All the drinking games you'll need for the perfect night out... or in! Drinking is great, right? But not on your own. That's sad. Thankfully, The Little Book of Drinking Games is here to help you - and your friends - find an excuse to get drunk and let your hair down. Jam-packed with more than 50 drinking games of all shapes and sizes, this pocket compendium will have you thinking, drinking and pint-sinking in no time. The Little Book of Drinking Games contains the best classic drinking games (that you're usually too drunk to remember the rules to), games inspired by your favourite movies and TV shows as well as a few games that are destined to become new traditions. Ice-Cube Raft Race: Just like the legendary pub relay, Boat Race, but on a much smaller scale. Essential Supplies: An ice-cube tray, shots of your favourite spirit and plenty of straws. Borrow an ice-cube tray from the bar/your kitchen, and fill the compartments with a spirit or strong beer. If it's a tray with two rows of sections, all the better as one player can take the left side, racing another player who takes the right. The idea is to drink each compartment dry through a straw, before moving on to the next one, and then the next, until all of the compartments have been emptied. Whoever finishes first wins and condemns the loser to a forfeit of their choice.

Everything you ever wanted to know about beer but were too busy drinking it to ask. The Little Book of Beer is a light-hearted, irreverent but also informative book that celebrates beer culture. The book should be something that enlightens the reader while also leaving them foaming (pun intended) at the mouth at the mere thought of going for a pint. It will show how beer is one of the great unifiers, a drink almost as old as time, and it is something that brings people together and makes them happy. While it celebrates how beer has influenced popular culture and vice versa, it avoids falling into obvious traps of beer snobbery or elitism. 'You can't be a real country unless you have a beer and an airline - it helps if you have some kind of football team, or some nuclear weapons, but in the very least you need a beer.' Frank Zappa. 'When all else fails, there is music. When that fails you, there is beer.' James Hauenstein.

A compendium of facts and sayings about the superior spirit, Gin.

Men may have their little black book of cocktails - but now women have one just for them, in feminine pink, fashionably designed, and with a lovely textured cover embossed with red foil. Inside, gals will find witty quotes and words of wisdom as well as fabulous drinks from Cosmos to Appletinis to other fun and exciting and easy to make shots, drinks, and cocktails. Best-selling girlfriend expert Jennifer Worick, co-author of The Worst-Case Scenario Survival Handbook: Dating & Sex, provide an entertaining introduction.

Fifteen million Americans a year are plagued with alcoholism. Five million of them are women. Many of them, like Caroline Knapp, started in their early teens and began to use alcohol as "liquid armor," a way to protect themselves against the difficult realities of life. In this extraordinarily candid and revealing memoir, Knapp offers important insights not only about alcoholism, but about life itself and how we learn to cope with it. It was love at first sight. The beads of moisture on a chilled bottle. The way the glasses clinked and the conversation flowed. Then it became obsession. The way she hid her bottles behind her lover's refrigerator. The way she slipped from the dinner table to the bathroom, from work to the bar. And then, like so many love stories, it fell apart. Drinking is Caroline Knapp's harrowing chronicle of her twenty-year love affair with alcohol. Caroline had her first drink at fourteen. She drank through her years at an Ivy League college, and through an award-winning career as an editor and columnist. Publicly she was a dutiful daughter, a sophisticated professional. Privately she was drinking herself into oblivion. This startlingly honest memoir lays bare the secrecy, family myths, and destructive relationships that go hand in hand with drinking. And it is, above all, a love story for our times—full of passion and heartbreak, betrayal and desire—a triumph over the pain and deception that mark an alcoholic life. Praise for *Drinking* "Quietly moving . . . Caroline Knapp dazzles us with her heady description of alcohol's allure and its devastating hold." *Los Angeles Times Book Review* "Filled with hard-won wisdom . . . [a] perceptive and revealing book." *San Francisco Chronicle* "Eloquent . . . a remarkable exercise in self-discovery." *The New York Times* "Drinking not only describes triumph; it is one." *Newsweek*
