It was the last-chance moment of the war. In January 2007, President George W. Bush announced a new strategy for Iraq. He called it the surge. "Many listening tonight will ask why this effort will succeed when previous operations to secure

Download Ebook The Good Soldiers David Finkel

Baghdad did not. Well, here are the differences," he told a skeptical nation. Among those listening were the young, optimistic army infantry soldiers of the 2-16, the battalion nicknamed the Rangers. About to head to a vicious area of Baghdad, they decided the difference would be them. Fifteen months later, the soldiers returned home forever changed. Pulitzer Prize-winning Washington Post reporter David Finkel was with them in Bagdad, and almost every grueling step of the way. What was the true story of the surge? And was it really a success? Those are the questions he grapples with in his remarkable report from the front lines. Combining the action of Mark Bowden's *Black Hawk Down* with the literary brio of Tim O'Brien's *The Things They Carried*, *The Good Soldiers* is an unforgettable work of reportage. And in telling the story of these good soldiers, the heroes and the ruined, David Finkel has also produced an eternal tale—not just of the Iraq War, but of all wars, for all time.

Now a Major Motion Picture Directed by American Sniper Writer Jason Hall and Starring Miles Teller The wars of the past decade have been covered by brave and talented reporters, but none has reckoned with the psychology of these wars as intimately as the Pulitzer Prize-winning journalist David Finkel. For *The Good Soldiers*, his bestselling account from the front lines of Baghdad, Finkel embedded with the men of the 2-16 Infantry Battalion during the infamous "surge," a grueling fifteen-month tour that changed them all forever. In Finkel's hands, readers can feel what these young men were experiencing, and his harrowing story instantly became a classic in the literature of modern war. In *Thank You for Your Service*, Finkel has

Download Ebook The Good Soldiers David Finkel

done something even more extraordinary. Once again, he has embedded with some of the men of the 2-16—but this time he has done it at home, here in the States, after their deployments have ended. He is with them in their most intimate, painful, and hopeful moments as they try to recover, and in doing so, he creates an indelible, essential portrait of what life after war is like—not just for these soldiers, but for their wives, widows, children, and friends, and for the professionals who are truly trying, and to a great degree failing, to undo the damage that has been done. The story Finkel tells is mesmerizing, impossible to put down. With his unparalleled ability to report a story, he climbs into the hearts and minds of those he writes about. Thank You for Your Service is an act of understanding, and it offers a more complete picture than we have ever had of these two essential questions: When we ask young men and women to go to war, what are we asking of them? And when they return, what are we thanking them for? One of Publishers Weekly's Best Nonfiction Books of 2013 One of The Washington Post's Top 10 Books of the Year A New York Times Notable Book of 2013 An NPR Best Book of 2013 A Kirkus Reviews Best Nonfiction Book of 2013

An award-winning staff writer for The Washington Post discusses the hardships faced by soldiers who have come home from service by following the men of the 2-16 Infantry Battalion originally depicted in his book *The Good Soldiers*. 100,000 first printing.

tells you what you need to know—before or after you read David Finkel ’ s book. Crafted and edited with care, Worth Books set the standard for quality and give you the tools you need to be a well-informed reader. This short summary and analysis of Thank You for Your Service includes: Historical context Chapter-by-chapter overviews Profiles of the main characters Important quotes Fascinating trivia Glossary of terms Supporting material to enhance your understanding of the original work About Thank You for Your Service by David Finkel: Pulitzer Prize – winning author David Finkel ’ s Thank You for Your Service is an intimate and powerful account of the lives of Iraq veterans after they return home. Having depicted life on the front lines in Baghdad in his first book, Finkel follows the struggle of the same soldiers ’ return to civilian life. He exposes the hidden costs of war: the reality of living with post-traumatic stress disorder, the physical wounds and financial struggles of military personnel, and the spiraling suicide rate amongst veterans. Soldiers are plagued by nightmares, memory loss, violent impulses, and guilt over their dead comrades. Spouses and children are bewildered by the return of their loved ones, whose personalities have changed beyond all recognition. Finkel humanizes the aftermath of military life and makes a strong case for increased investment in veteran mental healthcare. Thank You for Your Service has received great critical acclaim and was among the New York Times, the Washington Post, and the Economist ’ s top 10 Books of the Year in 2013.the The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of nonfiction.

"No matter your politics or home country this will change how you think about the movement of people between poor and rich countries...one of the best books on immigration written in a generation." --Matthew Desmond, author of *Evicted* The definitive chronicle of our new age of global migration, told through the multi-generational saga of a Filipino family, by a veteran New York Times reporter and two-time Pulitzer Prize finalist. When Jason DeParle moved in with Tita Comodas and her family in the Manila slums thirty years ago, he didn't expect to make lifelong friends. Nor did he expect to spend decades reporting on Tita, her husband, siblings, and children, as they came to embody the stunning rise of global migration. In his new book, DeParle paints an intimate portrait of an unforgettable family across three generations that dramatizes how the international movement of labor has reordered economics, politics, and culture across the world. At the heart of the story is Rosalie, Tita's middle child, who escapes poverty by becoming a nurse, and lands jobs in Jeddah, Abu Dhabi and, finally, Texas--joining the record forty-four million immigrants in the United States. Migration touches every aspect of global life. It pumps billions in remittances into poor villages, fuels Western populism, powers Silicon Valley, sustains American health care, and brings one hundred languages to the Des Moines public schools. One in four children in the United States is an immigrant or the child of one. With no issue in American life so polarizing, DeParle expertly weaves between the personal and panoramic perspectives. Reunited with their children after years apart, Rosalie and her husband struggle to be parents, as

their children try to find their place in a place they don't know. Ordinary and extraordinary at once, their journey is a twenty-first-century classic, rendered in gripping detail.

"They Will Have to Die Now is the story of what happened after most Americans stopped paying attention to Iraq...It will take its place among the very best war writing of the past two decades." —George Packer, author of *Our Man and The Assassins' Gate* James Verini arrived in Iraq in the summer of 2016 to write about life in the Islamic State. He stayed to cover the jihadis' last great stand, the Battle of Mosul, not knowing it would go on for nearly a year, nor that it would become, in the words of the Pentagon, "the most significant urban combat since WWII." *They Will Have to Die Now* takes the reader into the heart of the conflict against the most lethal insurgency of our time. We see unspeakable violence, improbable humanity, and occasional humor. We meet an Iraqi major fighting his way through the city with a bad leg; a general who taunts snipers; an American sergeant who removes his glass eye to unnerve his troops; a pair of Moslawi brothers who welcomed the Islamic State, believing, as so many Moslawis did, that it might improve their shattered lives. Verini also relates the rich history of Iraq, and of Mosul, one of the most beguiling cities in the Middle East.

Fobbit \ ' f ä -bit\, noun. Definition: A U.S. soldier stationed at a Forward Operating Base who avoids combat by remaining at the base, esp. during Operation Iraqi

Download Ebook The Good Soldiers David Finkel

Freedom (2003-2011). Pejorative. In the satirical tradition of Catch-22 and M*A*S*H, Fobbit takes us into the chaotic world of Baghdad ' s Forward Operating Base Triumph. The Forward Operating base, or FOB, is like the back-office of the battlefield – where people eat and sleep, and where a lot of soldiers have what looks suspiciously like a desk job. Male and female soldiers are trying to find an empty Porta Potty in which to get acquainted, grunts are playing Xbox and watching NASCAR between missions, and a lot of the senior staff are more concerned about getting to the chow hall in time for the Friday night all-you-can-eat seafood special than worrying about little things like military strategy. Darkly humorous and based on the author's own experiences in Iraq, Fobbit is a fantastic debut that shows us a behind-the-scenes portrait of the real Iraq war.

A blistering critique of the gulf between America's soldiers and the society that sends them off to war, from the bestselling author of The Limits of Power and Washington Rules The United States has been "at war" in Iraq and Afghanistan for more than a decade. Yet as war has become normalized, a yawning gap has opened between America's soldiers and veterans and the society in whose name they fight. For ordinary citizens, as former secretary of defense Robert Gates has acknowledged, armed conflict has become an "abstraction" and military service "something for other people to do." In Breach of Trust, bestselling author Andrew J. Bacevich takes stock of the separation between Americans and their military, tracing its origins to the Vietnam era and exploring its pernicious implications: a nation with

Download Ebook The Good Soldiers David Finkel

an abiding appetite for war waged at enormous expense by a standing army demonstrably unable to achieve victory. Among the collateral casualties are values once considered central to democratic practice, including the principle that responsibility for defending the country should rest with its citizens. Citing figures as diverse as the martyr-theologian Dietrich Bonhoeffer and the marine-turned-anti-warrior Smedley Butler, *Breach of Trust* summons Americans to restore that principle. Rather than something for "other people" to do, national defense should become the business of "we the people." Should Americans refuse to shoulder this responsibility, Bacevich warns, the prospect of endless war, waged by a "foreign legion" of professionals and contractor-mercenaries, beckons. So too does bankruptcy—moral as well as fiscal.

Charlie 1-26 confronted one of the worst neighborhoods in Baghdad and lost more men than any battalion since Vietnam Based on "Blood Brothers", the Michael Kelly Awardnominated series that ran in Army Times, this is the remarkable story of a courageous military unit that sacrificed their lives to change Adhamiya, Iraq, from a lawless town where insurgents roamed freely, to a secure neighborhood with open storefronts and a safe populace. Army Times writer Kelly Kennedy was embedded with Charlie Company in 2007, went on patrol with the soldiers and spent hours in combat support hospitals. During that period, one soldier threw himself on a grenade to save his friends, a well-liked first sergeant shot himself to death in front of his troops, and a platoon staged a mutiny. The men of Charlie 1- 26 would earn at least

Download Ebook The Good Soldiers David Finkel

95 combat awards, including one soldier who would go home with three Purple Hearts and a lost dream. This is a timeless story of men at war and a heartbreaking account of American sacrifice in Iraq.

NEW YORK TIMES BESTSELLER * “ A CLASSIC OF WAR REPORTING...THERE IS NO DOWNTIME IN THIS RELENTLESS BOOK. ” —The New York Times *
“ REMARKABLE...A MEMORIAL IN PAGES. ” —The Washington Post * “ GRIPPING AND THOUGHT-PROVOKING. ” —USA Today * “ EVOCATIVE. ” —Publishers Weekly, (Starred Review) * “ IT JOINS THE BEST WAR LITERATURE THIS COUNTRY HAS EVER PRODUCED. ” —Sebastian Junger, bestselling author of *Tribe* and War Pulitzer Prize winner C.J. Chivers ’ s unvarnished New York Times bestseller is a chronicle of modern combat, told through the eyes of the fighters who have waged America ’ s longest wars: “ A classic of war reporting...there is no downtime in this relentless book ” (The New York Times). More than 2.7 million Americans have served in Afghanistan or Iraq since September 11, 2001, and C.J. Chivers reported on both wars from their beginnings. *The Fighters* vividly conveys the physical and emotional experience of war as lived by six combatants: a fighter pilot, a corpsman, a scout helicopter pilot, a grunt, an infantry officer, and a Special Forces sergeant. Chivers captures their courage, commitment, sense of purpose, and ultimately their suffering, frustration, and moral confusion as new enemies arise and invasions give way to counterinsurgency duties for which American forces were often not prepared. *The Fighters* is a “ gripping, unforgettable ” (The Boston Globe) portrait of modern

Download Ebook The Good Soldiers David Finkel

warfare. Told with the empathy and understanding of an author who is himself an infantry veteran, *The Fighters* is “a masterful work of atmospheric reporting, and it’s a book that will have every reader asking—with varying degrees of urgency or anger or despair—the final question Chivers himself asks: ‘How many lives had these wars wrecked?’” (Christian Science Monitor).
