The Story of Paintings: A History of Art for Children by ...

"The Story of Painting" is an art history book that's full of colorful pictures of painting, tools, artists, and such. The book started with cave paintings, Greek pottery, Roman statues, and frescoes and progressed throughout history to the modern day.

The Story of Painting: How art was made: DK, King, Ross ...

The history of paintingreaches back in time to artifacts from pre-historic humans, and spans all cultures. It represents a continuous, though periodically disrupted, tradition from Antiquity. Across cultures, and spanning continents and millennia, the history of painting is an ongoing river of creativity, that continues into the 21st century.

History of painting - Wikipedia

For those who've enjoyed the original, the good news is that the new edition of The Story of Painting has grown by more than 300 pages of photographs--magnified close-ups of details from nearly half the 450 paintings in the book. Fauvist paint strokes become mighty slabs; sparkling light on a Dutch still life is revealed as a series of tiny dots; the cheeks of a young man in an Italian Renaissance portrait betray a touch of five o'clock shadow.

The story of art

~~THE STORY OF STARRY NIGHT. ...~~ It is by far the most dreamlike, unreal part of the painting, beyond human comprehension and just out of reach. Go down one level to the cypress, the hills, and the other trees on the ground. They bend and swirl, still soft angles that match the soft swirls of the sky. The last part is the village.

Van Gogh Starry Night - The Painting and The Story

The Story of Art focuses mostly on European art, and mostly on painting. The author is quite up-front about this: he emphasizes European art because that's what he has seen most of, and because the book is already quite long enough. He includes mostly paintings because, he says, they lose least when rendered as photographs on the printed page.

The Story of Art: Gombrich, E.H.: 9780714832470: Amazon ...

The Story of Art, by E. H. Gombrich, is a survey of the history of art from ancient times to the modern era. First published in 1950 by Phaidon, the book is widely regarded both as a seminal work of criticism and as one of the most accessible introductions to the visual arts. It was originally intended for younger readers.

The Story of Art - Wikipedia

Whoever bought that painting would inherit the entire estate, including the paintings. The man who took the son gets every thing!" God gave His son 2,000 years ago to die on a cruel cross.

The Story of Painting: From Cave Painting to Modern Times ...

History paintings usually depict a moment in a narrative story, rather than a specific and static subject, as in a portrait. The term is derived from the wider senses of the word historia in Latin and Italian, meaning "story" or "narrative", and essentially means "story painting".

History painting - Wikipedia

Florentine tondi were often large, richly framed paintings, and Botticelli produced major works in this format, beginning with the Adoration of the Kings (c. 1473; also called Adoration of the Magi; in the collection of the National Gallery of Art in London), that he painted for Antonio Pucci. Before Botticelli, tondi had been conceived essentially as oblong scenes, but Botticelli suppressed ...

A friendly and inspiring introduction to art history, telling the stories of the world's greatest paintings and artists from prehistory to the modern dayThe Story of Paintings begins with the cave paintings of our Stone Age ancestors and continues through to the modern day. Mick Manning and Brita Granstrom take you on a tour of their personally selected gallery which showcases the work of some of the world's most famous artists and few a less well-known ones. The artists featured include van Eyck, da Vinci, Bruegel, Rembrandt, Velazquez, *JMW* Turner, Van Gogh, Monet, Matisse, Georgia O'Keefe, Picasso, Frida Kahlo and Jackson Pollock as well as Dame Laura Knight and Kalan Khan. The friendly text and illustrations help children to appreciate the art, highlighting interesting biographical details and picking out key details to spot. The book's large format means the art is reproduced on a wonderfully impactful scale. This really is a book to give and treasure. The creative team of Mick Manning and Brita Granstrom are well-known for their ground breaking children's information books. Their many awards range the TES Information Book Award for What's Under the Bed? and the English Association Non-fiction award for Charlie's War Illustrated.

"The Story of Art is one of the most famous and popular books on art ever published. For 45 years it has remained unrivalled as an introduction to the whole subject, from the earliest cave paintings to the experimental art of today. Readers of all ages and backgrounds throughout the world have found in Professor Gombrich a true master, who combines knowledge and wisdom with a unique gift for communicating directly his own deep love of the works of art he describes." "The Story of Art owes its lasting popularity to the directness and simplicity of the writing, and also the author's skill in presenting a clear narrative. He describes his aim as 'to bring some intelligible order into the wealth of names, periods and styles which crowd the pages of more ambitious works', and using his insight into the psychology of the visual arts, he makes us see the history of art as 'a continuous weaving and changing of traditions in which each work refers to the past and points to the future, a living chain that still links our own time with the Pyramid age'. In its new format, the 16th edition of this classic work is set to continue its triumphant progress for future generations and to remain the first choice for all newcomers to art."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Through more than 450 masterpieces, the author unfolds the story of 800 years of Western painting from Giotto, the Renaissance and Impressionism, to Pop Art and the present day.

Presents twenty famous paintings from the history of art, describing how they were created, their original audience, and the influence they have had on later artists.

The Short Story of Art is a new and innovative introduction to the subject of art. Simply constructed, the book explores 50 key works, from the wall paintings of Lascaux to contemporary installations, and then links these to sections on art movements, themes, and techniques. The design of the book allows the student or art enthusiast to easily navigate their way around key periods, artists and styles. Accessible and concise, it simplifies and explains the most important and influential concepts in art, and shows how they are linked. The book explains how, why, and when art changed, who introduced certain things, what they were, where they were produced, and whether they matter. It demystifies artistic jargon, giving readers a thorough understanding and broad enjoyment of art.

Contains over 400 masterpieces of Western painting from the very beginnings of art to the present day. The book includes nearly 200 close-ups to allow the reader to gain knowledge of each work and artist and Sister Wendy Beckett shares her love of painting.

"Why do artists love books?" This volume takes this tantalizingly simple question as a starting point to reveal centuries of symbiosis between the visual and literary arts. First looking at the development of printed books and the simultaneous emergence of the modern figure of the artist, The Art of Reading appraises works by the many great masters who took inspiration from the printed word. Authors Jamie Camplin and Maria Ranauro weave together an engaging cultural history that probes the ways in which books and paintings represent a key to understanding ourselves and the past. Paintings contain a world of information about religion, class, gender, and power, but they also reveal details of everyday life often lost in history texts. Such artworks show us not only how books have been valued over time but also how the practice of reading has evolved in Western society. Featuring over one hundred works by artists from across Europe and the United States and all painting genres, The Art of Reading explores the two-thousand-year story of the great painters and the preeminent information-providing, knowledge-endowing, solace-giving, belief-supporting, leisure-enriching, pleasure-delivering medium of all time: the book.

A haunting, beautiful middle-grade novel about fractured relationships, loss, ghosts, friendship and art. Annie and her mother don't see eye to eye. When Annie finds a painting of a lonely lighthouse in their home, she is immediately drawn to it--and her mother wishes it would stay banished in the attic. To her, art has no interest, but Annie loves drawing and painting. When Annie's mother slips into a coma following a car accident, strange things begin to happen to Annie. She finds herself falling into the painting and meeting Claire, a girl her own age living at the lighthouse. Claire's mother Maisie is the artist behind the painting, and like Annie, Claire's relationship with her mother is fraught. Annie thinks she can help them find their way back to each other, and in so doing, help mend her relationship with her own mother. But who IS Claire? Why can Annie travel through the painting? And can Annie help her mother wake up from her coma? The Painting is a touching, evocative story with a hint of mystery and suspense to keep readers hooked.
