Culturally Speaking builds useful, comfortable, communication skills in a new culture through an interactive exploration of everyday experiences. Students share their own cultural thoughts and traditions and compare them with contemporary American customs and everyday situations.

Let's Talk Second Edition is a fully revised edition of Let's Talk, the successful three-level speaking and listening course that takes students from a high-beginning to a high-intermediate level. The Let's Talk 3, Second Edition, Teacher's Manual has been enhanced and expanded to offer increased support and flexibility. Included are detailed teaching notes, clear learning objectives for every activity, teaching tips, expansion activities, and writing options. Provided as photocopyables in the back of the book are model conversations for discussion support, talking points for additional speaking practice, and a complete assessment program including quizzes and tests. The Audio CD packaged with the Teacher's Manual provides all the listening sections for the assessment program.

Communicating Across Cultures is an innovative short course for learners of business English who want to function effectively in an international environment by developing their intercultural skills in English. Drawing on inspirational advice from leading figures in the world of cross-cultural communication, Communicating Across Cultures covers all types of oral and written communication, from meetings to negotiations, telephone calls to emails, and deals with situations ranging from working in international teams to managing conflict. Students are invited to analyse their own intercultural competence and helped to develop a personal action plan for further use beyond the classroom. The Student's Book comes with an audio CD that contains authentic interviews with people from the world of business and extracts from meetings that exemplify the communication strategies presented.

American MORE! Six-Level Edition is a version of a course from a highly respected author team that's bursting with features for lower secondary students. Key language for each unit is introduced in a photostory and put to use through the 'Language Focus'. There is thorough coverage of grammar via a dedicated section in each unit. The 'Learn MORE through English' pages introduce cross-curricular learning (CLIL) while the 'Learn MORE about Culture' sections explore English speaking countries. Students learn to 'Read MORE for pleasure' with the extra reading pages and the Audio CD/CD-ROM enables students to practice vocabulary, grammar, and skills. The Combo contains the Student's Book and Workbook material together, providing 50-60 class hours of material.

Aging with Grace by the Power of the Gospel Whatever season of life you're in, God has equipped you to flourish—to live in the transforming power and beauty of his grace. As we age, we can easily lose sight of this message as cultural ideals glorifying youth take center stage. In this book, Sharon W. Betters and Susan Hunt offer present-day and biblical examples of women who rediscovered gospel-rooted joy later in their lives. Equipped with a biblical view of aging, Aging with Grace will help you encounter afresh the gospel that “is big enough, good enough, and powerful enough to make every season of life significant and glorious.”

An innovative, new multi-level course for the university and in-company sector. Business Advantage is the course for tomorrow's business leaders. Based on a unique syllabus combining current business theory, business in practice and business skills - presented using authentic, expert input - the course contains specific business-related outcomes, making the material highly relevant and engaging. The Business Advantage Intermediate level includes input from the Cambridge Judge Business School, IKEA, Emirates NBD, Isuzu and Unilever - to name but a few. The Personal Study Book provides further practice and lesson consolidation and comes with an Audio CD with recordings from the Student's Book skills lessons, plus additional audio.
