The New One Minute Manager Explains The more we understand why something works, the more apt we are to use it. The best minute I spend is the one I invest in people. It is ironic that companies spend so much money on salaries but so little on developing people.

~~The New One Minute Manager Book Summary — Jeremy Silva~~

The New One Minute Manager offers a way for you to succeed sooner with less stress in changing times—both at work and at home. For decades, The One Minute Manager © has helped millions achieve more successful professional and personal lives.

The authors demonstrate three very practical management techniques. Information is included on several studies in medicine and the behavioural sciences, which help readers understand why these simple methods work so well with so many people.

A new edition based on the timeless business classic—updated to help today ' s readers succeed more quickly in a rapidly changing world. For decades, The One Minute Manager© has helped millions achieve more successful professional and personal lives. While the principles it lays out are timeless, our world has changed drastically since the book ' s publication. The exponential rise of technology, global flattening of markets, instant communication, and pressures on corporate workforces to do more with less—including resources, funding, and staff—have all revolutionized the world in which we live and work. Now, Ken Blanchard and Spencer Johnson have written The New One Minute Manager to introduce the book ' s powerful, important lessons to a new generation. In their concise, easy-to-read story, they teach readers three very practical secrets about leading others—and explain why these techniques continue to work so well. As compelling today as the original was thirty years ago, this classic parable of a young man looking for an effective manager is more relevant and useful than ever.

When a person goes to the boss with a problem and the boss agrees to do something about it, the monkey is off his back and onto the boss's. How can managers avoid these leaping monkeys? Here is priceless advice from three famous experts: how managers can meet their own priorities, give back other people's monkeys, and let them solve their own problems.

The One Minute Manager, published in 1982, took the world by storm. More than 13 million copies have been sold in this country and it has been translated into more than 25 languages, making it one of the most influential books about business management ever written. The second book in this record-breaking series, Putting the One Minute Manager to Work, turns the three secrets of One Minute Management into day-to-day skills and shows how they work in real-life situations. By going straight to boardrooms and assembly lines for their examples, the authors put the One Minute concepts into working systems that directly affect a company's bottom line. Here is the next step in the revolutionary, simple, and uniquely effective system that is changing how the world runs business.

One of the most popular and bestselling works ever on management.
