dominance" here. As the day ended let's just say the only thing leaving the venue intact was love for video games, my ego on the other hand was shattered. "What do these people do differently that I don't do?" I asked myself. It took me countless hours to truly develop the one fundamental that set me apart from other players and this book was my passion to write. Let me help you at least get started so you don't go in thinking you're the next Mango, Zero, or Mew2King before you even start your Smash journey. They all had their starts so let's get started on yours... Start your journey to develop yourself in the tournament player you're meant to be. Scroll up and hit the buy button now.
