By the Trinity is meant the unity of three persons in one Godhead; Father, Son, and Holy Spirit. Representing God as one, the Scriptures also ascribe divinity to Father, Son and Holy Spirit. The Trinity is three persons in one God. It is simple to say, yet the explanation has evaded man since the subject was undertaken for study.

This one volume contains all 12 volumes (90) essays of the original work. There is a linked table of contents to each of them. The Fundamentals: A Testimony To The Truth is a set of 90 essays published from 1910 to 1915 by the Bible Institute of Los Angeles. The essays were designed to affirm, among other things, conservative Protestant beliefs, especially those of the Reformed tradition, and defend against ideas deemed inimical to them. They are widely considered to be the foundation of modern Christian fundamentalism. The essays set out what was believed to be the fundamentals of Christian faith. The volumes defended orthodox Protestant beliefs and attacked higher criticism, liberal theology, Catholicism, socialism, Modernism, atheism, Christian Science, Mormonism, Millennial Dawn,

Spiritualism, and evolutionism. Listed here is just some of the essay. The Virgin Birth of Christ - James Orr The Deity of Christ - Benjamin B. Warfield The Purposes of the Incarnation - G. Much confusion exists in the minds of God's people concerning the Trinity of heaven, the Father, the Son, and the Spirit. Some believe that they are three aspects of just one Person. This they illustrate by speaking of the sun as having light, heat and power. Others think that there is only one Person who is God, and that Person is the Lord Jesus, and that no other Person will be seen on the Throne in heaven but the Son. There are others who believe that God is a Person who manifests Himself sometimes as Jesus, and sometimes as the Spirit, and eventually as the Father. Dr. Bickersteth has presented in a wonderful way a multitude of Scripture texts which correct the thinking, and make clear the true nature of the Trinity. In some cases he presents in parallel columns that which is said of each separate Person of the Trinity, so that it may be clearly seen that there are three distinct and definite Persons who are in this holy Trinity, and whom we call the God-head. He finds the truth concerning the Trinity in many passages of

the Old Testament, which otherwise would be most difficult to understand. He has carefully presented the various attributes and activities of each Person of the heavenly Trinity, so that the mind will not be confused when reading these passages. Bible students will find a wealth of information and inspiration in this volume, for each Person of the Trinity is presented in clear, unmistakable terms for our hearts' affections. He especially stresses the fact that the term "God" refers to each Person of the Trinity, and does not always refer to the Father. He shows that the word "Lord" applies to each Person of the Trinity, and not just to the Savior. In many passages where the text does not clearly reveal which Person of the Trinity is under consideration, the author shows without question the answer to this perplexity. We are constantly on the alert for a better knowledge of each of the Persons of the Godhead, so that these revelations will fill the heart with worship, praise and thanksgiving. The added information given us by Dr. Bickersteth in this volume will greatly add to our own efficiency in service, and holiness of living while ministering to others. This book has had that effect in my own heart and life. As you read this marvelous unfolding of the personality of each of these great Three you will be led to worship God as you never did before.
