This unique crafted to do list organizer is great for multi purpose use or daily note-taking or productivity tracking Enjoy!

Would a proper adult ignore the spilt milk under the fridge for weeks? Would a proper adult take three years to post a solitary Christmas card? Would a proper adult have decades-old underwear in active service? Mike Gayle is nowhere near being a proper adult - even though his tenth wedding anniversary is looming; his second child is due any moment; and in less than twenty-four hours he is going to be officially closer to forty than he is to thirty. Appalled by this lack of maturity, Mike draws up a To-Do list containing every single item he's been meaning to do but just keeps putting off... He's got a lot of stuff that needs doing. But unlike previous To-Do lists, he promises himself that this one will actually get DONE. And along the way, Mike will learn stuff about life (323), love (999), friends (1004) and family (9) and finally work out what it means to be a grown up (846).

The book Lifehack calls "The Bible of business and personal productivity." "A completely revised and updated edition of the blockbuster bestseller from 'the personal productivity guru'" —Fast Company Since it was first published almost fifteen years ago, David Allen ' s Getting Things Done has become one of the most influential business books of its era, and the ultimate book on personal organization. " GTD " is now shorthand for an entire way of approaching professional and personal tasks, and has spawned an entire culture of websites, organizational tools, seminars, and offshoots. Allen has rewritten the book from start to finish, tweaking his classic text with important perspectives on the new workplace, and adding material that will make the book fresh and relevant for years to come. This new edition of Getting Things Done will be welcomed not only by its hundreds of thousands of existing fans but also by a whole new generation eager to adopt its proven principles.

Every idea in this book is focused on increasing your overall levels of productivity, performance, and output and on making you more valuable in whatever you do. You can apply many of these ideas to your personal life as well. Each of these twenty-one methods and techniques is complete in itself. All are necessary. One strategy might be effective in one situation and another might apply to another task. All together, these twenty-one ideas represent a smorgasbord of personal effectiveness techniques that you can use at any time, in any order or sequence that makes sense to you at the moment. The key to success is action. These principles work to bring about fast, predictable improvements in performance and results. The faster you learn and apply them, the faster you will move ahead in your career - guaranteed! There will be no limit to what you can accomplish when you learn how to Eat That Frog!

"Indistractable provides a framework that will deliver the focus you need to get results." —James Clear, author of Atomic Habits "If you value your time, your focus, or your relationships, this book is essential reading. I'm putting these ideas into practice." —Jonathan Haidt, author of The Righteous Mind National Bestseller Winner of the Outstanding Works of Literature (OWL) Award Included in the Top 5 Best Personal Development Books of the Year by Audible Included in the Top 20 Best Business and Leadership Books of the Year by Amazon Featured in The Amazon Book Review Newsletter, January 2020 Goodreads Best Science & Technology of 2019 Finalist You sit down at your desk to work on an important project, but a notification on your phone interrupts your morning. Later, as you're about to get back to work, a colleague taps you on the shoulder to chat. At home, screens get in the way of quality time with your family. Another day goes by, and once again, your most important personal and professional goals are put on hold. What would be possible if you followed through on your best intentions? What could you accomplish if you could stay focused? What if you had the power to become "indistractable?" International bestselling author, former Stanford lecturer, and behavioral design expert, Nir Eyal, wrote Silicon Valley's handbook for making technology habit-forming. Five years after publishing Hooked, Eyal reveals distraction's Achilles' heel in his groundbreaking new book. In Indistractable, Eyal reveals the hidden psychology driving us to distraction. He describes why solving the problem is not as simple as swearing off our devices: Abstinence is impractical and often makes us want more. Eyal lays bare the secret of finally doing what you say you will do with a four-step, research-backed model. Indistractable reveals the key to getting the best out of technology, without letting it get the best of us. Inside, Eyal overturns conventional wisdom and reveals: • Why distraction at work is a symptom of a dysfunctional company culture—and how to fix it • What really drives human behavior and why "time management is pain management" • Why your relationships (and your sex life) depend on you becoming indistractable • How to raise indistractable children in an increasingly distracting world Empowering and optimistic, Indistractable provides practical, novel techniques to control your time and attention—helping you live the life you really want.

Written with hope, candor and a biting sense of humor, Terri Lee Ryan utilizes her life experiences as a platform in, Life Is One Big To-Do List: A Woman's Life After 40. Offering advice and solace in dealing with women's daily to-do lists - including managing time-consuming mates, needy parents, a demoralizing divorce, job lay-offs and the aging process - she urges women to start living for themselves, not for others. Ryan shares her life and other women's lives at an age when their hormones are diminishing faster than they can take estrogen, their career options are dwindling, and the cellulite on the backs of their legs is multiplying faster than a virus! Ryan addresses the small and the not-so-small daily challenges women encounter that make them just want to hide under the covers instead of deal with life. Fun, honest and pertinent, this is a must-read for women over forty.

The best-selling phenomenon from Japan that shows us a minimalist life is a happy life. Fumio Sasaki is not an enlightened minimalism expert or organizing guru like Marie Kondo—he ' s just a regular guy who was stressed out and constantly comparing himself to others, until one day he decided to change his life by saying goodbye to everything he didn ' t absolutely need. The effects were remarkable: Sasaki gained true freedom, new focus, and a real sense of gratitude for everything around him. In Goodbye, Things Sasaki modestly shares his personal minimalist experience, offering specific tips on the minimizing process and revealing how the new minimalist movement can not only transform your space but truly enrich your life. The benefits of a minimalist life can be realized by anyone, and Sasaki ' s humble vision of true happiness will open your eyes to minimalism ' s potential.

Time Management Made Simple and Easy Fans of The Compound Effect by Darren Hardy, Eat That Frog by Brian Tracy, and 12 Week Year by Brian P. Moran and Michael Lennington will love Time Management Ninja. More time, stress relief, and relaxation: You want more time in your life. Time to spend with family, to achieve big goals, and to simply enjoy life. Yet, the world we live in is busier and changing faster than ever before. More things competing for your time, and more distractions interrupting your day. Simple and practical time management: You have tried to manage your time better but have found that most time management systems and tools are too complex. Or they are too unwieldy to be effective or sustainable. Time management shouldn ' t be difficult, and it shouldn ' t take up more of your precious time than it gives back! Easy tools, rules, and tactics: Craig Jarrow has been there, too. However, after spending many years testing time management tactics, tools, and systems and having written hundreds of articles on productivity, goals, and organization, Jarrow discovered a simple truth. Time management should be easy. More productivity and less stress: It is only when you simplify your approach that you can rise above the busyness and chaos of our fast-paced society. Time Management Ninja offers "21 Rules" that will show you an easier and more effective way to take control of your time and manage your busy life. If you follow these simple principles, you will get more done with less effort. You will have less stress and more time to do the things you want to do. No-stress, uncomplicated time management that works
