The Communist Party of Peru – Shining Path, more commonly known as the Shining Path, is a revolutionary communist party and terrorist organization in Peru following Marxism – Leninism – Maoism and Gonzalo Thought. When it launched the internal conflict in Peru in 1980, its goal was to overthrow the state by guerrilla warfare and replace it with a Maoist government. The Communist Party of Peru believed that by establishing a dictatorship of the proletariat, inducing a cultural revolution ...

### Shining Path - Wikipedia

The decade of the 1980 ' s was riddled with internal conflict between the Peruvian government and a terrorist organization known as Sendero Luminoso, or Shining Path. In fact, this was the bloodiest period of any historical time in Peru since the Spanish conquest. An estimated 70,000 people died, most of which were ordinary civilians.

### The Shining Path: A Tragic Period in Peru ' s History ...

The Shining Path, or “ Sendero Luminoso ” in Spanish, is a guerrilla rebel organization in Peru. See the latest news for the Shining Path. Shining Path was founded in 1970 by Abimael Guzman ( “ Comrade Gonzalo ” ), a philosophy teacher inspired by the writings of Peruvian Marxist, Jose Carlos Mariategui. The name Shining Path came directly from a passage in Mariategui ' s writing, “ Marxism-Leninism will open the shining path to revolution. ”

### Profile of Shining Path | Peru Reports

The Shining Path or the Militarized Communist Party (Militarizado Partido Comunista – MPC) is the last remnant of Peru ' s guerrilla movement from the end of the 20th Century. Although the group is in decline, it still maintains influence in the VRAEM due to its drug trafficking alliances.

Sendero Luminoso (Shining Path) is a Maoist faction of the Peruvian Communist Party that began its armed struggle against the Peruvian government in 1980. The most active and violent period of the insurgency lasted from 1980-1995. Although the Shining Path has carried out attacks in recent years, it has been on a much smaller scale.

### The Shining Path of Peru: An Analysis of Insurgency and ...

The Shining Path ' s main goal was to destroy existing Peruvian political institutions and replace them with a communist peasant revolutionary regime, while resisting any influence coming from other Latin American guerrilla groups like the Tupac Amaru Revolutionary Movement (MRTA), as well as from foreign ideologies.

### The Rise and Fall of Shining Path – COHA

Shining Path eventually grew to control vast rural territories in central and southern Peru and achieved a presence even in the outskirts of Lima, where it staged numerous attacks. The purpose of Shining Path's campaign was to demoralize and undermine the government of Peru in order to create a situation conducive to a violent coup which would put its leaders in power.

Shining Path of Peru is presented in this part of this historical work, where its origins, roots, ideology and reign of terror threatened the emergent democratic nation of Peru in early 1980s. The origins of this Maoist terrorist group in Peru

A narrative history of the unlikely Maoist rebellion that terrorized Peru even after the fall of global Communism. On May 17, 1980, on the eve of Peru ' s presidential election, five masked men stormed a small town in the Andean heartland. They set election ballots ablaze and vanished into the night, but not before planting a red hammer-and-sickle banner in the town square. The lone man arrested the next morning later swore allegiance to a group called Shining Path. The tale of how this ferocious group of guerrilla insurgents launched a decade-long reign of terror, and how brave police investigators and journalists brought it to justice, may be the most compelling chapter in modern Latin American history, but the full story has never been told. Described by a U.S. State Department cable as " cold-blooded and bestial, " Shining Path orchestrated bombings, assassinations, and massacres across the cities, countryside, and jungles of Peru in a murderous campaign to seize power and impose a Communist government. At its helm was the professor-turned-revolutionary Abimael Guzm á n, who launched his single-minded insurrection alongside two women: his charismatic young wife, Augusta La Torre, and the formidable Elena Iparraguirre, who married Guzm á n soon after Augusta ' s mysterious death. Their fanatical devotion to an outmoded and dogmatic ideology, and the military ' s bloody response, led to the death of nearly 70,000 Peruvians. Orin Starn and Miguel La Serna ' s narrative history of Shining Path is both panoramic and intimate, set against the socioeconomic upheavals of Peru ' s rocky transition from military dictatorship to elected democracy. They take readers deep into the heart of the rebellion, and the lives and country it nearly destroyed. We hear the voices of the mountain villagers who organized a fierce rural resistance, and meet the irrepressible black activist Mar í a Elena Moyano and the Nobel Prize – winning novelist Mario Vargas Llosa, who each fought to end the bloodshed. Deftly written, The Shining Path is an exquisitely detailed account of a little-remembered war that must never be forgotten.

This is the first book in English to provide a truly comprehensive view of Shining Path (Sendero Luminoso ), a major guerilla movement in Peru. Sendero 's Maoist principles first begin in the 1960s with a small band of supporters and no attention from the outside world, but later emerged as the most radical and dogmatic expression of Marxist revolution in the Hemisphere .

First published in Peru in 1990, The Shining Path was immediately hailed as one of the finest works on the insurgency that plagued that nation for over fifteen years. A richly detailed and absorbing account, it covers the dramatic years between the guerrillas' opening attack in 1980 and President Fernando Belaunde's reluctant decision to send in the military to contain the growing rebellion in late 1982. Covering the strategy, actions, successes, and setbacks of both the government and the rebels, the book shows how the tightly organized insurgency forced itself upon an unwilling society just after the transition from an authoritarian to a democratic regime. One of Peru's most distinguished journalists, Gustavo Gorriti first covered the Shining Path movement for the leading Peruvian newsweekly, Caretas. Drawing on hundreds of interviews and an impressive array of government and Shining Path documents, he weaves his careful research into a vivid portrait of the now-jailed Shining Path leader Abimael Guzman, Belaunde and his generals, and the unfolding drama of the fiercest war fought on Peruvian soil since the Chilean invasion a century before.

An account of Peru's Shining Path explores the impact of the terrorist revolutionaries on Peru, exposing the group's history, ideology, and global links, and examining the potential international implications of the Shining Path

This book describes the major security challenges that face the Americas in the twenty-first century including terrorism, organized crime, drug trafficking, migration, and continually evolving geopolitical realities. It appeals to those interested in international relations, security studies, comparative politics, and Latin American studies.

The first comprehensive study of the Shining Path, the Maoist sect of indigenous people who waged a a brutal war in Peru during the 1980s and early 1990s in an attempt to effect a Communist revolution .

From 1980 to 1992, Maoist Shining Path rebels, Peruvian state forces, and Andean peasants waged a bitter civil war that left some 69,000 people dead.

Using archival research and oral interviews, *Before the Shining Path* is the first long-term historical examination of the Shining Path's political, economic, and social antecedents in Ayacucho, the department where the Shining Path initiated its war. This study uncovers rural Ayacucho's vibrant but largely unstudied twentieth-century political history and contends that the Shining Path was the last and most extreme of a series of radical political movements that indigenous peasants pursued. The Shining Path's violence against rural indigenous populations exposed the tight hold of anti-Indian prejudice inside Peru, as rebels reproduced the same hatreds they aimed to defeat. But, this was nothing new. Heilman reveals that minute divides inside rural indigenous communities repeatedly led to violent conflict across the twentieth century.

Between 1980 and 1994, Peru endured a bloody internal armed conflict, with some 69,000 people killed in clashes involving two insurgent movements, state forces, and local armed groups. In 2003, a government-sponsored " Truth and Reconciliation Committee " reported that the conflict lasted longer, affected broader swaths of the national territory, and inflicted higher costs, in both human and economic terms, than did any other conflict in Peru ' s history. Of those killed, 75 percent were speakers of an indigenous language, and almost 40 percent were among the poorest and most rural members of Peruvian society. These unequal impacts of the violence on the Peruvian people revealed deep and historical disparities within the country. This collection of original essays by leading international experts on Peruvian politics, society, and institutions explores the political and institutional consequences of Peru ' s internal armed conflict in the long 1980s. The essays are grouped into sections that cover the conflict itself in historical, comparative, and theoretical perspectives; its consequences for Peru ' s political institutions; its effects on political parties across the ideological spectrum; and its impact on public opinion and civil society. This research provides the first systematic and nuanced investigation of the extent to which recent and contemporary Peruvian politics, civil society, and institutions have been shaped by the country ' s 1980s violence.

When Peruvian public intellectual Jos é Carlos Ag ü ero was a child, the government imprisoned and executed his parents, who were members of Shining Path. In *The Surrendered*—originally published in Spanish in 2015 and appearing here in English for the first time—Ag ü ero reflects on his parents' militancy and the violence and aftermath of Peru's internal armed conflict. He examines his parents' radicalization, their lives as guerrillas, and his tumultuous childhood, which was spent in fear of being captured or killed, while grappling with the complexities of public memory, ethics and responsibility, human rights, and reconciliation. Much more than a memoir, *The Surrendered* is a disarming and moving consideration of what forgiveness and justice might mean in the face of hate. This edition includes an editor's introduction, a timeline of the Peruvian conflict, and an extensive interview with the author.
