~~The Leopard: Harry Hole 8: Nesbo, Jo, Bartlett, Don ...~~

The Leopard is a crime novel by Norwegian novelist, Jo Nesbø. Its Norwegian title is Panserhjerter, which does not directly translate to The Leopard; it rather means something along the lines of "armoured heart". Moreover, "leopard" refers to the stealthy tread of the killer in the book, while "armoured heart" is what Harry Hole himself gains by his experiences. Panserhjerter is also a Norwegian term for Constrictive pericarditis. The Leopard is the eighth novel featuring Nesbø's crime ...

~~The Leopard: A Harry Hole Thriller, Book 8 by Jo Nesbo ...~~

His first crime novel featuring Harry Hole was published in Norway in 1997 and was an instant hit, winning the Glass Key Award for best Nordic crime novel (an accolade shared with Peter Høeg, Henning Mankell and Karin Fossum). The Leopard is the sixth of Nesbø's novels to be translated into English.

~~The Leopard — Jo Nesbo — Google Books~~

young woman is murdered in her Oslo flat. One finger has been severed from her left hand, and behind her eyelid is secreted a tiny red diamond in the shape of a five-pointed star – a pentagram, the devil’s star. Detective Harry Hole is assigned to the case with his long-time adversary Tom Waaler and initially wants no part in it.

INTERNATIONAL BESTSELLER • “Meaty, gripping, full of tantalizing twists” (Associated Press), this installment of the international bestselling series brings Inspector Harry Hole back from Hong Kong hot on the trail of a serial killer. Inspector Harry Hole has retreated to Hong Kong, escaping the trauma of his last case in squalid opium dens, when two young women are found dead in Oslo, both drowned in their own blood. Media coverage quickly reaches a fever pitch. There are no clues, the police investigation is stalled, and Harry—the one man who might be able to help—can’t be found. After he returns to Oslo, the killer strikes again, Harry’s instincts take over, and nothing can keep him from the investigation, though there is little to go on. Worse, he will soon come to understand that he is dealing with a psychopath who will put him to the test, both professionally and personally, as never before.

After two young women are found dead, both drowned in their own blood, Inspector Harry Hole is compelled to return to Norway to see his dying father and to investigate the brutal crime, which may be the work of a serial killer.

Brilliant, audaciously rogue police officer, Harry Hole from The Snowman and The Thirst, is back and in the throes of a new, unanticipated rage--once again hunting the murderer who has haunted his entire career. Harry Hole is not in a good place. Rakel--the only woman he's ever loved--has ended it with him, permanently. He's been given a chance for a new start with the Oslo Police but it's in the cold case office, when what he really wants is to be investigating cases he suspects have ties to Svein Finne, the serial rapist and murderer who Harry helped put behind bars. And now, Finne is free after a decade-plus in prison--free, and Harry is certain, unreformed and ready to take up where he left off. But things will get worse. When Harry wakes up the morning after a blackout, drunken night with blood that's clearly not his own on his hands, it's only the very beginning of what will be a waking nightmare the likes of which even he could never have imagined.

INTERNATIONAL BESTSELLER • Inspector Harry Hole tracks a Norwegian serial killer in this “fiendishly complex and terrifically entertaining” (The New York Times Book Review) installment of the New York Times bestselling series. “Maddeningly addictive.” —Vanity Fair One night, after the first snowfall of the year, a boy named Jonas wakes up and discovers that his mother has disappeared. Only one trace of her remains: a pink scarf, his Christmas gift to her, now worn by the snowman that inexplicably appeared in their yard earlier that day. Inspector Harry Hole suspects a link between the missing woman and a suspicious letter he’s received. The case deepens when a pattern emerges: over the past decade, eleven women have vanished—all on the day of the first snow. But this is a killer who makes his own rules ... and he’ll break his pattern just to keep the game interesting, as he draws Harry ever closer into his twisted web. With brilliantly realized characters and hair-raising suspense, international bestselling author Jo Nesbø presents his most chilling case yet—one that will test Harry Hole to the very limits of his sanity.

From the #1 New York Times bestselling author of Cockroaches, Olav Johansen is a walking contradiction: a cold-blooded killer with a heart of gold. This was not a problem—until he fell for his boss’s wife... “Nesbø’s much-heralded gifts are on display.” —The New York Times Book Review Olav is a fixer for a high-profile crime kingpin in 1970s Oslo. He easily takes care of anyone who causes trouble for his boss. But he is more complicated than he seems. Olav’s latest job puts him at the pinnacle of his trade, but it may become his greatest mistake: It turns out that the more you know about your boss’s business, the more your boss might want you fixed yourself—especially if you’re falling for his wife.

In the heat of a sweltering Oslo summer, a young woman is found murdered in her flat—with one of her fingers cut off and a tiny red star-shaped diamond placed under her eyelid. An off-the-rails alcoholic barely holding on to his job, Detective Harry Hole is assigned the case with Tom Waaler, a hated colleague whom Harry believes is responsible for the murder of his partner. When another woman is reported missing five days later, and her severed finger turns up adorned with a red star-shaped diamond ring, Harry fears a serial killer is at work. But Hole’s determination to capture a fiend and to expose Waaler’s crimes is leading him into shadowy places where both investigations merge in unexpected ways, forcing him to make difficult decisions about a future he may not live to see.

The beloved author of the high fantasy works The Hobbit and The Lord of the Rings delves into the legend of King Arthur in an epic, but unfinished, poem written in Old English alliterative meter.

“An elegant and complex thriller...Harrowingly beautiful.” —New York Times Book Review “A hugely impressive achievement—ambitious in scope, and skilled in execution.” —Los Angeles Times “The Redbreast certainly ranks with the best of current American crime fiction.” —Washington Post Jo Nesbø, the New York Times bestselling author of The Snowman, has solidified his spot as one of the most exciting Scandinavian thriller writer in the crime fiction business. The Redbreast is a fabulous installment in Nesbø’s tough-as-nails series protagonist, Oslo police detective Harry Hole. Detective Harry Hole embarrassed the force, and for his sins he’s been reassigned to mundane surveillance tasks. But while monitoring neo-Nazi activities in Oslo, Hole is inadvertently drawn into a mystery with deep roots in Norway’s dark past—when members of the nation’s government willingly collaborated with Nazi Germany. More than sixty years later, this black mark won’t wash away, and disgraced old soldiers who once survived a brutal Russian winter are being murdered, one by one. Now, with only a stained and guilty conscience to guide him, an angry, alcoholic, error-prone policeman must make his way safely past the traps and mirrors of a twisted criminal mind. For a hideous conspiracy is rapidly taking shape around Hole—and Norway’s darkest hour may still be to come.

When the mother of a missing two-year-old girl is seriously injured in a suspected terrorist attack in Oslo, crime-fighting duo Blix and Ramm join forces to investigate the case, and things aren't adding up ... The second instalment in the addictive, atmospheric, award-winning Blix & Ramm series. 'An exercise in literary tag-teaming from two of Norway's biggest crime writers with a bold new take ... a series with potential' Sunday Times 'Grim, gory and filled with plenty of dark twists ... There's definitely a Scandinavian chill in the air with this fascinating read' Sun 'Alongside Jo Nesbo's Knife, Smoke Screen is this summer's most anticipated read, and it doesn't disappoint' Tvedestrandsposten, Norway _____ Oslo, New Year's Eve. The annual firework celebration is rocked by an explosion, and the city is put on terrorist alert. Police officer Alexander Blix and blogger Emma Ramm are on the scene, and when a severely injured survivor is pulled from the icy harbour, she is identified as the mother of two-year-old Patricia Semplass, who was kidnapped on her way home from kindergarten ten years earlier ... and never found. Blix and Ramm join forces to investigate the unsolved case, as public interest heightens, the terror threat is raised, and it becomes clear that Patricia's disappearance is not all that it seems... _____ Praise for the Blix & Ramm series: 'Everything about this crime novel sings, the relationship between Blix and Emma, which is complex, but also the relationship between Blix and Fosse and Kovic. The past bleeds into the present and the clever melding of the strands of the story and the slow reveal of details that propel the story is masterly. This tale often surprises or shifts in subtle ways that are pleasing and avoid clichÉ. As the opener for a new series this is a cracker, long live the marriage of Horst and Enger' New Books Magazine 'A fast-moving, punchy, serial killer investigative novel with a whammy of an ending. If this is the first in the Blix and Ramm series, then here's to many more!' LoveReading 'A clever, gripping crime novel with personality, flair, and heart' Crime by the Book 'A stunningly excellent collaboration from Thomas Enger and Jorn Lier Horst It's a brutal tale of fame, murder, and reality TV that gets the pulse racing' Russel McLean 'Now – what happens when you put two of the most distinguished writers of Nordic noir in tandem? Death Deserved by Thomas Enger and JØrn Lier Horst suggests it was a propitious publishing move; a ruthless killer is pursued by a tenacious celebrity blogger and a damaged detective' Financial Times
