Simple text and captivating illustrations are paired with beautiful music and fun sound-effects to help tell the classic tale of "The Princess and the Pea." Prince Fastidious travels the world to find his perfect princess. But something is not quite right about any of them. They either talk too much, or not at all. Some are too old for him, or too young. Others are spoiled or have too many noisy, little dogs. Find out what happens when Princess Rose accidentally comes to the castle at night because of a fierce storm. How does she prove to the Queen that she's a real princess? A happy ending adds interest to this fairy tale and encourages a lifelong love for reading.

The queen has a plan to help the prince find a real princess to marry.

Pupils will meet the literature requirements of the National Curriculum by studying these collections of short stories by pre-twentieth century authors. Readers of all abilities will gain increased comprehension of the stories from the integrated support material on every page. Pupils' interest is maintained by the large format and simple layout. A more complete picture of the authors is provided through completion of a number of 'compare and contrast' exercises, reinforcement activities and overview sections at the end of each story. The National Curriculum requirement to read stories from other cultures and traditions is also covered by books in the series.

From the New York Times bestselling author of The Thirteenth Tale and Bellman & Black comes an imaginative retelling of the classic children's tale-with a slight twist.

Set in a castle, this variation on the traditional, cumulative rhyme looks at the consequences of a princess's strange diet.
