Description: An exclusive behind-the-scenes look at the collaboration between author and artist to create Diana Gabaldon's graphic novel, **THE EXILE**. A luscious full-colour graphic novel – written by **#1** New York Times bestseller Diana Gabaldon – that offers a completely new look at the original Outlander story!

Retells in graphic novel format the first Outlander novel from Jamie Fraser's point of view, revealing events never seen in the original story.

Retells the original Outlander novel from Jamie Fraser's point of view, revealing events never seen in the original story and giving readers a whole new insight into the Jamie-Claire relationship.

Diana Gabaldon's brilliant storytelling has captivated millions of readers in her bestselling and award-winning Outlander saga. Now, in her first-ever graphic novel, Gabaldon gives readers a fresh look at the events of the original Outlander: Jamie Fraser's side of the story, gorgeously rendered by artist Hoang Nguyen. After too long an absence, Jamie Fraser is coming home to Scotland–but not without great trepidation. Though his beloved godfather, Murtagh, promised Jamie's late parents he'd watch over their brash son, making good on that vow will be no easy task. There's already a fat bounty on the young exile's head, courtesy of Captain Black Jack Randall, the sadistic British officer who's crossed paths–and swords–with Jamie in the past. And in the court of the mighty MacKenzie clan, Jamie is a pawn in the power struggle between his uncles: aging chieftain Colum, who demands his nephew's loyalty–or his life–and Dougal, war chieftain of Clan Mackenzie, who'd sooner see Jamie put to the sword than anointed Colum's heir. And then there is Claire Randall–mysterious, beautiful, and strong-willed, who appears in Jamie's life to stir his compassion . . . and arouse his desire. But even as Jamie's heart draws him to Claire, Murtagh is certain she's been sent by the Old Ones, and Captain Randall accuses her of being a spy. Claire clearly has something to hide, though Jamie can't believe she could pose him any danger. Still, he knows she is torn between two choices–a life with him, and whatever it is that draws her thoughts so often elsewhere: Step into the captivating, passionate, and suspenseful world of The Exile, and experience the storytelling magic of Diana Gabaldon as never before.

Claire Randall is leading a double life. She has a husband in one century, and a lover in another... In 1945, Claire Randall, a former combat nurse, is back from the war and reunited with her husband on a second honeymoon–when she innocently touches a boulder in one of the ancient stone circles that dot the British Isles. Suddenly she is a Sassenach–an "outlander"–in a Scotland torn by war and raiding border clans in the year of our Lord..1743. Hurlled back in time by forces she cannot understand, Claire's destiny in soon inextricably intertwined with Clan MacKenzie and the forbidden Castle Leoch. She is catapulted without warning into the intrigues of lairds and spies that may threaten her life . . .and shatter her heart. For here, James Fraser, a gallant young Scots warrior, shows her a passion so fierce and a love so absolute that Claire becomes a woman torn between fidelity and desire. . . .and between two vastly different men in two irreconcilable lives.

**NEW YORK TIMES BESTSELLER •** A young Jamie Fraser learns what it really means to become a man in this Outlander prequel novella. Featuring all the trademark suspense, adventure, and history of Diana Gabaldon's #1 bestselling novels and the Starz original series, Virgins is now available for the first time as a standalone ebook. Mourning the death of his father and gravely injured at the hands of the English, Jamie Fraser finds himself running with a band of mercenaries in the French countryside, where he reconnects with his old friend Ian Murray. Both are nursing wounds; both have good reason to stay out of Scotland; and both are still virgins, despite several opportunities to remedy that deplorable situation with ladies of easy virtue. But Jamie's love life becomes infinitely more complicated–and dangerous–when fate brings the young men into the service of Dr. Hasdai, a Jewish gentleman who hires them to escort two priceless treasures to Paris. One is an old Torah; the other is the doctor's beautiful granddaughter, Rebekah, destined for an arranged marriage. Both Jamie and Ian are instantly drawn to the bride-to-be–but they might be more cautious if they had any idea who they're truly dealing with. Praise for Diana Gabaldon's Outlander series "Marvelous and fantastic adventures, romance, sex . . . perfect escape reading."–San Francisco Chronicle, on Outlander "History comes deliciously alive on the page."–New York Daily News, on Outlander "Gabaldon is a born storyteller. . . . The pages practically turn themselves."–The Arizona Republic, on Dragonfly in Amber "Triumphant . . . Her use of historical detail and a truly adult love story confirm Gabaldon as a superior writer."–Publishers Weekly, on Voyager "Unforgettable characters . . . richly embroidered with historical detail."–The Cincinnati Post, on Drums of Autumn "A grand adventure written on a canvas that probes the heart, weighs the soul and measures the human spirit across [centuries]."–CNN, on The Fiery Cross "The large scope of the novel allows Gabaldon to do what she does best, paint in exquisite detail the lives of her characters."–Booklist, on A Breath of Snow and Ashes "Features all the passion and swashbuckling that fans of this historical fantasy series have come to expect."–People, on Written in My Own Heart's Blood

Outlander joins the adult coloring book craze! Featuring 45 original black-and-white illustrations from the series. A coloring book featuring original illustrations inspired by the sights and scenes of Diana Gabaldon's bestselling Outlander series.

A new Outlander novel – the seventh – from #1 National Bestselling author Diana Gabaldon. Readers have been waiting with bated breath for the seventh volume in bestselling author Diana Gabaldon's epic Outlander saga – a masterpiece of historical fiction featuring Jamie and Claire, from one of the genre's most popular and beloved authors. Jamie Fraser, erstwhile Jacobite and reluctant rebel, knows three things about the American rebellion: the Americans will win, unlikely as that seems in 1778; being on the winning side is no guarantee of survival; and he'd rather die than face his illegitimate son – a young lieutenant in the British Army – across the barrel of a gun. Fraser's time-travelling wife, Claire, also knows a couple of things: that the Americans will win, but that the ultimate price of victory is a mystery. What she does believe is that the price won't include Jamie's life or happiness – not if she has anything to say. Claire's grown daughter Brianna, and her husband, Roger, watch the unfolding of Brianna's parents' history – a past that may be sneaking up behind their own family.

Available for the first time as an exclusive eBook in this original Outlander novella, Diana Gabaldon reveals what really happened to Roger MacKenzie Wakefield's parents. Orphaned during World War II, Roger believed that his mother died during the London Blitz, and that his father, an RAF pilot, was killed in combat. But in An Echo in the Bone, Roger discovers that this may not be the whole story. Now, in "A Leaf on the Wind of All Hallows," readers finally learn the truth.

**#1 NEW YORK TIMES BESTSELLER •** Diana Gabaldon returns with the newest novel in the epic Outlander series. The past may seem the safest place to be . . . but it is the most dangerous time to be alive. . . . Jamie Fraser and Claire Randall were torn apart by the Jacobite Rising in 1746, and it took them twenty years to find each other again. Now the American Revolution threatens to do the same. It is 1779 and Claire and Jamie are at last reunited with their daughter, Brianna, her husband, Roger, and their children on Fraser's Ridge. Having the family together is a dream the Frasers had thought impossible. Yet even in the North Carolina backcountry, the effects of war are being felt. Tensions in the Colonies are great and local feelings run hot enough to boil Hell's teakettle. Jamie knows loyalties among his tenants are split and it won't be long until the war is on his doorstep. Brianna and Roger have their own worry: that the dangers that provoked their escape from the twentieth century might catch up to them. Sometimes they question whether risking the perils of the 1700s–among them disease, starvation, and an impending war–was indeed the safer choice for their family. Not so far away, young William Ransom is still coming to terms with the discovery of his true father's identity–and thus his own–and Lord John Grey has reconciliations to make, and dangers to meet . . . on his son's behalf, and his own. Meanwhile, the Revolutionary War creeps ever closer to Fraser's Ridge. And with the family finally together, Jamie and Claire have more at stake than ever before.

This volume features four extraordinary stories featuring characters from the 'Outlander' series.
