The #1 New York Times Bestseller, USA Today Book of the Year, now a major motion picture starring Emily Blunt. The debut psychological thriller that will forever change the way you look at other people's lives, from the author of *Into the Water* and *A Slow Fire Burning*. "Nothing is more addicting than *The Girl on the Train*." —Vanity Fair "The *Girl on the Train* has more fun with unreliable narration than any chiller since *Gone Girl*. . . . [It] is liable to draw a large, bedazzled readership." —The New York Times "Marries movie noir with novelistic trickery. . . hang on tight. You'll be surprised by what horrors lurk around the bend." —USA Today "Like its train, the story blasts through the stagnation of these lives in suburban London and the reader cannot help but turn pages." —The Boston Globe "Gone Girl fans will devour this psychological thriller." —People EVERY DAY THE SAME Rachel takes the same commuter train every morning and night. Every day she rattles down the track, flashes past a stretch of cozy suburban homes, and stops at the signal that allows her to daily watch the same couple breakfasting on their deck. She's even started to feel like she knows them. Jess and Jason, she calls them. Their life--as she sees it--is perfect. Not unlike the life she recently lost. UNTIL TODAY And then she sees something shocking. It's only a minute until the train moves on, but it's enough. Now everything's changed. Unable to keep it to herself, Rachel goes to the police. But is she really as unreliable as they say? Soon she is deeply entangled not only in the investigation but in the lives of everyone involved. Has she done more harm than good?

THE RUNAWAY SUNDAY TIMES NO.1 BESTSELLER AND THRILLER OF THE YEAR, NOW A MAJOR FILM STARRING EMILY BLUNT 'Really great suspense novel. Kept me up most of the night. The alcoholic narrator is dead perfect' STEPHEN KING Rachel catches the same commuter train every morning. She knows it will wait at the same signal each time, overlooking a row of back gardens. She's even started to feel like she knows the people who live in one of the houses. 'Jess and Jason', she calls them. Their life - as she sees it - is perfect. If only Rachel could be that happy. And then she sees something shocking. It's only a minute until the train moves on, but it's enough. Now everything's changed. Now Rachel has a chance to become a part of the lives she's only watched from afar. Now they'll see; she's much more than just the girl on the train...

THE NUMBER ONE BESTSELLER. YOU DON'T KNOW HER. BUT SHE KNOWS YOU. Rear Window meets *Gone Girl*, in this exceptional and startling psychological thriller 'Gripping, enthralling - a top-notch thriller and a compulsive read' S J WATSON, bestselling author of *Before I Go To Sleep* Rachel catches the same commuter train every morning. She knows it will wait at the same signal each time, overlooking a row of back gardens. She's even started to feel like she knows the people who live in one of the houses. 'Jess and Jason', she calls them. Their life - as she sees it - is perfect. If only Rachel could be that happy. And then she sees something shocking. It's only a minute until the train moves on, but it's enough. Now everything's changed. Now Rachel has a chance to become a part of the lives she's only watched from afar. Now they'll see; she's much more than just the girl on the train...

"Robinson believed that, if he looked at it hard enough, he could cause the surface of the city to reveal to him the molecular basis of historical events, and in this way he hoped to see into the future." In his sequence of films, Patrick Keiller retraces the hidden story of the places where we live, the cities and landscapes of our everyday lives. Now, in this brilliant collection of essays, he offers a new perspective on how Britain works and sees itself. He discusses the background to his work and its development – from surrealism to post-2008 economic catastrophe – and expands on what the films reveal. Referencing writers including Benjamin and Lefebvre, the essays follow his career since the late 1970s, exploring themes including the surrealist perception of the city; the relationship of architecture and film; how cities change over time, and how films represent this; as well as accounts of cross-country journeys involving historical figures, unexpected ideas and an urgent portrait of post-crash Britain.

Six-year-old Gretl Schmidt is on a train bound for Aushwitz. Jak ó b Kowalski is planting a bomb on the tracks. "Richly imagined and masterfully told, a love story so moving it will leave you breathless. And deeply satisfied." —Tamera Alexander, USA Today bestselling author *As World War II draws to a close, Jak ó b fights with the Polish resistance against the crushing forces of Germany and Russia. They intend to destroy a German troop transport, but Gretl ' s unscheduled train reaches the bomb first. Gretl is the only survivor. Though spared from the concentration camp, the orphaned German Jew finds herself lost in a country hostile to her people. When Jak ó b discovers her, guilt and fatherly compassion prompt him to take her in. For three years, the young man and little girl form a bond over the secrets they must hide from his Catholic family. But she can ' t stay with him forever. Jak ó b sends Gretl to South Africa, where German war orphans are promised bright futures with adoptive Protestant families—so long as Gretl ' s Jewish roots, Catholic education, and connections to communist Poland are never discovered. Separated by continents, politics, religion, language, and years, Jak ó b and Gretl will likely never see each other again. But the events they have both survived and their belief that the human spirit can triumph over the ravages of war have formed a bond of love that no circumstances can overcome. " Readers will adore intrepid Gretl and strong Jak ó b in this story of war, redemption, and love. " —Publisher ' s Weekly " Joubert reminds readers how love triumphed over the difficulties faced by WWII survivors as they navigated new boundaries, revised politics, and the old faith prejudices that defined post-war Europe. " —CBA Retailers + Resources " Right from the start, Joubert sets up a palpable, tension-filled atmosphere and visually striking landscape. Mixing factual events with fiction, Gretl and Jakob offer interesting viewpoints on the world around them. " —RT Book Reviews, 4 1/2 stars " A riveting read with an endearing, courageous protagonist . . . takes us from war-torn Poland to the veldt of South Africa in a story rich in love, loss, and the survival of the human spirit. " —Anne Easter Smith, author of *A Rose for the Crown* " Captivating. Emotional and heart-stirring. Joubert masterfully crafts every scene with tenderness and hauntingly accurate detail. It ' s a stunning coming-of-age novel that packs emotion in a delicate weave of hope, faith—and the very best of love. " —Kristy Cambron, author of *The Butterfly and the Violin* and *A Sparrow in Terezin* " A fresh voice and a masterpiece I could not put down—one I will long remember. " —Cathy Gohlke, Christy Award winning author of *Secrets She Kept* and *Saving Amelie* " The *Girl From the Train* is an eloquent, moving testament to love and its power to illuminate our authentic selves. " —Sherry Jones, author of *The Sharp Hook of Love**

Everything points to suicide - but I saw her face...Headstrong Journalist, Anna Rothman knows what suicide looks like - her own husband killed himself five years earlier. When Elly Swift, an agitated passenger beside her on a train, leaves a locket in Anna's bag before jumping onto the tracks, Anna starts asking awkward questions. But everything points to suicide and the police close the case. Anna, however, believes Elly's fears for Toby, her young nephew, missing since being snatched from St Stephen's church six months ago, fail to explain the true reason behind Elly's distress. Through a series of cryptic clues Elly left behind, Anna starts asking awkward questions, embarking on a dangerous crusade to track down Toby and find Elly's killer. But nothing is as it seems and Anna opens a can of worms that throws into question the death of her husband, five years earlier - before the threads of the mystery converge in an astonishing conclusion.

An Edgar Award finalist for Best Fact Crime, this "impressive...open-eyed investigative inquiry wrapped within a cultural history of rural America" (*The Wall Street Journal*) shows legendary statistician and baseball writer Bill James applying his analytical acumen to crack an unsolved century-old mystery surrounding one of the deadliest serial killers in American history. Between 1898 and 1912, families across the country were bludgeoned in their sleep with the blunt side of an axe. Some of these cases—like the infamous Villisca, Iowa, murders—received national attention. But most incidents went almost unnoticed outside the communities in which they occurred. Few people believed the crimes were related. And fewer still would realize that all of these families lived within walking distance to a train station. When celebrated true crime expert Bill James first learned about these horrors, he began to investigate others that might fit the same pattern. Applying the same know-how he brings to his legendary baseball analysis, he empirically determined which crimes were committed by the same person. Then after sifting through thousands of local newspapers, court transcripts, and public records, he and

his daughter Rachel made an astonishing discovery: they learned the true identity of this monstrous criminal and uncovered one of the deadliest serial killers in America. “ A suspenseful historical account ” (Publishers Weekly, starred review), *The Man from the Train* paints a vivid, psychologically perceptive portrait of America at the dawn of the twentieth century, when crime was regarded as a local problem, and opportunistic private detectives exploited a dysfunctional judicial system. James shows how these cultural factors enabled such an unspeakable series of crimes to occur, and his groundbreaking approach to true crime will convince skeptics, amaze aficionados, and change the way we view criminal history. “ A beautifully written and extraordinarily researched narrative... This is no pure whodunit, but rather a how-many-did-he-do ” (Buffalo News).

Ashley meets her great-uncle by the old train tracks near their community in Nova Scotia. Ashley sees his sadness, and Uncle tells her of the day years ago when he and the other children from their community were told to board the train before being taken to residential school where their lives were changed forever. They weren't allowed to speak Mi'gmaq and were punished if they did. There was no one to give them love and hugs and comfort. Uncle also tells Ashley how happy she and her sister make him. They are what give him hope. Ashley promises to wait with her uncle by the train tracks, in remembrance of what was lost.

This glorious visual celebration of train travel keeps you on the right track with stop-offs at the most important and incredible rail routes from all over the world. Your first stop in *The Train Book* is the groundbreaking steam locomotives of the 19th century and your final destination is the high-speed bullet trains of today. From the Union-Pacific Railroad to the Trans-Siberian Railway, you'll cross the continents to experience epic journeys and staggering scenery. You'll pick a seat on the most iconic locomotives, including the Orient Express, the Blue Train, and the Eurostar. You can also inspect the engines of famous British trains, such as Rocket, Mallard, and Javelin, and international trains, such as India's Palace on Wheels and America's Thatcher Perkins. You'll meet the true pioneers of train and track, including "Father of the Railways" George Stephenson, engineering legend Isambard Kingdom Brunel, and M é tro maestro Fulgence Bienven ü e. For train-spotters and transport enthusiasts everywhere, this is your trip of a lifetime.

What is hidden in the world around us? For ages 3 and up, the uniquely designed Shine-A-Light series of books uncovers the facts behind a diverse range of places and topics through hidden images that are revealed by light. First, view a full-colour scene and read about what is pictured - but what else is there? Shine a torch behind the page, or hold it up to the light, to reveal what is hidden. Turn the page to read fun facts about the hidden image in black and white. A world of surprises awaits! Discover the excitement of life on the rails in this first transport book, perfect for budding train enthusiasts! Simply by holding the pages up to light, young readers can see inside the engine, meet the people who work on the trains, and discover where the trains they travel on go at night. Other titles in the 'Shine-A-Light' series: Shine-A-Light: On the Construction Site Shine-A-Light: On the Plane Shine-A-Light: On the Space Station
