There are many types of idioms a person may use to express himself, and some of them are common in some regions yet not at all known in others.

"The big picture" is

Bookmark File

PDF The Big

Picture idiom that is most commonly used in the United States, though it may be heard in other English-speaking regions as well. A person is said to see the big picture when he gets the gist of something and is not distracted by details that may prove confusing.
