This is career advice of the profoundest kind, geared toward today ' s twenty- and thirty-something workers and job-seekers whose employment outlook is radically different from that of a generation ago. How can I be the person I want to be when I ' m stuck in a job I hate? How is it possible to stay present in an era of nearly constant distractions? Can I pick someone up at a bar or club and still call myself spiritual? This nitty-gritty guide to life for the spiritual-but-not-necessarily-religious uses Buddhist teachings to answer those burning questions and a host of others related to going out, relationships, work, and social action. Based on Lodro Rinzler ' s popular advice columns, Walk Like a Buddha offers wisdom that can be applied to just the sort of dilemmas that tend to arise for anyone making even a modest attempt to walk like a Buddha—that is, to live with honesty, wisdom, and compassion in the face of whatever life surprises you with.

Buddhism has a lot to say about suffering—and there are likely few times we suffer more intensely than when we break up with a romantic partner. It feels like you may never recover sometimes. But Lodro Rinzler has wonderfully good news for those suffering heartbreak: the 2,500-year-old teachings of the Buddha are the ultimate antidote for emotional pain. And you don ' t need to be a Buddhist for them to apply to you. In this short and compact first-aid kit for a broken heart, he walks you through the cause and cure of suffering, with much practical advice for self-care as you work to survive a breakup. The wisdom he presents applies to any kind of emotional suffering.

Believe what you ' ve heard about meditation: it ' ll focus your mind, open your heart, and sometimes surprise you with insight. And it ' s not complicated to learn. In fact, everything you need to get started is contained in the pages of this little book. Lodro Rinzler begins by challenging you to ask yourself why you want to meditate in the first place (good news—there ' s no wrong answer!). With your intention thus in place, he teaches you all the basics, along with advice for making your meditation practice a priority no matter how busy you are. He then shows you how to bring the wisdom and compassion you discover in meditation into all other areas of your life.

" Somebody comes into the Zen center with a lighted cigarette, walks up to the Buddha statue, blows smoke in its face, and drops ashes on its lap. You are standing there. What can you do? " This is a problem that Zen Master Seung Sahn is fond of posing to his American students who attend his Zen centers. Dropping Ashes on the Buddha is a delightful, irreverent, and often hilariously funny living record of the dialogue between Korean Zen Master Seung Sahn and his American students. Consisting of dialogues, stories, formal Zen interviews, Dharma speeches, and letters using the Zen Master ' s actual words in spontaneous, living interaction with his students, this book is a fresh presentation of the Zen teaching method of " instant dialogue " between Master and student which, through the use of astonishment and paradox, leads to an understanding of ultimate reality.

Are you trying to find love — and beginning to suspect you ' re not looking in the right place? This wise, hip guide gives you a new map for the journey to happiness in relationships of all kinds, starting in your own heart. Told from the alternating vantage points of authors Meggan Watterson and Lodro Rinzler, How to Love Yourself (and Sometimes Other People) reminds us that love isn ' t something we have to earn. All of us are deeply and intrinsically worthy of love — not only the love we hope to receive from others, but the love we give to ourselves — and this book offers the insight and practical tools we need to stay firmly grounded in self-love as we ride out the natural (and often stormy) cycles of relationships. Meggan and Lodro ' s unique perspectives as teachers and scholars of Christian mysticism and Buddhism respectively make for a rich and lively dialogue that draws on wisdom sources like the Gospel of Mary Magdalene and the Four Noble Truths, along with funny, revealing stories from their own love lives and their deep friendship with each other. You ' ll find guidance for embracing single life, dating with an open heart, and thriving in lasting love; meditations and practices for calm abiding, "disciplined hope," and connecting to the source of love within you; and tips on everything from sex, self-worth, and nourishing friendships to navigating breakups and learning to truly love yourself. Ultimately, you ' ll be able to see your ideal partner in a new light — not as someone who "completes" you, but as someone who mirrors back to you your own wholeness.
