Two unique features that I found intriguing were this book's extensive chapter about letter, word and number squares, and its chapter regarding magical seals and alphabets. This book is not only academically sound, it's useful. A wide range of employable amulets are covered, including protection, dream questioning, and personal prosperity.

Amulets are magic charms worn by people to protect themselves from negative energies, evil and injury, and also to bring good luck. Together with other kinds of talismans, amulets are becoming very popular today. They are usually crystals, Celtic crosses, or other mystical jewellery worn as a penda

The "Shadow Tree Series" comprises a unique collection of Western Esoteric studies and practices which Jacobus G. Swart, spiritual successor to William G. Gray and co-founder of the Sangreal Sodality, has actuated and taught over a period of forty years. "The Book of Seals & Amulets" comprises a comprehensive investigation into the meaning and relevance of Celestial Alphabets, Magical Seals, Magic Squares, Divine and Angelic Names, etc., as well as their employment in Hebrew Amulets in order to benefit personal wellbeing in a most significant manner. Continuing the standards set in "The Book of Self Creation" and "The Book of Sacred Names," Jacobus Swart offers detailed instruction on the contents and construction of Hebrew Amulets. He again consulted the enormous array of relevant primary Hebrew literature, large sections of which are available to an English readership for the first time.

This catalogue is the first on the outstanding collection of Arabic and Persian seals and amulets in the British Museum, by a specialist in the field. The first part focuses on the 638 Arabic, Persian and Indian seals covering material from the 8th to the 20th century. The introduction covers seal practice in different periods and levels of society; the role of the seal and the "alama" or motto, the use of figural representation on the seals, seal engravers, the forgery of seals and the importance of the stones used are described. The features of the seals themselves, in particular the palaeography and dating of early Islamic seals, some grammatical features of the inscriptions, and the range of designs present on the seals are analysed. The types and form of Islamic names, the range of phrases that commonly appear and the characteristics of later seals are also discussed. The second part focuses on 170 amulets in the collection preceded by an introduction to the subject. Research into the engraving techniques is presented with analysis of the stones used. This publication will be a standard work of reference for years to come.

A comprehensive study of the use of talismans and amulets in the Western Mystery Tradition • Provides an in-depth look at the medieval and Renaissance use of amulets and talismans, including the work of Agrippa, Albertus Magnus, and Athanasius Kircher • Provides a full summary of the magical knowledge required to make an amulet or talisman, including the invocations required to activate their powers • Reviews different kinds of amulets and talismans, from ancient jewelry and magical objects to the modern rabbit's foot or lucky horseshoe The use of talismans and amulets stretches back nearly to the dawn of man, from everyday items magically prepared, such as horns or coins, to intricate and beautiful jewelry imbued with protective powers. Drawing on his private collection of medieval manuscripts as well as his privileged access to the rare book archives of major European universities, Claude Lecouteux provides a comprehensive history of the use of talismans and amulets for protection, healing, and divine influence. He explores their use in the Western Mystery Tradition as well as Eastern and Middle Eastern beliefs about these magical objects and their incorporation--despite Church anathema--into the Christian tradition of Medieval Europe. Reviewing many different kinds of amulets and talismans used throughout the ages, such as a rabbit's foot, horseshoe, gris-gris bag, or an inscribed parchment charged through ritual, he details the principles and symbology behind each object and shows that their use is still as widespread today as any time in the past. Lecouteux explains the high magic behind the hermetic art of crafting amulets and talismans: the chains of sympathy, astrological geography, and the invocations required to activate their powers. He explores the work of adepts such as Agrippa, Albertus Magnus, and Athanasius Kircher, including an in-depth look at Kircher's work on planetary seals in his Oedipus

Aegyptiacus. Illustrated throughout with period art depicting magical symbols, seals, and a wide array of talismans and amulets, this comprehensive study provides a practical guide to the historical development and step-by-step creation of magical objects.

"The 'Shadow Tree Series' comprises a unique collection of Western Esoteric studies and practices which Jacobus Swart [...] has actuated and taught over a period of forty years. Having commenced his Kabbalah studies in Safed in the early 1970's, he later broadened his 'kabbalistic horizons' under the careful guidance of the famed English Kabbalist William G. Gray. 'The Book of Sacred Names' is a practical guide into the meditational and magical applications of ancient Hebrew Divine Names. Perpetuating the tenets of traditional Kabbalists who recognised the fundamental bond between 'Kabbalah' and 'Magic,' Jacobus Swart offers step by step instructions on the deliberate and conscious control of personal life circumstances, by means of the most cardinal components of Kabbalistic doctrines and techniques-Divine Names! The material addressed in this tome derives from the extensive primary literature of 'Practical Kabbalah,' much of which is appearing in print for the first time in English translation"--back cover.

The "Shadow Tree Series" comprises a unique collection of Western Esoteric studies and practices which Jacobus G. Swart, spiritual successor to William G. Gray and co-founder of the Sangreal Sodality, has actuated and taught over a period of forty years. In "The Book of Immediate Magic - Part 1" Jacobus G. Swart perpetuates the fundamental tenets of "Self Creation" in which it is maintained that the "Centre" establishes the "Circumference," and that personal reality is emanated in harmony with personal "Will." Hence this tome comprises an enhancement and expansion of the magical doctrines and techniques of Practical Kabbalah addressed in "The Book of Self Creation," "The Book of Sacred Names," and "The Book of Seals & Amulets." Jacobus Swart claims that working "Immediate Magic" is neither impossible nor difficult when we fully understand that consciousness is just one vast ocean, and that thoughts are the waves we make in it. It is all a matter of coordinating consciousness.

'The Book of Self Creation' is a study guide for all who seek Divinity within, and who prefer to steer the courses of their lives in a personal manner. The doctrines and techniques addressed in this book will aid practitioners in the expansion of their personal consciousness and spiritual evolution. Combining the principles and teachings of Practical Kabbalah and the Western Mystery Tradition, this book offers step by step instructions on the conscious creation of physical life circumstances, such being always in harmony with the mind-set of the practitioner. The 'Shadow Tree Series' comprises a unique collection of Western Esoteric studies and practices which Jacobus G. Swart, spiritual successor to William G. Gray and co-founder of the Sangreal Sodality, actuated and taught over a period of forty years. He commenced his journey into the domain of Jewish Mysticism in the early 1970's investigating mainstream Kabbalah, later diversifying into the magical mysteries of Practical Kabbalah. He equally expanded his personal perspectives of the Western Magical Tradition under the careful tutelage of the celebrated English Kabbalist William G. Gray.
