I'd like some comparison on using it with more traditional hive components i.e. national supers. This would then really state that the rose hive is a method and not just a hive type. Its not uncommon to use a 'singe box size' hive, so not sure what the advantage is on using his slightly larger box sizes, especially if you already have hives.

The Rose Hive Method Challenging Conventional Beekeeping

There is a book available "The Rose Hive Method" that sets out the methods of using the Rose hive. I have read it and it is packed with good sound information. It challenges some conventional thinking and teaching, but I see nothing wrong in that. It is well worth a read, even if you don't use Rose hives.

The Rose hive is, in my humble opinion, a very nonrestrictive langstroth, which takes advantage of supers as brood space as well as catering to the bee's natural shape of brood chamber, the rose shape. This is why it is called the rose method. The queens most efficient means of moving from comb to comb is that which is found in nature.

Rose Hive Method (honey bees forum at permies)

The Rose hive "method" (I wouldn't call it a method because it does not methodically work with bees, it simply wild stacking of boxes) also uses a lot of ressources. The additional boxes you use could be better used for honey supers and thus increased honey production. Or you make more hives of the boxes saved.

Claudia had won! She had managed to seduce Phillips and steal him away from Sofia. She had managed to get him to leave his family and now her Motive was to squeeze out every penny she possibly could from his pockets. After the pain and the heartbreak that came with losing the love of her life to Claudia Sofia turned cold... She realized that in this life, you either play or get played; and seeing as she had already gotten played once, it was her time to play! And what was worse; she didn't care who she was gonna play, she didn't care who would get hurt, it didn't matter to her who's heart she was going to break because nobody showed her any remorse. Phillips had created a Demon, a demon thirsty for revenge and she wasn't going to rest till all the people that hurt her got what they deserved, she was going to play dirty.But will Sofia's heart get softened by Sylvia's warm embrace or will she just make it a casual fling? Will she be open-minded enough to unleash the dragon and exploit the lesbian side of her sexuality? Will Sylvia manage to wipe away Sofia's bitterness with her tenderness and her love, or will she distract her from her motives of getting revenge? And most importantly, Will Sofia get her revenge or will she get played AGAIN? Dive into and enjoy Linda Rose's debut novel "Motives - A Lesbian Romance". Find anger and love, fear and ... joy in this thrilling story about a woman discovering her unknown side. A quick note:Thank you so much for your interest in this book! I don't want to spoil anything at this point, but one thing needs to be clarified:This is not a lesbian-only story with lots of explicit content. But if you are looking for a plot that illustrates tension, uncertainty, excitement, and the adventures of a woman in probably the most turbulent phase of her life, then I invite you to enjoy the story of Motives.

I Never Promised You a Rose Garden is the inspiring life story and words of hope from a Palestinian Christian pastor. Pastor Samih Ismir shares his riveting life story from being raised in a war-torn area in the Middle East to leaving his homeland at the age of 18 to further his education. He ultimately became a Lutheran Pastor. This book contains a compilation of Pastor Sam's most compelling sermons along with his most impactful sermon, "I Never Promised You a Rose Garden".

Includes the booklet Narcissism "The Killer of Love" What could drive an individual who is emotionally strong and highly successful, with a hearty appetite for life, to suddenly lose all desire to live? What could possibly strip a religious person of all belief in God with the blink of an eye? Those vital questions are about to be answered. A Beautifully Disturbing Saga of Love and Survival. Within the throes of a madly passionate romance is the most ghastly soul rape and mind crime conceivable. The Great American "Psychopathic" Love Story exists in a world where nothing is real as perceived. Beneath the surface of what seems to be a fairy tale romance is the outline for what may very well be the perfect murder, and if you are naive enough to think it can't happen to you, you're wrong... dead wrong. Steven lives a life that most can only dream of. At a young age, he achieved fame in the music industry with the now iconic heavy metal band Slayer, and later as a world-renowned airbrush artist. He has everything that a man could want, except for what he desires most, which is, true love. A handsome, successful, charming man that lives and breathes romance, but has been unable to find the one woman that can captivate his heart. One glorious afternoon, Ashley stumbles into his life, and she is everything that he's hoped for and dreamed of. Their story begins as a passionate, tender, and erotic tale of two people falling in love. Together they seem to have the love that dreams are made of and fairy tales are written about. But do they really? Sometimes when it seems too good to be true, the love of your life may not be the person you think they are. On the surface, Steven and Ashley are the quintessential portrait of an enchanted romance, but underneath an illusion of ideal love is a transparent layer of lies, manipulation, and deceit. Unknowingly, Steven has become trapped in the lethal world of a pathological psychopath. Be prepared to have every one of your emotions assaulted by this unique true story. You will laugh, feel the passion and intense love, you'll get angry, experience excruciating pain, and yes, there will be tears. Live the story as the author experienced it. A memoir that is insanity in the raw, and just when you think it is all over, it begins again before leading to a shocking ending that will not soon be forgotten. Ghost of a Rose is the first romance of it's kind. Without any knowledge of its existence, the author documented from the beginning to end of his relationship with a pathological narcissist. The media has incorrectly portrayed Narcissistic Personality Disorder long enough. This is the true nature of the beast, and as melodramatic it may seem at times, this is what a victim experiences when having the life sucked out of him or her by an emotional vampire. You'll witness first hand the idealization "honeymoon" stage, the gaslighting phase, the abandonment, the torment, confusion, awakening, and healing as it all took place. Through the eyes of the author, you'll bear witness to a man systematically destroyed by a narcissist until his life is left in ruin. "Dynamic personal stylized writing. Brilliant! A death to birth with a delivery that is painful as bloody hell." - Becky Joyce Reed "This book saved my life!" - Debbie Perez
