Anacaona also known as Golden Flower, was a Taíno cacique, religious expert and poet born in Xaragua. Before the arrival of Christopher Columbus in 1492, Ayiti, now known as the island of Hispaniola was divided into five kingdoms. Anacaona was born into a family of chiefs, and was the sister of Bohecio, the chief of Xaragua. She succeeded her brother Bohechio as chief of the Xaragua after his death. Under Anacaona's rule, the Spaniard settlers and Xaragua people coexisted and intermarried ...

Dantecat brings Haiti's beautiful queen Anacaona to life. Queen Anacaona was the wife of one of her island's rulers, and a composer of songs and poems, making her popular among her people. Haiti was relatively quiet until the Spanish conquistadors discovered the island and began to settle there in 1492. The Spaniards treated the natives very cruelly, and when the natives revolted, the Spanish governor of Haiti ordered the arrests of several native nobles, including Anacaona, who was eventually captured and executed, to the horror of her people.

DIV /div When a group of students wins a trip to New York City, accompanied by their teacher, they aren't sure where to start. Soon enough, they're roaming the city, from the Statue of Liberty to Times Square, from Chinatown to Central Park, in order to discover what makes New York one of the greatest cities on Earth.

Structured like the popular song "The Twelve Days of Christmas," Tonya Bolden's text captures the fun and fast-paced spirit of New York, while Gilbert Ford's illustrations embody its dynamic beauty and odd quirks. The book includes a map of all five boroughs of the city highlighting kid-friendly places to see when you visit. **UPraise for 12 Days of New York** "Ford's illustrations, rendered in a variety of media including India ink, gouache, dyes and Photoshop, depict the city in bright, glowing tones that are cartoonlike but manage to capture the essence of the people and places." **Kirkus Reviews** "Ford's mixed-media art features chunky India ink outlines and a broad palette that portrays afternoon, twilight, indoor, and outdoor scenes with equal skill" While the venues are recognizable, the adventurous perspectives Ford uses gives them a welcome freshness." **Publishers Weekly** "Richly colored cartoon illustrations, with a dialogue bubble here and there for added humor, depict the wide-eyed characters and their surroundings with

The gourd containing the bow and arrow of the great departed hunter Yayael produces a torrent of water that becomes the world's ocean.

Outside Beijing, China, in the year 1572, nine-year-old Hu-Wan tends the vegetable garden with his grandfather. Their specialty is growing gourds that are made into ladles and bowls and sold in the marketplace. Each year, one special gourd is made into a cricket cage. This year, it is Hu-Wan's turn to grow and carve the special gourd. He decides it should be carved into the shape of a sleeping dragon. When Hu-Wan learns that the emperor has died and his nine-year-old son is named Emperor of China, he decides to give the dragon cricket cage to the young emperor to offer comfort and cheer.
