Early history. Tap originated in the United States through the fusion of several ethnic percussive dances, primarily African tribal dances and Scottish, Irish, and English clog dance s, hornpipes, and jig s. Until the last few decades of the 20th century, it was believed that African slaves and Irish indentured servants had observed each other ' s dances on Southern plantations and

Warren Buffett built Berkshire Hathaway into something remarkable—and Fortune journalist Carol Loomis had a front-row seat for it all. When Carol Loomis first mentioned a little-known Omaha hedge fund manager in a 1966 Fortune article, she didn't dream that Warren Buffett would one day be considered the world's greatest investor—nor that she and Buffett would quickly become close personal friends. As Buffett's fortune and reputation grew over time, Loomis used her unique insight into Buffett's thinking to chronicle his work for Fortune, writing and proposing scores of stories that tracked his many accomplishments—and also his occasional mistakes. Now Loomis has collected and updated the best Buffett articles Fortune published between 1966 and 2012, including thirteen cover stories and a dozen pieces authored by Buffett himself. Loomis has provided commentary about each major article that supplies context and her own informed point of view. Readers will gain fresh insights into Buffett's investment strategies and his thinking on management, philanthropy, public policy, and even parenting. Some of the highlights include: The 1966 A. W. Jones story in which Fortune first mentioned Buffett. The first piece Buffett wrote for the magazine, 1977's "How Inflation Swindles the Equity Investor." Andrew Tobias's 1983 article "Letters from Chairman Buffett," the first review of his Berkshire Hathaway shareholder letters. Buffett's stunningly prescient 2003 piece about derivatives, "Avoiding a Mega-Catastrophe." His unconventional thoughts on inheritance and philanthropy, including his intention to leave his kids "enough money so they would feel they could do anything, but not so much that they could do nothing." Bill Gates's 1996 article describing his early impressions of Buffett as they struck up their close friendship. Scores of Buffett books have been written, but none can claim this work's combination of trust between two friends, the writer's deep understanding of Buffett's world, and a very long-term perspective.

front of millions of people, through an intense season of stretching beyond her limits, and to run the race God gave her with joy and perseverance. Join Candace as she reflects on the self-discovery that came through leaping out of her comfort zone. Go behind the scenes and experience the highs and lows, the roadblocks, and the personal victories. Hear straight from her heart on tough lessons learned about grace, rejection, perfectionism, disappointment, accountability, dealing with criticism, and more. Through God ' s strength, and with the help of endless support from her family and friends, see how Candace stayed true to herself and publicly lived out her faith in Christ all the way to the finale. How do you stand with conviction in your world? Where does your courage come from when faced with challenges? How do you live out your faith on a daily basis despite opposition? Your stage probably isn't in Hollywood and the challenges you are facing may not be on live television, but they are no less real. Come along with Candace as she shares how she found the courage to stand with conviction on one of the largest platforms of her life.

Internationally traveled and familiar with salons and personalities of the dance world, we find a stroll through the years as Dorothy Dean Stevens gives us glimpses of personal encounters with leading dancers of the nineteenth and twentieth centuries. She begins by tracing her ancestors settling in the west; on through her early years, then to her entrance into the hallowed halls of European Ballet and the continued ties with leading dancers. Early in her life she studied at Cornish School of the Arts and later with Eugene Lorin. Such notables as Adolf Bolm, and Dimitri Romanoff, instructed in her dance studio in Monterey California. Successful dancers such as Frank Bourman, and Michael Smuin, who later founded the Smuin Ballet in San Francisco, taught for a time at Dorothy's studio. She also covers the development of the cultural arts, tracing theater and talent that existed in the central California region of the Monterey Peninsula. But there is more to her life than this; travel and adventure, business and pleasure all woven into a tale of her life. Dorothy dances through joys and sorrows to the encore years in which her family, once again, takes the spot light.

Live your life to the fullest In Dancing through Life, Allen Brown offers his unique perspective: All life starts with the question Wouldn ' t it be great if . . .? Allen believes that a true, authentic life begins with this simple question because it signals an awakening to the possibility of more. We can be more than we think we are, and we can do more than we think we ' re capable of doing. And the sense of wonder and possibility contained in Wouldn ' t it be great if . . .? isn ' t just for the young. It ' s for
