Despite being a single location drama, and focusing on a single individual sitting in a Danish emergency call centre and speaking into his headset, The Guilty emerges as one of the most twisty, heart pounding crime thrillers that I have ever seen. It is gripping and motivating at the same time.

Moving and suspenseful, Lisa Ballantyne’s The Guilty One is a psychological thriller about the darkness in each of us. It explores how we are all tied to our pasts, and what it means to be guilty. Solicitor Daniel Hunter is called to defend 11-year-old Sebastian who has been charged with the murder of a young boy on a London playground. While examining Sebastian’s life in order to save it, Daniel can’t help but be transported to his own difficult youth spent in foster care—a time when the one he trusted the most was the one who betrayed him. Emotionally wrought, and with an abundance of twists and turns, The Guilty One is a character-driven novel of suspense that explores the true nature of guilt.

Two estranged brothers represent opposing sides of a high-profile double-murder case in this legal thriller debut. Ten years ago, a capital murder case in the heart of Texas split the Lynch family in two. Conscience-stricken Travis left his high-powered law firm to become a public defender, while bullish Jake rose to become District Attorney. Now, estranged lawyer brothers Travis and Jake Lynch find themselves on opposing sides of an Austin courtroom in a high-profile, grisly double murder case—with another accused criminal’s life on the line. Both Lynchs are convinced they’re on the right side, but the truth turns out to be more complicated—and deadly. A drug deal double-cross turns lethal, killing two college students and leaving one paralyzed. The victim never saw the gunman but he knows one name: Sam Park. Travis defended Sam’s brother years before. His heart won’t let him turn down the case, even knowing it’ll bring him face-to-face with Jake after ten years of cold silence. Jake, meanwhile, runs afoul of the Austin political machine and needs a case like this to win an upcoming election. And Sam, the prime suspect, won’t talk—not to Travis, and certainly not to the high-and-mighty DA—and time is running out. . . . Can these feuding brothers put aside a decade of enmity in the name of true justice? Or will the truth of what really happened that bloody night go to the grave with Sam Park? Perfect for fans of Due Process by Scott Pratt, The Family Lawyer by James Patterson, Bluebird, Bluebird by Attica Locke, and The Fifth Justice by John Elsworth.
