Think Bigger. About Who You Are. And What You Offer the World. Stand for something before someone stands on you. Revolt against the play-it-safe, don't disturb the peace, cynical and silenced society that, more often than not, buries big thoughts. Michael Port, bestselling author and creator of ThinkBigRevolution.com, knows it's not always easy to think big. But big thinking must happen now; today, tomorrow, and forevermore. At this very moment, you are the change you want to see in the world—should you choose to accept personal responsibility. Devour every word of The Think Big Manifesto. It is the handbook to your personal revolution. You are more than you know. And you can do more with less than you think... Unhook from the guru track Learn how to be comfortable with discomfort Join people doing powerful things Be one of the big thinkers that others rave about This book, and life, is not a conceptual, theoretical experiment in how to do big things. No, this is just what you need if you're on, or want to be on, the path to doing big things and are willing to invest in your future. Join or incite a worldwide revolution that inspires others to follow. All it takes is one big thought and the revolution is unleashed. One thought, one person at a time, quickly followed by another—soon big thinking becomes the norm. Your big thoughts enable you to achieve greatness, be remarkable, and create a better world. Are you a member of the Think Big Revolution? If so, this is your Manifesto.

If you ever read "Rich dad poor dad" and "Think and Grow Rich" you would love to read "Think Big Grow Bigger." This book will help you to understand exactly your sequence of Actions that cause results. You'll enjoy in changing the sequence to gain better results. You'll enjoy to add some actions or delete that... you'll enjoy testing other sequences. The incredible fact is that you'll have the chance to recognize and apply the sequence of wealthy people. The Stickies Strategy (r) is really powerful!!! What happen If you need some help? The Author, Riccardo Proetto, is here to help you with seminars, courses and coaching. He applied this theory for himself. In 2009 he lost everything. Something like some million euros, house... car.. everything. The problem: Even if he has frequented courses and seminars for himself, that is always a good thing, no one has explained to him how to avoid the same mistakes. He used a lot of strategies, listened a lot of guru... but what his was looking for was not the cure. He wanted the healing. He wanted to help people and himself to avoid mistakes, to accelerate the learning process, to recognize the actions sequence of everything: wealthy style, healthy style... The good news is that he found the solution and the funny thing is that everything is based on personal meanings. The result: the system is always applicable. If you'll have the opportunity to participate at one of his seminars you'll listen with your ears and you'll see with your eyes how is his story. Inside Of This Book You'll Discover The Results To These Shocking Tests: 80% of modern millionaires were able to get there on annual incomes of \$55,000 or less. Even meager savings eventually add up to thousands or millions of dollars.... (this one is almost dumb, cause it's SO easy) (Page 9) Net Worth Formula Simplified The rich have a net worth often double or triple the amount. The average American has less than half. The goal is to double your net worth. (Page 9) Sense of Spending The truly rich hold off gratification, knowing that what is trendy, popular or a must have today may not last until tomorrow. (Page 11) How interest affects your debt Pay more than the minimum on loans. The more you pay now, the less you pay later.(Page 13) Today millionaires spend more time selecting what to buy than buying the product itself. They look for the best bargain before laying their money down. (Page 15) THE STICKIES STRATEGY (r) ... I've seen during these years that our personal meaning of things is the real engine that let us go forward or backward. So I've developed the Stickies Strategy. You can find your exact sequence of actions through the "meanings" and improve or change that one...(Page 54) ...extra Steps: How to Use Your Passion to Succeed Over time, we often forget the passions of our childhood or even the ones we discover as we age." Take a stroll down memory lane and make a list. What would you do if you had all of the money you needed and didn't have to worry about paying your bills?"
