"Each chapter of this instructor's manual is divided into four sections: 1. Outline of main ideas: This section identifies primary ideas, figures, and events contained in the respective A History of Asia chapter. After a chapter has been read, the chapter outlines can provide a review of key points. 2. Questions for class discussion: These questions, not included in the main text, are intended to provide instructors with supplemental information about certain topics for discussion and/or stimulate student interest in further research. 3. Essay questions: These questions, also not included in the main text, may be used in class discussions and/or exam format. Basic answers can be gleaned from the text but may be supplemented by additional research (as the result of a homework assignment) or in the course of discussion between students. 4. Multiple choice questions: The multiple choice questions have been designed for use in testing or for reading quizzes. They emphasize basic factual recognition and analysis" -- Preface.
